ARTILLERY COMPETITIONS.

The Prize List Made Out by the Ontario Association.

Mr. L. H. Irving, Secretary of the Ontario Artillery Association, forwarded on Saturday to the Militia Department at Ottawa, the prize list adopted by the Executive Committee of the association, and an important suggestion relating to the appointment of an adjutant for the Shoeburyness team. It was decided to expend $250 in the purchase of a cup to be called the "Mowat Cup," to be awarded to the battery making the highest total points for general efficiency, the cup to become the property of any battery winning it three years in succession. A cup valued at $50 will be offered for competition among the cadets of the Royal Military College, the cup to become the property of any cadet winning it twice.

On motion of Major McLean, seconded by Captain Davidson, it was resolved:

That the committee does not see its way clear to offering any prizes for officers' firing competition owing to the small number competing, but if sufficient ammunition is provided to enable all combatant officers to compete, the committee will award a cup of the value of $100, to become the property of any qualified officer winning it two years in succession.

Ten dollars in cash will be given to the non-commissioned officer or gunner obtaining the highest decimal at his short course examination at the Royal School of Artillery, Kingston. No prize will be awarded for any certificate lower than first class grade "B." Similar prizes cannot be allotted for junior non-commissioned officers and gunners until the strength of the Garrison Artillery is increased.

This resolution was passed:

In the event of an artillery team being sent to Shoeburyness this year, the committee beg to suggest that the adjutant be selected from the artillery of the ordinary active militia, and that he must be at the same time a member of the Dominion Artillery Association.

One hundred dollars was set apart for the purchase of a cup to be awarded the battery making the highest total aggregate score at the annual gun practice, such cup to be called the "Gzowski Challenge Cup," its custodian for the year being commanding officer of the battery winning it. The following is the prize list:

Royal Military College firing competition, cup valued at $50, for best shot.

Royal School of Artillery firing competition, 9 pr. M.S.R. gun.

First, $5; second, $4; third, $3.

Cobourg Garrison Battery firing competition; first, $3; second, $2; third, $1.

Field Batteries 9 pr. M.S.R. gun (agricultural score) Gzowski cup and $35 to first; $25 to second and $15 to third. Highest individual score, first $10; second, $5.

Individual scores to each battery: $5 to first; $4 to second; $3 to third.

General efficiency (field batteries) Mowat cup, value $300, to first; $30, to second; and $20 to third.

Driving competition, $12 to the two most efficient drivers in each battery.

Efficiency prize, short course R.S.A. to non-commissioned officer or gunner (field) obtaining highest decimal $10.

TO MARKET GARDENERS—I offer on lease my farm on the flats of the Black Creek, just north of West Toronto Junction, comprising the west half of lot 38, and part of the west half of lot 37 in third concession from Bay, Township of York, one hundred and thirty acres. This is without exception the richest gardening land about Toronto. I should prefer renting all to one tenant, who has necessary capital to work so large a place, but if I cannot rent it in one lot will sub-divide it to suit tenants.
