MONKEYED WITH THE MONK.

Chatham Terror Was No Terror and He Went Down Before O'Grady —Pastimes' Smoker.

A little special named O'Grady monkeyed with the Monk, the Chatham Terror, at the Pastime B.B.C.'s hot smoker last night. There were half a dozen scientific sparring bouts on the program, with only O'Grady and the Terror going for a decision. The Monk looked tacky and eager. O'Grady sailed in, using jabs and uppercuts effectively through two rounds and the Monk's face soon looked very sore. Referee Jack Chambers stopped the bout in the third round amidst an uproar and gave the verdict to O'Grady. The Monk seems scarcely sufficiently strong in body or mind for a winning boxer.

Among the men to appear were: Popp, Thompson, Daly, Barry, Thomas, Leach, Ryan and Smith. The Auditorium was packed, showing the popularity of the house for the boxing game.

The first part introduced several clever specialties that were just the thing for such a show. The Pastimes showed an ability to draw and amuse big houses and the boys are to be congratulated on their success.

Daly and Smith Matched.

As originally scheduled the Crescent A.C. will put on 40 rounds of glove contests at the Auditorium Saturday night. Jack Daly and Jack Smith signed articles last night to go the certain place, 5 rounds at catch weights. On behalf of Lenny, Jimmy Dougherty sent the club secretary a crisp $50 bill as forfeit for appearance and weight, the note arriving yesterday. Burke's forfeit, along with Young's half century, is up with The Buffalo Courier, and as the club has also Ward's money, everything is ready for the biggest boxing bill of the year, the card being as follows:

Jack Daly v. Jack Smith, 5 rounds at catch weights, about 122 pounds.

Joe Youngs, Buffalo, v. Andy Ward, Sarnia, 15 rounds, at 135 pounds.

Luke Burke, Lowell, Mass., v. Ed. Lenny, Philadelphia, Pa., 20 rounds, at 118 pounds.

All 3 minute rounds. Official referee, Walter C. Kelly, Buffalo.

Around the Ring.

The reserved seat plan for Saturday night's show opens at noon to-day in the Auditorium box office. Reserved price $1.

John Hall of Australia and Charles Lawler, Corbett's former sparring partner, have been matched for a 20-round contest to take place in Memphis, March 8.

Joe Youngs, the clever and aggressive Buffalo lightweight, is doing more than his share of work these days at Kennedy's gymnasium in Buffalo. Besides his matches with Andy Ward of Sarnia he has early bouts with Billy Moore at Rochester, and John Jenkins at Dayton, O.

Perhaps our old friend Hymie Goldstein took himself seriously last night at the Olympic Club A.C., when he challenged the winner of the Sullivan-Sieloff bout. Hymie should have challenged the winner of the preliminary. The crowd gave him the ha-ha.—Buffalo News.

Martin Julian, manager of Bob Fitzsimmons, who some days ago was asked to extend the time for the receiving of bids for the Fitzsimmons-Jeffries fight, until March 6, and who at first refused to accede to the request, has sent out the following telegram to Dave Holland: "On account of the death of Brady's boy, and his desire to be in New York when the cub is selected for the Fitzsimmons-Jeffries contest, I am willing to extend time limit on bids until March 6. This change, however, must not interfere with the date of the contest."

Two thousand persons gathered to witness the championship fight between Bobby Dobbs, the Minneapolis colored boxer, and Pat MacDonald, at Glasgow last night. In the first round the police intercepted and arrested both combatants. A scene of great excitement ensued.

Ed Lenny and Luke Burke, who go 20 rounds as the wind-up for the Crescent A. C. show this week, though young at the business, have some creditable battles to their credit. Burke has a 20 round draw with Sammy Kelly, while Lenny has whipped McLellan of Pittsburg, who knocked out Luke Stevens.

McAlpin's Championship.

