

OUR No.1 FOUNTAIN PEN FREE

(Made by Sanford & Bennet, New York. Value, \$2.00 cash.)

You can get this pen verveasily by showing this copy of the 'Northern Messenger' to your friends. Take their subscriptions at the rate of 20c each to the end of the year. Ten subscriptions at this rate make \$2.00. Send us the \$2.00 and we will send you the fountain pen free, and will send the 'Messenger' every week to the end of the year to each of your ten friends. They will enjoy the story which is being run serially.

CONSOLATION PRIZE—If any of those who start out to get the above club find that they cannot get them all, we will send our Number 2 Fountain Pen, so long as they send us at least five subscriptions to the end of the year at 20c each. This pen is highly recommended by the manufacturer. The nib is gold-plated, flow of ink free, without leaking. A delightful pen to write with. Surprising value. Of course, this pen does not cost as much as our No. 1, and will probably not wear so long, but it has been used by several of the managers of departments in the 'Witness' Office with great satisfaction. Every one that sees it wonders how we can offer it on such easy terms.

Postage on the 'Northern Messenger' will be charged extra for Montreal District or for foreign countries, except the United States and its dependencies, and Great Britain and Ireland, whose mails carry the 'Messenger' free of charge.

is an important lesson learned when a child has learned how much more pleasure there is in doing a piece of work well, than in doing it in a careless, slip-slop manner. Children who have been trained to do a few things well will be careful and faithful workers in anything they undertake. The habit of accuracy will be seen in all they say, as well as in what they do. I know it takes unending patience to accomplish this, but we owe it to the child, and the result will more than pay for the trouble.

Selected Recipes

Scotch Fig Pudding.—Scrape two ounces of suet and rub into a breakfastcupful of grated bread crumbs; add one cleft of orange peel cut very fine, one cupful of milk, two eggs, one tablespoonful of sugar, one teaspoonful of ginger, and one tablespoonful of cinnamon. Then add one-half a pound of finely chopped figs and a pinch of salt. Butter the pudding mold or dish and steam three and a half hours.

Spiced Molasses Wafers.—One cupful of brown sugar, one-half of a cupful of molasses, one tablespoonful of butter, one-half of a teaspoonful of powdered cinnamon, one-quarter of a teaspoonful of cloves, one-quarter of a teaspoonful allspice, two tablespoonfuls of flour. Put the molasses, sugar and butter in a saucepan and boil gently over the fire until, when tried in cold water, a little of the mixture can be rolled into a very soft ball between the fingers; cover and set aside until cold. Add the spice, then the flour and a pinch of salt. Butter liberally a number of shallow tins. Make a tester by dropping a teaspoonful of the mixture on a greased pan and baking in a hot oven. This is necessary as with some brands of flour a trifle more may be indicated. The mixture will spread very much, and when taken from the oven the cake will be as thin as a wafer and should be taken at once from the pan.
