HEAD LINESMAN FOR THE O.R.F.U.

Following Out C. R. U. Request, New Official Appointed

The semi-annual meeting of the Ontario Rugby Football Association was held at the King Edward Hotel Saturday afternoon and the following officers and delegates were in attendance: President E. McGillivray, first Vice-President W. J. McAllister, Second Vice-President Dr. Fairbanks, Third Vice-President E. J. Livingstone. Treasurer J. J. Dolan. Delegates: T.R. & A.A. J. DeGruchy, F. A. Henderson; Hamilton Rowing Club, J. P. McKay; Parkdale, P. Scott. C. A. Scott; Don Rowing Club, J. Edmonds, F. Carter; Balmy Beach, C. Cummins, W. Fairweather; Kew Beach, Hugh Cassidy, J. Wheeler; Petrolea, Dr. Fairbanks.

In the absence of Secretary Hugh Gall J. J. Dolan was appointed secretary pro tem. A very satisfactory report was made by the treasurer, showing a very good balance.

Mr. DeGruchy moved that a head linesman be appointed according to the request of the Canadian Rugby Union, and the duty of this official be to determine the placing of the yardsticks, and the referee may consult the head linesman as to whether yards have been given or not. It is understood that this is an honorary position. In the junior series the appointing of this official is optional.

The clubs were requested to send in a list of referees, with their addresses and phone numbers, for consideration by the committee. Mr. DeGruchy pointed out that the rules were not lived up to in regard to a uniform suit, which had naturally caused quite a lot of confusion. He stated that if this rule was enforced there would not be half as much confusion.

Owing to the dropping out of Capitals in the West End group and the players not wishing to make the jump to Peterboro again, this left six teams in the junior series, with a possibility of Central Y.M.C.A. and High Park coming in. Broadviews, Balmy Beach, Kew Beach, Don Rowing Club and T.R. &A.A were those who had entered, and the grouping of the teams was left over until next Thursday evening. Dr. Fairbanks reported that Petrolea, Sarnia, London and Western University would undoubtedly enter teams and he was appointed convenor. Dr. MacPherson was appointed convener of the eastern section, including Peterboro and Lindsay. Mr. MacKay of Hamilton was appointed convener of the Hamilton district, which includes St. Catharines, Dundas, Hamilton Rowing Club and Hamilton Y.M.C.A.

Carslake Wins Hundred Mile Motorcycle Race

Riding one of the best races of his career, Brownie Carslake, the Australian, captured the 100-mile race at the Motordrome Saturday night, the winner covering the 400 laps in no less than one hour eighteen minutes and twenty-seven seconds, or at the rate of seventy-seven miles an hour. This is about twelve minutes faster than De Palma's official 100-mile track record for automobiles.

Carslake made a short stop at fifty miles for gasoline and oil. With the exception of Walker, the other riders rode machine after machine to pieces in their desperate attempts to maintain their positions in the flight. A special staff of mechanics was on hand, however, and no less than five of the six starters were on the track when the red lights flashed. Burchell took third prize, Henikman fourth and Harding fifth.

Considerable delay was experienced in starting the race because Burchell's machine went wrong at the last moment, but the crowd enjoyed the race to the limit.

Vernon Walker won his heat and the final of the two-mile preliminary contest. His time for the final was 1.22-3-5, or almost 90 miles an hour. Several more special post-season race meets are to be held on the local saucer, the next speed session to be held on Wednesday night.

CANCELLATION OF LADIES' CHAMPIONSHIP MEETING.

Owing to the views expressed in writing by the ladies representing various clubs belonging to the association, the executive of the Royal Canadian Golf Association have deemed it advisable, on account of present conditions, to cancel the ladies' championship meeting, which was to have been held on the links of the Lambton Golf and Country Club during the week commencing Sept. 28, 1914.

Oct. 17—Parkdale at Torontos, Hamilton bye.

Oct. 24—Torontos at Hamilton, Parkdale bye.

Nov. 7—Parkdale at Hamilton, Torontos bye.

Nov. 14—Hamilton at Torontos; Parkdale bye.

EAST TORONTO C.C. CHAMPIONS C. & M.

Old Country Cricketers Batted Short and Made It a Close Finish.

After a stubbornly contested game East Toronto C.C. beat Old Country C.C. by 8 runs on Saturday, at Trinity College, and thereby won the championship of the Church and Mercantile Cricket League and the cup for 1914. The Old Country club were heavily handicapped by batting three men short in the first innings and one in the second, and had their full team been on hand the result would have, in all probability been different.

Batting first the Old Country club made 67 runs for their 7 wickets, the only man to make any stand being D. Murray, who played a forcing game and rapidly compiled a score of 32, including 2 sixes and 3 fours before he was caught by Touchman in long field. In this innings, Gaved, 2 wickets for 3 runs, and Edwards, 3 for 17, shared the bowling honors.

East Toronto opened their innings with Knight and Mason, the latter scoring 17 runs in 2 overs, 4 fours and a single when he was bowled by Wakefield, the first wicket falling at 19. The next 3 wickets only realized 4 runs, and half the side was out for 32, when Kelly joined Knight, who had been playing a strictly defensive game, and rapidly put on 19 runs, when Cairney beat him. Hamilton came in and duplicated his predecessor's score and then fell a victim to Cairney. Knight, after a wonderfully patient innings of 10, was the next to leave, being bowled by Wakefield. The innings eventually realized 71 runs, or 4 in excess of the Old Country's score for 7 wickets. Wakefield had a bowling analysis that read as follows: 16 overs, 11 maidens, 17 runs, 7 wickets.

Brown and Smith opened the Old Country's second innings, and the partnership yielded 18 runs, when the latter was smartly stumped by Knight. Cairney came in and the score was raised to 29 when Knight caught him behind the wicket. Murray, on whom the team relied for runs, was too anxious, and paid the penalty for hitting at a ball he should have played, and returned with 2 to his credit. Brown, when he had made 16 by careful play, was bowled by Edwards, and with 8 wickets down for 49 it looked easy for East Toronto, but Cameron and Pickering got together and put in 22 for the last wicket, the latter being not out with a score of 15, including one 6 and one 4, and the innings closed for 71, leaving East Toronto 68 to get to win. Gaved, with 5 wickets for 27 runs, was the most successful bowler. Edwards' 3 wickets costing 20 runs.

East Toronto started their second venture badly, and with 3 wickets down for 4 runs it looked as if the Old Country would win out. Gawthorpe and Gaved raised the score to 24, when the latter was bowled by Wakefield for 17 made up of one 6, one 4, one 3 and 2 twos. Gawthorpe played a steady, patient innings of a critical period, and was eventually bowled by Brown for 12. When the last man came in, 10 runs were required to win, and excitement ran high. Barker played defence and let Touchman make the runs, and when he had compiled a score of 15 the former gave Cairney a chance off Wakefield, which he accepted and the innings closed for 76, the last wicket having put on 18 runs. Catches dropped at critical periods lost the game for the Old Country. Wakefield again distinguished himself with the ball, taking 7 wickets for 22 runs.

The game was witnessed by a very large crowd of enthusiastic cricketers and was one of the most interesting, exciting and close matches seen for a long time, the result being in doubt up to the last.