New York, Feb. 22.—G. S. McAlpin of the Carteret Gun Club won the amateur live pigeon shooting championship at Garden City to-day with a score of 96 killed and 4 misses. Louis T. Duryea of the Carteret Gun Club was second with a score of 95 killed and 5 missed, and C. Painter of Pittsburg was third with 93 killed and 7 missed. Three men were tied for fourth place.

Billiards at the Rossin.

The formal reopening of the Rossin House Billiard Hall will take place to-night at 8 o'clock. The whole hall has been refitted with new tables and cues by Samuel May & Co., everything being of the best. An orchestra will be in attendance, and matches will be played by well-known local experts.

The Demon Dyspepsia—In olden times it was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless or unwise living invite him. And once he enters a man it is difficult to dislodge him. He that finds himself so possessed should know that a valiant friend to do battle for him with the unseen foe is Parmalee's Vegetable Pills, which are ever ready for the trial. ed

FOR THE ANNUAL HORSE SHOW.

Hunt Club and Breeders' Association Working Together Enthusiastically for Success.

There will be the Horse Show this year as usual. The Breeders' Association and the Hunt Club have come to a mutually satisfactory arrangement. A joint meeting of representatives from the two organizations was held at the O. J. C. office yesterday afternoon, and a few minutes sufficed to put everything in shape.

Once over their difficulties, both parties showed an enthusiasm which argues well for the show's success. A large amount of routine business was disposed of, including the striking of the various sub-committees. The usual poster competition will not take place on account of the short time remaining before the opening day, which will be April 13.

His Excellency Lord Minto will open the Show, and it is expected he will be present during the three days, during which it will continue. The officers are: Chairman, G. W. Beardmore; Vice-Chairman, Dr. A. Smith; Secretaries, Messrs. H. Wade and Edward Bayly. The prize list will be out early next week.

Galt Lacrosse Club.

Galt, Feb. 22.—(Special.)—The Galt Lacrosse Club has reorganized for the season of '99, with the following staff of officers: Hon. president, J. C. Dietrich; hon. vice-president, James Warnock; president, G. A. Graham; vice-president, Dr. Buchanan; hon. secretary, Dr. Vardon; secretary, W. G. Bernhardt; treasurer, R. T. Kelley; chaplain, Rev. R. E. Knowles; manager of team, A. J. Cardy; Committee of Management, Messrs. J. McKinnon, W. Lawrason, W. Fulton, F. Bernhardt.

Small Attendance at the Show.

New York, Feb. 22.—The second day of the Dog Show in Madison Square Garden opened with a rather small attendance. This was largely due to the fact that the judging was done yesterday in the most interesting classes.

A number of judgments were announced before the judging of the day began. They were the bloodhound and mastiff and the French bull-dog classes. Dr. C. A. Lougest of Boston took every prize in the bloodhound class with his dogs, there being only two other entries in the bloodhound classes. He also took most of the prizes in the mastiff classes, the same conditions being present there. The prizes were well distributed in the French bulldog classes, there being a large number of special prizes offered by the French Bulldog Club of America.

The judging of the dogs was finished today, and special prizes will be awarded tomorrow. It was said to-night that Claude Duval, George Raper's imported smooth fox terrier, which took so many prizes, had been sold to G. N. Carnochan of Riverdale for $1400.

President Kent's Big List of Prizes

John G. Kent, president of the Canadian Kennel Club, has just received a wire from New York, saying that with his five greyhounds and four wolfhound entries he won 9 first prizes, 4 second prizes, 3 third prizes and one special, which is only the record expected from such a clever Canadian breeder.

Tourists' Annual Meeting.

The fifth annual meeting of the Tourists' Cycle Club was held on Tuesday evening. After reading the reports of the various officers, the elections for the current year took place, and resulted as follows:

President, W Wallace (acclamation); Vice-President, F M Kingswood; Treasurer, C Baker (acclamation); Recording Secretary, G J Turner; Statistical Secretary, W E Stouffer (acclamation); Press Correspondent, F Locke (acclamation); House Committee, Messrs. Falconer, Gimbert, Turner, Micklethwaite, F Oke, P Byrne; Auditors, Messrs. Drummond and Kirk; Trustees, Messrs. W B Campbell and J. Doane.

