CHAPUT UNABLE TO HOLD OTTAWA AND LONDON LOST

Deneau's Men Went in Front in Seventh, But Senators Came Back in Eighth With Six Runs and Easily Won the Game—Score Was 13 to 9.

[Special to The Advertiser.]

Ottawa, June 8.—Ottawa made it two out of three from London in an old-time swatfest Saturday afternoon, 13 to 9 being the official count, with 30 hits being collected off the offerings of two pitchers. The fray was won and lost half a dozen times, and each round placed a different phase on the situation.

"Lefty" Rogers, who was so effective against the Cockneys up west a week ago, worked for the Senators, with "Frenchy" Chaput serving them for London. In the early rounds both pitchers worked well, the cold weather apparently being in their favor. Ottawa took a two-run lead in the opening round, but held it only till the third, when Deneau's men, who had sent one over in the second, added two more, going in front. In the fifth Ottawa collected three, and with another in the sixth, looked to have the contest iced.

London Scores Five.

While the big Saturday crowd was watching the score board to see how Hamilton and St. Thomas were faring, the Blokies came through with five runs after two men were out in the seventh. Five singles, a double and triple, sent in the shower of tallies and left the aliens with a two-run lead. The third out was made at the plate.

At this stage of the game both pitchers were getting larruped for keeps. Ottawa got a run back in the seventh, and in the eighth put the game in the strong box and threw the key in the canal. In this frame five singles, a double and two walks added an even half dozen runs and cinched it. London made a faint effort to get even in the ninth, but the odds were too heavy and the best they could do was a single run.

"Shag" Hits Ball Hard.

It was another big day with the club for Shaughnessy. In five trips to the plate he got five hits, drove in five runs and scored three. Four of his clouts were clean raps to the outfield, right on the nose. The fifth was a hard drive toward third, on which Myers and Dunlop collided trying to get, the ball hitting Myers on the foot and bounding out to left field. Under President Fitzgerald's scoring instructions it was a base hit, giving the Senators' leader a perfect percentage.

Dolan and Bullock each got three blows, while Catcher Matty Matteson, who practically runs the London club, hit safely three times. Ottawa had eighteen wallops off Chaput, and London cracked twelve off Rogers.

Ottawa Scores in First.

Ottawa got two in the first. Harris walked, stole second, and went to third on Rowe's hard drive to Myers. Shaughnessy scored both with a smash to centre. In the fifth Tully singled over second with one gone, and stole second. Harris whiffed on the third strike, but the ball got away from Matteson and the runner was safe. Rowe then dropped one over third base, scoring Tully. Harris was caught in an attempted double steal with Rowe. Shaughnessy doubled to left, scoring Rowe, and came in himself on Rogers' hit.

Dolan's two-bagger, a sacrifice and Bullock's hit scored a run in the sixth. In the seventh with one out, Shaughnessy got his fourth hit and scored on Lage's drive to the centre field fence.

Ten Men Faced Chaput.

The eighth, the big inning, saw ten men face Chaput. Robertson and Bullock singled, and Tully walked, filling the bases. Harris fouled out to Bierbauer. Rowe walked, forcing in Robertson. Shaughnessy hit a hard one toward third, which Dunlop and Myers collided on, and the ball rolled over the left field line, Bullock and Tully scoring. Rogers singled, and Lage drove one to the fence, scoring "Shag" and Rogers. He was caught trying to stretch it into a triple. Dolan singled, but Robertson, who came up for the second time, died at first.

London got one in the second on two boots and a hit. In the third Linneborn scratched a hit, went to second when Matteson beat out his bunt. Both men advanced on Bierbauer's sacrifice, and scored on Clickenger's drive to right.

London's Big Inning.

The visitors' big session was the seventh. With one gone, Myers singled. Chaput was out at first, advancing the runner. Linneborn hit safely, placing Myers on third. Linneborn went down and Myers scored when Robertson took Lage's throw and returned it to the plate instead of getting the runner. Then came a fusillade of hits. Matteson singled and Bierbauer tripled, scoring two. Clickenger hit safely, Bierbauer coming in. Deneau hit to the centre field shed, scoring "Click," but was caught at the plate for the third out when trying to score on Dunlop's hit, which Rowe got to the plate in time to head him off.

