20 ACRES AND INDEPENDENCE FOR $300

We offer for $300 farms of 20 acres suitable for fruit and vegetables to yield $100 to $300 per acre.

The ownership of one of these farms, paid for and cultivated, places a man in a position of

COMPLETE INDEPENDENCE

Ten acres in fruit will net over $1000 a year. The other ten acres may be sown in alfalfa, which, with very little attention, and without resowing, will produce $40 to $50 per acre.

The land is sandy loam, similar to that around Clarkson, which sells for $150 per acre. It is without fences or buildings, and has never been cultivated, which is the reason of the low price. It is seventy miles from Toronto, quarter mile from railway station and small town with post-office, and four trains daily to and from Toronto. A fine trout stream runs through the property. Whether for immediate use or future possibilities no mistake can be made in paying $300 for a farm in Central Ontario, the Garden of Canada.

Anyone earning less than $1000 a year in the City would be better off owning and cultivating one of these farms.

We have made frequent visits to this property, and are so impressed with its possibilities that we are buying two of the farms to have them fenced and sown with alfalfa under contract, feeling sure that two years' crop will pay for the land and all expenses.

Terms $30 down and $5 monthly on each farm.

We sold 19 of these farms Saturday. We have only 600 acres left at this price. Several front on Pine River, the finest trout fishing in Ontario. Two have enough timber to pay price of land. Full notes and plans in office.

Alcyde Paces 2.12 Over the Half Mile Track at Delorimier

MONTREAL, Aug. 1.—The fastest local mile of the year on the half-mile Delorimier track was done by Alcyde in the third heat of the 2.11 pace at the second days' racing to-day. With Burnham driving, the horse circled the track twice in 2.12. This performance, following the second heat, which was won in 2.19, and in which Alcyde ran last, looked fishy to the judges, and they called Lang, Pickle and Burnham, drivers respectively of St. Anthony, I.O.B. and Alcyde to the stand and fined them $25 each for stalling. The entries for the 2.52 pace were so numerous that the event was run in two divisions. The Beuilder, a small bay, ran first in all three heats of the second division. The first division was won by Frankie Bogash after four heats.

someone, for experiment, imported **wheat** into this country, there are those who would buy it.

Most men are hypnotized by the word "imported," like a moth is drawn into the flame, and like the moth, they get singed.

The smoker of imported cigars gets singed to the extent of 50 per cent., because the **DAVIS "NOBLEMEN" CIGAR (2-for-a-quarter)** costs fully **half the price** of "imported" brands—yet it is equal in every respect.

The leaf in **"NOBLEMEN"** is the finest Havana grown; the workmanship in **"NOBLEMEN"** is the highest skilled Cuban hand-work.

Shakespeare says "Custom is the tyrant who robs us all." This is a good maxim for the cigar smoker — **BREAK AWAY FROM TRADITION** — save yourself 50c in the dollar by insisting on having the **DAVIS "NOBLEMEN" CIGAR.**

Lacrosse Players And Umpires Cause Troubles in N.L.U.

President Jimmy Murphy has sent to President Macphee of the Cornwall L.C. notification that a special meeting of the N. L. U. will be held in Montreal on Thursday, called at the request of the National, Montreal and Cornwall Clubs. It is understood that the consideration of the troublesome clause regarding the transfer of players, or, as Cornwall understands it, the advance of juniors to the individual clubs. Another question that Cornwall will ask an explanation of is the ruling of Referee McIntyre of Ottawa in the Tecumseh match in Cornwall, on July 22, and that of Referee Murphy in the match with Montreal last Saturday. In the former case Referee McIntyre disallowed a goal scored by Cornwall on the goal-crease rule, and last Saturday Referee Murphy allowed a goal against Cornwall under almost similar circumstances. Cornwall claims that they cannot be wrong in both instances, with exactly opposite results, and will ask for some information. Nearly every club in the union will have some grievance to air.

The Torontos and Tecumsehs are practising every day for next Saturday's game at Scarboro Beach. This looks like the game of the season.

St. Simons of the Interassociation League want a game on Aug. 19 or after, Peterboro preferred. Address E. Pollock, 118 Victor avenue.

The following St. Helen's players are requested to turn out to practice at Lansdowne and Dundas this evening: Aitkin, Ingoldsby, Henderson, Gordon, Boisseau, McGough, Parliament, Dopp, Kirby, Newton, Kelley, Galvin, Martin, Newton, Cowan, Hussey. They will also practise on Thursday night, after which the team to play in Beaverton on the holiday will be chosen.

Some difficulty in regard to the purchase of ties for the new civic car lines has been met with and a halt has been called until the price of ties goes down.