Mr. Campbell, the retired President, congratulated the club on its success during the past year. Not only is this club in good standing, both financially and socially, but the prospects for the coming year are brighter than ever before.

The annual meeting and election of officers of the Rosedale Golf Club will be held at their club house, Rosedale, on Saturday afternoon at 3 o'clock.

THE METROPOLITAN WEIGHTS

Opening Handicap of Morris Park Racing Season Has Algol at the Top.

BROOKLYN, SUBURBAN DECLARATIONS

Boanerges at New Orleans and The Bachelor at San Francisco Win Stakes.

New York, Feb. 22.—Metropolitan horsemen who have been worrying over dull days recently are indebted to the Westchester Racing Association and the Brooklyn and Coney Island Jockey Clubs for much interesting information sent out last night. The bulletin from Secretary Fellowes of the Coney Island Jockey Club is to the cheerful effect that out of the grand entry for the Suburban, the only declarations are Lambent, Miss Marion, George Boyd, Voter and Boney Boy. Lambent, Miss Marion and Voter were also declared out of the Brooklyn Handicap yesterday, as well as Charentus and Briar Sweet. The last-named is the only significant withdrawal, and the probabilities now are that she will be wound up especially for the Suburban. In that event she will have a strong following. Meanwhile there is some curiosity to learn what is the matter with Voter, who was thought to be nicely placed for both the Brooklyn and the Suburban.

The weights for the Metropolitan fill up a timely gap, and from now on the possibilities of the three big spring handicaps will be a prolific source of technical gossip. J. W. Schorr & Son's 5-year-old, Algol, receives the top weight of 126 pounds in the Metropolitan, with Sydney Paget's 4-year-old, Plaudit, within two pounds of the limit. J.B. Keene's St. Cloud, on the strength of his English form, is rated third-best, and others in receipt of substantial weight are John Boden's Don d'Oro, J. W. Schorr & Son's Lieber Karl, Sydney Paget's George Keene, P. J. Dwyer's Handball, W. H. Clark's Banastar, W. Lakeland's George Boyd and J. A. Hyland's Firearm. Sydney Paget's Jean Beraud is again classed as the best of the 3-year-olds, with Autumn, Ethelbert, Kingdon, W. Overton and Alpen next in order. The weights are as follows:

The Metropolitan Handicap, for 3-year-olds and upward, by subscription of $100 each, with $5000 added; the Withers mile: Algol 126, Plaudit 124, St. Cloud 115, Don d'Oro 117, Lieber Karl 117, George Keene 117, Handball 115, Banastar 113, George Boyd 113, Firearm 113, Imp 112, Floronso 112, Warrenton 111, Swiftmas 110, Candleblack 110, Previous 110, Sanders 110, Jean Beraud 109, Box 109, Poet 108, Autumn 106, Alice Farley 106, Ethelbert 106, Hurly Burly 106, Handsel 105, Whistling Con 105, Kingdon 105, W. The world's record of four miles was diminished by three and one-fourth seconds. The feat was accomplished by E. Corrigan's ch. g. the Bachelor, ridden by Bullman, who covered the four miles in 7.16½. The former record of 7.19¾ was made by Fellowcraft at Saratoga in 1894. Lucretia Borgia went four miles against time in 7.11, on the Oakland, Cal., track in May, 1897.

Fast Track at Frisco.

The Oakland track must be in pretty good shape these days. On Monday Carruthers & Shields' horse Topmast, with 108 lbs. up, won the fifth race at a mile and a sixteenth in 1.45½. This time is equal to the world's record, made by Redskin, 98 lbs., at Forsyth, in 1896. The race of Topmast was, in fact, a more remarkable performance than that of Redskin, inasmuch as he carried ten pounds more weight.