Reidy and Myers led off the ninth with hits. Chaput forced Myers at second. Linneborn hit to Dolan, who got him at first, and threw to second to get Chaput, but Tully thought a force was all that was needed, and never touched the runner, Reidy scoring. Matteson popped out to short.

For a time Cutshaw was out of the game with an injured ankle, but he asserts that he has entirely recovered from that injury and is prepared to take up his snappy work where he was forced to leave off.

PETES LOST LAST TO HAMS

Unable To Do Anything to Smith, Lee's Chunky Heaver —Red Fisher Back in Game After Week's Lay-Off.

Hamilton, June 8.—The Kolts made it two out of three from Peterboro on Saturday, when they took the last game of the series by a score of 7 to 2. Smith, the chunky heaver delegated for mound duty by "Knotty" Lee, was master at all stages, allowing but six scattered hits during the fray. Fisher looked after the receiving end for the Kolts after a week's lay-off with a shattered jaw.

LONDON LACROSSE CLUB WINS OPENING GAME WITH BRANTFORD

Locals Start O. A. L. A. Season Off in Fine Style Before Fairly Good Crowd of Fans—Manager Collins Has Gathered a Likely Team Together—Score Was 8 to 3.

[BY JINX.]

Twenty-four thinly-clad individuals with gutted sticks gathered at Tecumseh Park Saturday afternoon and perpetrated a lacrosse game on a fairly large bunch of unsuspecting but enthusiastic fans. It was the opening game of the lacrosse season in London, and probably the first real game of lacrosse that has been committed for several years in this city. Brantford intermediates were the opposing players, and it is with a feeling of real pride that we announce that London won. The score was 8 to 3.

FANS LIKE GAME.

Judging from the interest displayed in it by the fans who were present, the game seems to have caught on in London, and if the locals can cop a couple more games and show a little more finished work than Saturday's, the fans should turn out in crowds to support them. As it was, Saturday's game was decidedly worth while. Although there was nothing much to it but London, the visitors put up a good stiff argument, and there was no noticeable loafing on the part of any of the London players. Several times some nice runs, and pretty stick work had the crowd cheering, and the team made quite an impression for its first time out.

SOME GOOD PLAYERS.

The local club has five or six splendid lacrosse players, while the others are about the ordinary run of players breaking into the game. In Penny, Anderson, Holly and Acheson, Manager Collins has a quartette of players who can show some real lacrosse, and their work was displayed brilliantly throughout the contest. Anderson scored the majority of the London goals, his shooting being particularly effective, while Penny and Holly also shone in this respect.

Eddie McKay Fast.

Eddie McKay, well know locally as runner, hockey player and ball player, also played a nice game for London considering it was his first time out in a real game He had speed to burn, but as yet lacks a knowledge of the game. He should develop into a great little player, however, and should show up better in the games to follow.

Slattery Starred For Visitors.

The Brantford team was a fast one, although the manager claimed that several new players were being tried out, and a much faster team would appear in London again when the teams meet in July. Slattery was the bright star of the visitors, and this little fellow proved a heap of trouble until he was forced to retire in the last quarter owing to cramps. He scored the first two Brantford goals, running right through the London defence both times. Several other times he broke through, but good wark by Broley in goal and poor shooting robbed him of a goal. The visitors scored all their goals in the second and third quarters.

Anderson Scores First.

Anderson started the scoring for London in twelve minutes, and Penny made it two a minute later on a neat shot in front of the goal. At the quarter the score was 2 to 0 in London's favor, and in the opening minute of the second quarter London scored again. Slattery notched Brantford's first on a nice play in 4½ minutes, and at half time the score remained 3 to 1.

Brantford Rallies.

In the third quarter Brantford started off strong, and Slattery scored in one minute. Woodley evened the score three minutes later, but the visitors faded after that. Anderson ran in two for London in less than two minutes, and the third quarter ended with the score 5 to 3 in London's favor. The last quarter was all London. Anderson made it 6 to 3 by carrying the ball from behind the nets and scoring, and six minutes later Acheson made it 7 to 3. With 15 seconds yet to play, Penny notched London's last goal. The play was mostly at the Brantford end throughout the game, and only the good work of Shannon prevented a much larger score.

