St. Thomas, July 1.—London Orients may prove a dangerous factor in the second series if their playing is all of the standard shown here this afternoon, when they led the Tom Cats for seven innings, tied them in the ninth, but lost out in one inning overtime by a score of 7 to 6. Morden and "Hank" Down opposed each other for eight innings, Baker and Quick completing the game for the Orients and Monk for the home team.

Down allowed only one hit until the fifth, and in the eighth gave way to Baker. Baker's efforts were confined to his first batter Lindsay. He allowed a hit, and then completed the circuit for him with wild pitches. Quick didn't do much better. He walked his first man, and stood for two hits in the tenth inning before Doan scored the winning run

CORDAGE WINS.

Special to The Advertiser.

Brantford, July 1. — Cotter won his second start in five days when he humbled the Preston nine here today, 8—3.

Two hits were all that was garnered up to the seventh by the near league leaders. Hales did not last an inning, four runs being scored before he was benched with one man down. Young, who conquered Galt on Saturday, was no puzzle to the winners who connected eight times for four more counters. The home team played errorless ball behind Cotter. Preston having one bobble.

TERRIERS WIN IN NINTH.

Special to The Advertiser.

Guelph, July 1.—After holding the Galt Terriers to four hits in eight innings, and with the Leafs leading 5 to 3 going into ninth, Guy Pool, Guelph's young right-hander, staged a blow-up in the last frame, hitting two batsmen, allowing Friendy Graham to slam out a triple and walking another. The three gifts, coupled with Graham's timely clout, started the McWhirteritos on a rally which netted them six runs and incidentally gave them the game 9 to 7. After Pool weakened, Lefty Goyer went in with two men on and the score tied in an attempt to save the situation, but before he could retire the side the damage was done. The Leafs made a brave attempt to recover lost ground by batting in two runs in their half of the ninth, but with the two runners in and one on, Friendy Graham purposely passed Pequegnat and retired Jim O'Connor and Nunan in succession.

Protest Lodged by McCormicks

As the result of several alleged unfair decisions on the part of Umpire Hicks in the Middlesex-Oxford intermediate O. B. A. A. double header at Tillsonburg Dominion Day, the London McCormick team last night filed a protest with the league executive, which will convene in Ingersoll Monday night to consider it.

There have been complaints from other sources over the work of Mr. Hicks, the McCormick players state, and it is expected that Monday's meeting will see the matter finally cleared up.

A MODERN CONCEPTION OF THE NOBLE RED MAN.

A few of the Canadian Indians at their 20th annual tournament at Carling Heights yesterday afternoon. The gallery expected to see plenty of war paint and feathers, but all they saw bite the dust was the clay pigeons. Mrs. Vogel, who made a straight run of 25 yesterday, is shown on the right of the squad. Mrs. Harris of Detroit also shot well. Although a highly-built stock of a new gun had her cheek all blackened and discolored, she stuck gamely to her gun.

SARNIA BEATS BLENHEIM.

Special to The Advertiser.

Blenheim, July 1.—A good attendance of fans witnessed the Sarnia seniors walk away from the Blenheim team here this afternoon in a regular fixture in the Kent County league schedule, 9 to 2. Moorehouse, doing the hurling for Sarnia, put up a splendid game and had errorless support. Only in the seventh did he experience trouble, when two singles, a walk and a double counted for the locals' two runs, three hits of the five allowed being made in this inning. Sarnia hit freely, and were assisted by five costly errors, all of which figured in the nine runs scored. The locals were short-handed having but nine players in uniform. Daigneau pitching for the locals, put up a good game.

SCHOOL ATHLETICS.

The intentions of the Ontario athletic commission regarding school athletics sound good as long as the intention to centralize control in Toronto is not behind the idea. The initiative for the formation of other associations modeled after the Wossa and for bringing these associations into provincial competition should come from the Ontario commission, but thereafter a provincial executive for secondary schools should be formed.

The Ontario commission, however, has shown remarkably good judgment in everything that it has undertaken, and its zeal in the promotion of school athletics undoubtedly marks a new era for track and field events in Ontario. The tours of Walter Knox with his motion pictures of athletes in action have been of immense value, especially as they have made up in a measure for the lack of coaching with which small schoole are always handicapped.

An entirely new set of slow motion pictures has been taken of Ontario's best athletes, girls and boys, and these will be shown through the schools. They run the whole gamut of track and field.

THE ROSIN BALL.

Until Saturday afternoon it was generally conceded around the Michigan-Ontario baseball league that Frenchie Lahaie was undoubtedly the best right-handed pitcher in the circuit. Players on every club in the league had the utmost respect for Lahaie's pitching talents. He had invited the inspection of his pitching by major league scouts because he seemed to be ready for higher company. But today the Bay City ace is on the down grade. No longer does this wholesome respect for a good player hold true. Lahaie has damaged his reputation at least temporarily. How well he can recover from the effects depends on how he conducts himself in the future, and how well he pitches naturally. There is belief that Lahaie was told to use rosin. If so, the name of the man or men remains a secret. Lahaie said he would not give out any information.

* * * *

Lahaie was caught cheating in the second game of Saturday's double-header against the Flint Vehics. He was found applying rosin to the balls. This is a distinct violation of playing rules, and he has been punished by suspension lasting ten days, or longer, plus a fine of $100.

THE MIRACLE MAN.

Bobby Ebor may never be King of the Bantams, but he is certainly King of the Come-Backs. He is the living denial to that old cry "they never come back." Ebor has come back oftener and farther than any known fighter, and some of them have come back from dawdling around the edge of the grave. He not only came back, but came back fighting harder than he did as champion. Had he only shown his old powder puff style of hitting and but flashes of his old cleverness it would have seemed miraculous, but he came back to give Mayberry, the champion, the worst pounding he has received, and to show all his old instinct and cleverness as if he had taken but a short trip off the path, instead of apparently having lost the trail altogether. Not many months ago, Ebor, "The Human Sponge," weighed 150 pounds. "He's down and out for good this time," thought the fans. Yet Monday night at Hamilton he was back at 120-pound fighting trim and he wasn't any dancing ghost of his former self, either.

OXFORD'S CRICKETERS LOSE TO GALT ELEVEN

Ontario Hospital and St. George's Win Local Games.

Special to The Advertiser.

HOSPITAL WINS.

Ontario Hospital continued its run of wins yesterday, this time at the expense of the C. N. R. by a score of 136 for 6 wickets, declared to 62. Winning the toss, the Railroaders put the Hospital in. The latter opened their inning with May and Jefferey to the attack of Mitchell and Green. Runs came quickly, 20 being on the board before Jefferey fell a victim to Green. Steady batting and hard hitting followed and they finally declared their innings closed with a score of 136 for 6. Disaster soon overtook the C. N. R. two of their wickets falling without a run being scored. The following men played better cricket and the side was finally retired for 62. Jim May and Bill Marsden were top scorers for the Hospital, with 32 and 27, respectively, while Balch had the honor for the C. N. R. with 14. The Hospital had the satisfaction of stopping Widdicombe's run of not outs.

ST. GEORGES WIN.

In an exhibition game at Westminster the St. George's club beat the Hospital by 4 wickets. Batting first, the medicos scored 48 runs to which St. Georges replied with 42. Batting for the second time Westminster added a further 21. It looked a fairly safe score, but the Englishmen ran up the very respectable count of 90 for 6 wickets to win a very interesting game. Squires of St. Georges distinguished himself by doing the hat trick.

FINISH CLOSE

F. BROWN.

C. quartet nosed out Frank Brown's Thistles 11 to 10 for the Hyman trophy at the Elmwood bowling club tournament last night. The teams went into the last end tied. Brown's final bowl went to within three inches of the kitty for an apparent win, but Morris in his final bowl took a running shot and drew Brown's bowl off for a victry.

The finals for the Ward trophy were equally as thrilling, although the score was not as close. W. E. Hanley's rink of Aylmer taking the prize from T. Dodd's McClary rink, 11 to 8.