On Tuesday the world's record for 7½ furlongs was lowered by Dunols, ridden by Jockey H. Martin, in the fifth race. The former record for this distance was held by Mamie Scott, whose time was 1.33¼, with 90 lbs. up, made on Oct. 17, 1895, over the old bay district track at San Francisco. Dunols, owned by T. H. Ryan, is by imp. Florist-Beckey B. He carried 105 pounds and covered the distance in 1.32¼.

Will Queen Citys Win To-Night?

Queen City and Parkdale curlers play the city trophy games to-morrow, two rinks at Parkdale in the afternoon, and three at each rink at night. This is the last game these clubs play, and if the Church-street curlers win, it will practically give them the trophy. They have lost only one game out of six, where all the other clubs have dropped two. On the other hand, if Parkdale wins it will be these two clubs. The standing is as follows:

	Won.	Lost.	To play
Queen City	4	1	1
Parkdale	3	2	1
Granites	3	2	1
Toronto	0	5	1

Chips From the Ice.

Frontenac and Collingwood will likely play the intermediate O. H. A. semi-final here on Friday, at the Mutual-street rink.

The Waterloo players for to-night will be: Kochler, Forrester, Joe Seagram, Jim Hendry, Liffitton, Westwick and E. Seagram.

The return game in the final of the O. H. A. senior series, between Varsity and Queen's will be played at Kingston to-night. Murray of that place will referee. The Toronto Rowing Club play Waterloo to-night, leaving for the west by the 5.35 train. The team will be: Goal, Despard; point, Morphy; cover, Morrow; forwards, Lillie, Morrison, Carruther, Dixon.

The Wellingtons will practice to-day at 6.30 to get in condition for their final games with the winners of the Young Torontos—Simcoes match. These men are requested to be out: H Ardagh, I Ardagh, Campbell, Flaws, McCord, Le Martie, Sweatman, Minn.

At 9.30 to-night the public will have an opportunity of seeing what will likely be the hardest game of basket ball played in Toronto this season. The two teams, captained by Cooper and Keffer, have succeeded in winning one of the final games each, and to-night will tell which of the teams will wear the handsome silver medals to be presented to the players of the winning team.

A Magic Pill—Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Subdued, and to all appearances vanquished, in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes and cause much suffering. To these Parmalee's Vegetable Pills are recommended as mild and sure. ed

A. A. IRWIN TALKS BASEBALL

Pair of Old Island Favorites Who Will Round Up His Toronto Team.

THE EASTERN LEAGUE ALL RIGHT

Senatorial Aggregation the Fastest in the Business on Its Feet.

Arthur Irwin arrived on the scene of his former haunts yesterday and seemed the happiest man in town. He says his two teams will be winners this summer, both at the box office and on the field. He is after McFiale and Wagner, and everyone will be glad to see the pair back in the Island fold to round up a team as fast as the one in which Dan McGann held down first base.

Already there are in the Toronto list: Pitchers, Williams, Sutthoff, Crystall, Best and pears; catchers, Bemis and Luskey; first base, Beaumont; second base, Taylor (manager and captain), shortstop, Gatins; outfielders, Hannivan and Grey. Arthur is tickled over the league plums the Eastern schedule gives Toronto. The new circuit will cut down traveling expense to a sure paying margin, and he is only thankful to be out of the Western. The team will report in Newark on April 10, a week before the championship season opens. Practice games have been arranged with Atlantic and Connecticut League clubs for the six days.

Mr. Irwin is also satisfied with his rearranged Senatorial outfit, which is made up like this: Pitchers, Dineen, Dunkle Baker, Weyhing and Killen; catchers, Casey, McGuire and Farrell; first base, Davis; second base, Padden; shortstop, Hulen; third base, Mercer; outfielders, Freeman, Slagle, John O'Brien and Gettman.

"The fastest team on its feet that ever got together" is the way Irwin sizes them up, "and they'll be in at the finish."

"We have already an attendance of 40,000 at Washington before the season opens" was his paradoxical style of expressing the sale of Selbach to Cincinnati for $5000, and a bunch to Richmond, Va. for $500.

