Incontinence, or Expense by

DU BARRY'S delicious REVALENTA ARABICA FOOD, saves 50 times its cost in other means of cure and is the natural remedy which has obtained 50,000 testimonials of cures from the Right Hon. the Lord Stuart de Decies, Archdeacon Stuart of Ross, and other parties, of indigestion (dyspepsia), constipation, and diarrhœa, nervousness, biliousness, liver complaint, flatulency, distension, palpitation of the heart, nervous headache, deafness, noises in the head and ears, excruciating pains in almost every part of the body, chronic inflammation, cancer and ulceration of the stomach, irritation of the kidneys and bladder, gravel, Stone, strictures, erysipelas, eruptions of the skin, impurities and poverty of the blood, scrofula, consumption, dropsy, rheumatism, gout, heartburn, nausea and sickness during pregnancy, after eating, or at sea, low spirits, spasms, cramps, epileptic fits, spleen, general debility, asthma, coughs, inquietude, sleeplessness, involuntary blushing, paralysis, tremors, dislike to society, unfitness for study loss of memory, delusions, vertigo, blood to the head, exhaustion, melancholy, groundless fear, indecision, wretchedness, thoughts of self-destruction, and many other complaints. It is, moreover the best food for infants and invalids generally, as it never turns acid on the weakest stomach, but imparts a healthy relish for lunch and dinner, and restores the faculty of digestion, and nervous and muscular energy to the most enfeebled.

BARRY DU BARRY, and Co., 77, Regent-street, London.

A few out of 50,000 cures are here given:—

CURE BY THE EMPEROR OF RUSSIA.

Russian Consulate General,
London, Dec 2, 1847.

The Consul General has been ordered to inform Messrs. Barry Du Barry & Co., that the Revalenta Arabica they had sent to His Majesty the Emperor has, by imperial permission, been forwarded to the Minister of the Imperial Palace.

Cure No. 71, of dyspepsia from the Right Hon the Lord Stuart de Decies:—"I have derived considerable benefit from Du Barry's Revalenta Arabica Food, and consider it due to yourselves and the public to authorise the publication of these lines.—STUART DE DECIES."

Cure No. 49,832—"Fifty years' indescribable agony from dyspepsia, nervousness, asthma, cough, constipation, flatulency, spasms, sickness at the stomach and vomiting have been removed by Du Barry's excellent food—
Maria Jolly,
Madgeburg, 16th Sept. 1853.

My wife, having suffered for years from a pulmonary complaint, became so ill at the beginning of this year, that I looked daily for her dissolution.—The remedies which hitherto had relieved her remained now without effect, and the ulcerations of the lungs and might sweats debilitated her fearfully. It was in this, evidently the last and hopeless stage of pulmonary consumption, when every medicine emained powerless in even affording temporary relief—that I was induced by a medical brother from Hanover, who makes pulmonary consumption his special study, and treats it with Du Barry's Revalenta Arabica, to try this strengthening and restorative food, and I am happy to be able to express my astonishment at its effects. My poor wife is now in as perfect a state of health as ever she was, attending to her household affairs and quite happy. It is with pleasure and the most sincere gratitude to God for the restoration of my wife, that I fulfil my duty of making the extraordinary efficacy of Du Barry's Revalenta, in so fearful a complaint, known; and to recommend it to all other sufferers.
GRIES, M.D.

CERTIFICATE FROM DR. GATTIKER.

Zurich, 3d September, 1853.

I have tried Du Barry's Revalenta Arabica for a complaint which had hitherto resisted all other remedies—viz.: CANCER OF THE STOMACH; and I am happy to say, with the most successful result. This soothing remedy has the effect, not only of arresting the vomiting, which is so fearfully distressing in cancer of the stomach, but also of restoring perfect digestion and assimilation. The same satisfactory influence of this excellent remedy I have found in all complaints of the digestive organs; it has also proved effectual in a most obstinate case of habitual flatulence and colic of many years standing. I look upon this delicious Food as the most excellent restorative gift of nature.

For the last few years I have been suffering from dyspepsia, headaches, nervousness, low spirits, sleepiness, and delusions, and swallowed an incredible amount of medicine without relief. I am happy to say that your Food has cured me, and I am now enjoying better health than I have for many years past.

GENTLEMEN.—The lady for whom I ordered our food is six months advanced in pregnancy, and was suffering severely from indigestion, constipation, throwing up her meals, shortly after eating them having a great deal of heartburn, and being constantly obliged to have recourse to physic or the enema, and sometimes to both. I am happy to inform you that your food produced immediate relief. She has never been sick since, had but little heartburn, and the functions are more regular, &c.

You at liberty to publish this letter, if you think it will tend to the benefit of other sufferers.

DR. WURZER'S TESTIMONIAL.

Bonn, 19th July, 1853.

This light and present Farina is one of the most excellent, nourishing, and restorative remedies, and supersedes, in many cases, all kinds of medicines. It is particularly useful in confined habit of body, as also in diarrhœa, bowel complaints, affections of the kidneys and bladder, such as stone or gravel; inflammatory irritation and cramp of the kidneys and bladder, strictures and haemorrhoids. This really invaluable remedy is employed with the most satisfactory result, not only in bronchial and pulmonary complaints, where irritation and pain are to be removed, but also in pulmonary and bronchial consumption, in which it counteracts effectually the troublesome cough; and I am enabled with perfect truth to express the conviction that Du Barry's Revalenta Arabica is adapted to the cure of incipient hectic complaints and consumption.

The far-famed Medicine. HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONSIDERABLE ASTHMA, OF SIX FIVE YEARS SUFFERING.

The following Testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient servant,
Jan'y. 1st, 1853. (Signed) H. MIDDLETON.

PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gannis, Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious complaints, I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs, her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life. I remain, Dear Sir, yours truly,

AN ASTONISHING CURE OF CHRONIC RHEUMATISM AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square Winchester.

To Professor Holloway.

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried everything that was recommended, and was attended by one of the most eminent Surgeons in this town, but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed since, I have felt no return whatever of the complaint.

I am, Sir, your obliged servant,

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 15th, 1853.

To Professor Holloway.

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Captain JACKSON, of this place was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.
