OTTAWA AGRICULTURAL FIRE INSURANCE Company.

Has appointed the undersigned sole agent for the County of Huron and all work done for the Company in this County must be done entirely through the subscriber.

This old company has a Capital of $1,000,000 The Stock is held by first class men which makes the Company the best medium for Insurance now previous. A policy on ordinary contents of building for $600 is worth more than one for $1,400 in most other companies; this feature farmers will do well to consider before insuring elsewhere.

Active agents wanted in all parts of the County, none but such need apply; liberal terms as a made with good agents. Applications by mail and otherwise attended.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

Sewing Machines.

THE PEOPLE

ARE THE

BEST JUDGES,

And they award

The Highest Honors

—OF—

THE DAY

TO THE

LIGHT-RUNNING

ROYAL

If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the championsewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need to be afraid
That they will trouble you.
There are other agents
That sell the Wanser and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give.
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their face a smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Mr. Harney has been in town
He knows that this is true,
So if you want to purchase
We would like to deal with you.

ROTARY SUCTION PUMP:

A Purifier of Water.

THE BEST WATER-DRAWER EVER PUT IN A WELL OR CISTERN.

Thousands in Daily Use.

THIS INVENTION is an improvement on Smith's Pump with three Metallic Rubber Buckets or valves working air-tight and running from the bottom of the well to the top upon wooden tubes, and so connected by a chain as to keep one always in the tube, and throwing an uninterrupted stream of water. It uses a crank or Reel for power.

ADVANTAGES OF THIS PUMP.
