SEVEN YEARS TORTURE

Nothing Helped Him Until He Took "FRUIT-A-TIVES"

ALBERT VARNER.

Buckingham, Que., May 3rd, 1915.

For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston, but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-tives." I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives," and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-tives," and you will get well."
