There are many remedies that remove one pain only by substituting others worse than the first. Blood's Rheumatic Compound is not one of these; it does not injure or destroy the constitution.

A CLERGYMAN (Rev. J. McMurray), writing from Halifax, N. S., says: "Having suffered several years with throat affection, to which clergymen are especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labors from the use of 'Brown's Bronchial Troches.' They have been a great comfort. Others to whom I have recommended them have used them with advantage." For Coughs and Colds the Troches are equally efficacious.

PIANOS! PIANOS!

MR. E. C. SAFFERY, professor of Music, offers his services professionally, in the purchase and selection of new and second-hand Instruments. There is so great a difference even in New Pianos, in point of tone and touch, that parties would be consulting their own interest in availing themselves of his professional experience remembering, that without due discrimination and udgment, you often pay more for a worthless instrument than a superior one would amount to, verifying the old adage, "That you have paid too dear for your whistle;" therefore the fee of $4.00 is absolutely money saved.

Communications post paid directed Mr. Saffery, Dartmouth, Halifax, will be attended to.