Frank Doyle, secretary of the O. A. L. A., refereed the game and handed out numerous penalties to both teams. The game was a clean one, and neither team indulged in any rough work to any extent. A couple of the players received slight injuries, but outside of Slattery, nobody retired from the field.

The line-up was as follows:

London—Broley, goal; G. Fetterley, point; Simmers, cover; Simons, first defence; Fetterley, second defence; Holly, third defence; Atcheson, centre; Deacon, first home; McKay, second home; Walker, third home; Anderson, outside home; Penny, inside home.

Brantford—Shannon, goal; Phillips, point; Duncan, cover; Ions, first defence; Kiercy, second defence; O'Connor, third defence; Adams, centre; Martin, first home; Tyrell, second home; Slattery, third home; Woodley, outside home; Kilgour, inside home.

Referee—Frank Doyle, Toronto.

HYMANS BEATEN BY P. M.S AGAIN

Rube Johnston Was Hammered Hard When Hits Were Needed.

FARQUHAR STAR AT BAT

Got the Longest Hits of the Day—Inability to Connect With Men on Bases Cost Hymans the Game.

Any old kind of ball club from St. Thomas seems to be able to clean up on anything that London can produce. On Saturday at Tecumseh Park in the second part of the big lacrosse-baseball program, the Hyman team was beaten by the Pere Marquettes of Railroadville, by the score of 14 to 7 in a game that was crammed with hits, runs and errors. This is the second time that the Hyman team has lost to the P. M.'s, being defeated the Saturday before in St. Thomas. The game was a scheduled W. O. B. L. affair, and St. Thomas now has two ball teams leading in their respective leagues.

Three Bad Innings.

Hymans had two or three bad innings in which everything seemed to go wrong. The visitors scored four runs in the second inning after two were out, getting four successive bingles off "Rube" Johnston, who was the only piece of pitching property that Manager Parker could corall for the game. Again in the sixth, the Saints added four more, some loose work on the part of Catcher Russell and Centre-fielder Parkinson handing the runs to the visitors. However, this was nothing to what happened in the eighth. In this spasm, the wobbly tanners blew up entirely and four hits mingled with three bad errors resulted in six runs.

Alexander Good in Pinches.

Hymans were unable to bunch their hits off Alexander, although they garnered as many as the Saints. The locals had 12 men left on bases to the visitors 3. Alexander tightening up whenever he was threatened. He was given good support also, and the Saints played a much better game all through than the Hymans.

The hitting of Johnny Farquhar, "Toots" Doherty and Tommy Phelan featured the game. Farquhar's three-bagger to deep right and his double to deep centre were the longest hits in the game. Alfie Gatecliffe umpired and gave good satisfaction.

GUELPH'S HITS COUNTED MOST

Bradshaw Pitched a Good Game Outside of Couple of Innings —Stark Also Pitches Good Ball and Keenan Krew Lost.

Guelph, June 7.—Guelph made it two out of three from Berlin this afternoon, defeating the Dutchmen by a score of 8 to 5, before a big crowd. The weather was cold and raw, but some good ball was played. Bobby Auld starred for Berlin and lasted one inning. Bradshaw going in after Berlin had secured a three-run lead in the second inning. Manager Keenan thinking his star twirler would save the game for him. Bradshaw pitched remarkable ball, striking out no less than fifteen Leafs, but they bunched hits in the third and fifth and won easily, as Stark, after one bad inning, settled down and wop his game without further trouble. BAKER BEATS KANE'S TEAM

Showed Brantford Fans Just How Good a Pitcher He Is —Only Three Hits Were Made Off His Delivery.

Brantford, June 7.—Bill Baker, who is a Brantford cast-off, showed the Brantford fans just how good a pitcher he is by holding Kane's men to three hits in today's game and easily winning. Donovan, who opposed him, was hit hard, but kept the hits scattered. Poor support lost him the game. The score was 4 to 3. The score:
