The Biggest Linen Bargains of the year at Northway's Mill End Table Linen Sale, Friday.

Wm. Jubinville was arrested yesterday by Major Coogan, on the charge of stealing a cap from George Peltier. He was released on bail to come up for trial next week. Jubinville's story is that he and Peltier went to the same party and all the caps were thrown on a table. Somebody took Jubinville's cap and he took an old one that was left.

HEAVY FINE

Joseph Yott, hotel keeper at Merlin, was fined $80 and costs, $88.73 in all, for selling liquor without a license at Merlin. This was a second offense. The Rev. Constable Brown laid the charge. While the constable was making the raid he left his overcoat in his cutter. When he came out the coat was gone. He raised a hue and cry and when he had created quite a fuss the taker of the coat got frightened and left it on the gate post of the Merlin minister's residence.

ORCHESTRAL CLUB

At a meeting of local amateur violinists and others, held last night, eight more musicians handed in their names as members of the club. The orchestra will number about 20, including three ladies, and will hold the first rehearsal next Tuesday at 8 p. m., in E. B. Arthur's studio, Alexandra Block.

The Club would be glad to have any other players of the violin, string bass or wind instruments join its ranks, either amateur or professional, as it is hoped to increase the violins from eight, its present number, to 15. Members are requested to bring their own stands if possible.

Carnival to-morrow night!

MEISTER SINGERS

The Meister Glee Singers, who made such a big hit with those who heard them at the Grand a few weeks ago, appear at the Grand again to-night.

This is, without a doubt, the best male quartette which has ever visited Chatham and anyone who enjoys good first class male quartette singing should not fail to be present at the Grand this evening.

These singers come direct from England, where they enjoy an excellent and extensive reputation as a high class musical organization. They are at present touring America and every place where they have appeared they have been enthusiastically received and assured of crowded houses should they return.

The program to-night will consist of glees and quartettes and those who attend may be assured of an evening pleasantly and profitably spent.

HAWKES CUT GLASS

A yellow diamond makes a good show until compared with a white one, and Hawkes glass shows up the yellow in other cut glass when placed side by side. We can show you five other makes, Canadian and American, but Hawkes stands out in a class by itself. Come in and let us show you the difference, and it won't take long either. There is comparatively very little difference in the cost but oh what a difference in quality.

...SOCIETY...

A wedding of considerable interest in Maple City society circles was solemnized in Sarnia at 11.30 a. m. to-day, when Will A. Stevens, secretary-treasurer of the Canada Flour Mills Co., was united in marriage to Miss Winifred Symington, second daughter of Thomas Symington. The wedding was celebrated at the residence of the bride's father and was very quiet owing to the recent death of the bride's mother. Miss Amy Symington, sister of the bride, was bridesmaid, and Mr. Symington, cousin of the bride, supported the groom. The ceremony was performed by the Rev. J. S. Scott, of St. Andrew's church.

Mr. and Mrs. N. H. Stevens, Miss Leonore Stevens and Miss Hattie Northwood, of this city, attended the wedding. Mr. and Mrs. Symington will spend their honeymoon in Toronto, Buffalo and other eastern points.

RUSSIANS AT SANDEPAS.

Artillery Set Fire to the Town On January 30.

St. Petersburg, Feb. 2.—General Kuropatkin, telegraphing under date of Jan. 30, says Sandepas was that day set on fire by the Russian artillery.

In a telegram dated Jan. 31, the commander-in-chief reports a continuance of a successful bombardment of Sandepas, and says that Russian balloonists had noticed that a portion of the Japanese garrison had been without town during the day.

The general mentions a number of minor attacks and counter attacks at outposts, villages and passes already reported.

From the reports of the general staff, it is not clear yet whether the fighting on the Hun River is ended. The Russians continue the bombardment of Sandepas and apparently a strong force of Russians is between Sandepas and Shakzpu to check the Japanese, who seem to be trying to use their former turning movement across the Hun River.

STABBED FOUR TIMES.

Mix-Up Among Italians in Peterboro That May Be Serious.

Peterboro, Feb. 2.—As the result of a row Tuesday evening, an Italian, Levo Cupido, is in St. Joseph's Hospital here, with four knife wounds in his body, and another, Pompillio Marfeso, the man who did the stabbing, is a fugitive from justice. The affray occurred at the house of an Italian named Camille Detuke, where Marfeso was a boarder, and is the result of a feud which has existed between the two men for some time. The police were notified two hours after the stabbing took place, and the friends of the injured man tried to get him into the hospital without a permit. The police are somewhat handicapped, owing to the fact that the Italians are inclined to shield the fugitive. Some doubts are entertained as to Cupido's chances for recovery.

Clydesdale and Shire Horses.

Toronto, Feb. 2.—The third annual Canadian Clydesdale and Shire Show opened yesterday with a large number of interested spectators and students from the Ontario Veterinary College and the O.A.C., Guelph. There were about 100 entries. The animals were in the pink of perfection. The Association elected officers at the evening meeting. They decided to nationalize the Clydesdale stock register.

The Holstein Friesan Association of Canada held their annual meeting here yesterday, and elected officers.

Mrs. Roblin, wife of the Premier, was thrown from a sleigh owing to a runaway on a turn and slightly injured.

THE TWO-CENT RATE.

Toronto Globe.

The introduction of a two-cent rate for passenger traffic on the New York Central's line from Cornwall to Ottawa may lead to important consequences. Competing lines may find it necessary to follow suit, and in time the reduction may become general over the thickly populated parts of the Dominion.
