CHURCH BAZAARS,

From several letters received expressing satisfaction at our "Special Terms to Bazaar Committees" we select the following from Mr. J. W. Cassidy, Secretary of Carmarthen St. Sabbath School.

"I am glad to commend to Sabbath schools and other religious institutions in their Bazaar enterprises, the goods of your "Indian Bazaar," having realized a handsome contribution to our Sabbath-school from the sale of your goods. Our dealings with you were very satisfactory."

Committees may return articles remaining unsold and in good order.

Dealers in fancy goods should send for our Catalogue of shells, etc.

HON. DIRECTORS:

FOR NOVA SCOTIA, P.E. ISLAND, AND NEWFOUNDLAND.

HON. S. L. SHANNON, Halifax.
HON. JAMES YEO, M.P.P., Port Hill, P. E. Island.
WM. H. WEBB, Esq., (Brown & Webb), Halifax.
ANGUS McMILLAN, Esq., Summerside, P. E. Island.
JAIRUS HART, Esq., Halifax.
WM. CROWE, Esq., Halifax.

The history of the ONTARIO MUTUAL LIFE has been from the beginning of the Company up to the present time, a record of success, alike creditable to its founders, its board of directors, its officers, its agents, and a discerning public.

Success begets Success. The growth of the Company has been rapid, healthy and constant, showing in each year since its establishment:—

A GAIN in membership;
in premium receipts;
in interest receipts;
in assurance in force;
in gross income;
in new business;
in surplus for distributing; and
in ready convertible cash assets.

The object of all connected with its affairs has been to make it one of the best, the most substantial, and enduring Companies of its kind. That success has so far attended their efforts, the present admittedly high financial standing of the Company abundantly proves. Its income has advanced from $9,698 89 in 1870, to $190,182 60 in 1883, and its assets from $6,216 00 to $533,705 00. The number of Policies issued for the first four months of 1883 was 312, for a total amount of $423,100. And for the same period in 1884—Policies issued 503, for a total amount of $732,250, being a gain of 191 Policies and $309,150 ! ! ! in amount. These facts speak for themselves, and should induce all intending insurers to pause and weigh well the record and result of this Popular Company before coming to a final decision.

The thirty-four death and endowment claims maturing in 1883, were paid upon an average of one-fourth of a day from the completion of the claim papers, and there did not stand on the books of the Company at the close of the year, any claim disputed or contested.

Promptitude in settling claims as well as Equity and Liberality mark the whole history of the ONTARIO MUTUAL LIFE.

Ministers will do well to apply to the undersigned for special information before placing their risks in other Companies.
