Many women are denied the happiness of children through derangement of the generative organs. Mrs. Beyer advises women to use **Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—I suffered with stomach complaint for years. I got so bad that I could not carry my children but five months, then would have a miscarriage. The last time I became pregnant, my husband got me to take **Lydia E. Pinkham's Vegetable Compound.** After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry my baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman."—MRS. FRANK BEYER, 22 S. Second St., Meriden, Conn.

Another case which proves that no other medicine in the world accomplishes the same results as Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I was married for five years and gave birth to two premature children. After that I took **Lydia E. Pinkham's Vegetable Compound,** and it changed me from a weak, nervous woman to a strong, happy and healthy wife within seven months. Within two years a lovely little girl was born, who is the pride and joy of my household. If every woman who is cured feels as grateful and happy as I do, you must have a host of friends, for every day I bless you for the light, health and happiness **Lydia E. Pinkham's Vegetable Compound** has brought to my home. Sincerely yours, MRS. MAE P. WHARRY, Flat 31, The Norman, Milwaukee, Wis."

Actual sterility in woman is very rare. If any woman thinks she is sterile let her write to Mrs. Pinkham at Lynn, Mass., whose advice is given free to all would-be and expectant mothers.

$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

OLD HOME SERVIC.

Singers of Forty Years Ago Again Took Their Places in St. Luke's Choir.

The service in St. Luke's Church, Main street, in commemoration of old home week was very largely attended. Between 1,200 and 1,300 people were in the church and many were unable to obtain seats. The purpose of the service was well accomplished. Many old faces which were at one time familiarly identified with St. Luke's, once again appeared in their places and it was a pleasure to see with what joy these joined in singing the hymns well known in their childhood. Old-time members who had strayed to other lands were there in large numbers, even far off Montana being represented. Miss Bessie Williams presided at the organ, and Charles Brigdon, cornetist of the 62nd, assisted with the music.

In the choir were nine former members—Mrs. Fairweather, who recently celebrated her 80th birthday; Mrs. Hayward, Mrs. Alice Ruddock, Mrs. Geo. S. Robertson, Mrs. Ed. J. Hilyard, Mrs. J. W. Smith, Capt. Rawlings, W. H. Smith and Henry Hilyard.

The rector, Rev. R. P. McKim, took as his text the 3rd verse of the 14th chapter of St. John: "I go to prepare a place for you, that where I am there you may be also." The preacher spoke of the old thoughts and associations brought out by this home week, the old memories it brings and of our youthful ambitions, boundless as the prairies; our starting out from home full of determination to conquer all things at once. Then we gradually grow wiser as we see deeped into life and happy is he who returns at length to his heavenly home, as many in the church tonight had returned to their earthly homes after wandering afar. The beauties and the grandeur of the place God is preparing for His followers was emphasized. Many things we could not understand, but God does, and all is done for the best.

The old hymns sung during the service were adapted to the tunes in use many years ago.

MAY BE A CRISIS.

British and American Ministers Will Demand Punishment of Raisuli.

NEW YORK, June 25.—With the release of Messrs. Perdicaris and Varley comes the beginning of the most serious crisis that Morocco has ever experienced, cables the Tangier correspondent of the World. Today the British and American ministers, on behalf of their respective governments, will demand the immediate capture and punishment of Raisuli, the brigand chief. Both governments have all along rejected any suggestion that they guarantee immunity to him. Not only Raisuli, but the Moroccan government, has demanded this, the latter foreseeing that the Sultan would be placed in an awkward position if this punishment was demanded at his hands. The situation differs extraordinarily from that which usually follows such an act of brigandage. Raisuli is now a prominent government official holding absolute sovereignty over numerous provinces peopled by warlike hillsmen. There is little doubt that the Sultan would with easy conscience break his promise and revoke any patents of government granted Raisuli, but should the hillsmen decide that Raisuli had been badly treated, they will resist the appointment of a new governor, and aided by the splendid prestige his recent acts have given him, Raisuli will hold on to his command with the determination of a doomed man. Should the Moorish government refuse the demand of the British and American government, it will be an affront to those powers and the outcome is obvious.

TANGIER, June 26.—Officers of Rear Admiral Chadwick's squadron say that the squadron will leave Tangier tomorrow and Tuesday for Gibraltar and Genoa, and that Rear Admiral Jewell's squadron will remain here.

FIRE AT WORLD'S FAIR.

The Hoo Hoo House Destroyed With Loss of $60,000.

ST. LOUIS, June 24.—Fire which threatened to destroy many buildings consumed the Hoo Hoo house and rendered it a total loss. So quickly did it spread that the five occupants of the building all on the second floor, had difficulty in escaping with their lives, being compelled to climb down a tree. The loss on the building and contents is estimated at $60,000. The fire is supposed to have started from an electric light wire. The alarm was answered by the entire world's fair fire department and by eight engine companies of the city fire department. All efforts were directed toward saving the Texas, German, Oregon and Mines and Metallurgy buildings, all of which were threatened with destruction. All were saved without loss or damage.

A few minutes earlier there had been a fire in the elephant barn of the mysterious Asia concession on the Pike. There was a wild stampede of elephants, but attendants quieted the animals before any escaped from the building. The fire loss was insignificant.

YOUNG-MATTHEWS.

On Wednesday evening, June 22nd, an interesting event took place at the home of Mr. and Mrs. James Matthews of Curryville, Albert Co., N. B., when their daughter, Miss Marjorie Alice, was united in marriage to Rev. H. Stanley Young B. A., of Margate, P. E. I. The ceremony, which was performed by Rev. I. N. Parker, took place in the presence of about sixty invited guests.

The bride wore white organdie and carried roses. She was attended by her sister, Miss Dora Matthews, while Fred M. Young, only brother of the groom, acted as best man.

After congraulations a sumptuous wedding supper was served.

The bride, who was a very popular young lady, received many valuable and useful presents.

Rev. H. S. and Mrs. Young will visit for two or three weeks at Oak Bay, N. B.

THE METHODIST CONFERENCE.

FREDERICTON, June 22.—Rev. Mr. Dienstadt, having made a claim for $60 from the children's fund and the committee having reported adversely, the matter was debated at some length, after which the action of the committee was sustained.

A resolution was unanimously adopted expressing the regret of the conference that the Rev. Wm. C. Matthews had been compelled on account of ill health to seek a supernumerary relation, together with the hope that he might again be able to resume work in the calling for which he is eminently fitted.

The Sabbath observance committee called attention to the large amount of work done by railway and other corporations on the Lord's Day, and endorsed the object and aims of the Lord's Day Alliance and urged the ministers and people to co-operate with the agents of the alliance to secure the better observance of the day of rest.
