Shipping Intelligence.

The new ship Tyendenaga, Rudolf, master, hence last Wednesday, for London, was still at the Brandy Pots on Monday: 16 of her hands having refused to do duty, the captain had to send to Quebec for 16 hands, who were engaged on Monday, and left the same night for their ship. We have not heard the cause of the men refusing to proceed in the Tyendenaga.

The Trinity steamer Doris, arrived last night from below, reports having spoken new ship Harlequin, off the Pilgrims, on Sunday—moderate breeze from westward—all well. On Saturday, off White Island and Cacouna, saw a quantity of ice; and on Monday morning, off Sie. Ann, observed more.

TO THE ELECTORS OF THE CITY OF MONTREAL.

GENTLEMEN, —Having been appointed CHIEF COMMISSIONER OF PUBLIC WORKS, with a Seat in the Provincial Cabinet, it becomes necessary, in accordance with Constitutional usage, that I should be returned to Parliament—and I venture to appeal to you, amongst whom I have resided for the last twenty-four years, for your confidence and support as a CANDIDATE for the REPRESENTATION of the Commercial Metropolis of Canada at the approaching GENERAL ELECTION.

In accepting office, I can sincerely state, that I have been influenced solely by considerations of a public nature. I enter public life at a considerable sacrifice of my private interests; but I felt so deeply the importance of completing the great chain of our internal communications, both by Railways and Canals, that I was content to waive every personal consideration, in the hope that, by accepting the office assigned to me, I might be enabled more effectually to promote that great work, on which the prosperity of this City and of Canada so much depends.

On questions of general policy I may observe, that I have ever been a warm friend of Progressive Reform and of entire Religious Equality. I enter office with gentlemen whose characters, as public men, afford a sufficient guarantee that they will cordially co-operate in carrying out a truly enlarged and liberal policy—and that, I believe, will secure the approbation and support of the country.

I have the honor to be,
Gentlemen,
Your obedient Servant,
JOHN YOUNG.

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hall, Airdrie, Scotland, dated the 15th of January, 1850.

To Professor HOLLOWAY:

SIR,—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent Doctors, who, after doing what they could for me, stated that they considered my case as hopeless. I ought to say that I had been suffering from a Liver and Stomach complaint of long standing, which during the last two years got so much worse, that every one considered my condition as hopeless. I, as a last resource, got a box of your Pills, which soon gave relief, and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and to the astonishment of myself and everybody who knows me.

(Signed.) MATTHEW HARVEY.

CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated December 12th, 1849.

To Professor HOLLOWAY:

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme Weakness and Debility, with constant nervous headaches, giddiness, and sickness of the stomach, together with a great depression of spirits. I used to think that nothing could benefit me, as I had been to many medical men, none of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, top. I was with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill, and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured; however, I soon found myself better by taking them, and on I went on persevering in the use for six months, when I am happy to say they effected a perfect cure. (Signed.) WILLIAM SMITH.

(Frequently called EDWARD.)

CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J. K. Heydon, 78, King Street, Sydney, dated 10th of November, 1849.

To Professor HOLLOWAY:

SIR,—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a lady residing near the "Razorback," who after having for twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath, coughing and spitting; but as now to use her own expression, able to run up to the top of that mountain. Another case is that of Mr. Cason, Tailor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bedroom for six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state; yet he, likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest. (Signed.) J. K. HEYDON.

EHE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from Lord Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY:

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the faculty at home, and all over the continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient servant. (Signed.) ALDBOROUGH.