Irwin will stay until Sunday, waiting for the fights Saturday night. He has seen Lenny go and the lad is a wonder. The boy can hit harder than Bennett, though only 120 lbs., and is just as clever. Irwin doesn't think Burke will last the 20 rounds.

Casey, Dineen and Freeman are all satisfied with their berths in Washington. The former two are on a short visit to Toronto.

Toronto Junior B. B. League.

The Toronto Junior Baseball League organized last night in the Athlete Hotel. The following clubs were represented: Royal Oaks, Red Stockings, Excelsiors, Marlboros, Crawfords, All Saints. Clubs wishing to be represented in this league may do so by sending a delegate to the league meeting Friday night, at the above place at 8.30 o'clock.

Guelph in Baseball Again.

Guelph, Feb. 22.—A meeting of the baseball enthusiasts of the Royal City was held to-night at the Royal Hotel. The meeting was largely attended. Mr. George Black of Saginaw, Mich., was present and addressed the meeting. After some discussion, it was unanimously decided to send Mr. Black to London to represent Guelph, and endeavor to have this city represented in the Canadian League this coming season. A large proportion of the guarantee money was subscribed at this meeting. Mr. Black will assume the management of the team, and will immediately begin to sign players. A very encouraging feeling existed in the city for a live baseball team, and prospects are now almost assured.

Baseball Brevities.

The Crescents' B.B.C. will hold a meeting at the corner of Sumach and Oak-streets, Friday night to reorganize for the season. All old players and those wishing to join are requested to attend.

Manager Selee says the Bostons will wear gorgeous uniforms on the road next season. They will consist of stockings, black and scarlet stripes, pants black, shirt same, with scarlet English B, scarlet belt, scarlet cap with black trimmings, scarlet coat with pearl buttons and black trimmings.

At a meeting of the directors of the St. Thomas Baseball Club plans for next season were discussed. Contracts have been sent to all the old players, and the directors are dickering with several new men. It is probable that season books will be offered for sale in a short time, and it is expected that the lovers of the game will give the club liberal encouragement.

An indoor baseball match that is being looked forward to with much interest is the game on Saturday night at the Armouries between the champion Highlander team and a team picked from the Garrison. On the picked team there will be five Q. O. R. men, while the rest will be chosen from the Grenadiers, Body Guards, Stanley Barracks and the Toronto Field Battery. A band will be in attendance and the gallery reserved for ladies.

NO PLACE FOR LOVE

Many authorities maintain that consumption is not an hereditary disease, but it is universally admitted that the tendency to consumption is inherited. Weak lungs, narrow chests and low vitality are in many cases family characteristics, and sooner or later the dread destroyer usually appears. Marriage among such people should not be permitted. The tendency toward consumption may be overcome in youth or early manhood and womanhood. Proper care, proper diet and proper exercise, together with Shiloh's Consumption Cure, will conquer the handicaps of heredity, and make anybody equal to the responsibilities and joys of life.

Nelson Gough, of Strathroy, Ont., sent the following letter to Druggist Stephler, of Strathroy, and that gentleman has kindly forwarded it to the S. C. Wells Co., of Le Roy, N. Y.: "I want to tell you what the medicine, Shiloh's Cure, which I bought at your drug store, has done in three cases here. You know that I was long ill with lung trouble. The doctor thought I would not get well. I went out to your store and got a bottle of Shiloh's Consumption Cure. I never had anything to do me so much good. My lungs had been so weak that singing was impossible, and my head was so bad as to affect my memory. Shiloh's Consumption Cure cured me, and to-day I am a well man."

Shiloh's Consumption Cure is sold by all druggists under a positive guarantee that the purchase money will be refunded in case the medicine does not accomplish all that is claimed for it. 25c., 50c. and $1 a bottle throughout the United States and Canada. In England 1s. 2d., 2s. 3d. and 4s. 6d.
