TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Recipt, procured from a celebrated Turkish Hakim (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The contracted limits of an advertisement necessarily precludes entering into any adequate detail of its merits, but, for the information of the public, it is intended to publish, from time to time, such statements of cures as have or may occur. It has been used for the following complaints with the most complete success:—Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steamboat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Freshites, Wens, Chilblains, Ulcerated and Common Sore Throats, and Bunions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve.

BUTCHART'S RESTORATIVE BALSAM.

THIS invaluable Medicine has been sixteen years before the public, and has invariably been attended with unqualified success.—indeed it may be justly considered INFALLIBLE in the cure of Bloody Flux or Dysentery, and all Looseness of the Bowels, in old or young. Its effects are palpable. Within a few minutes after a full dose has been taken complete relief is obtained. This Medicine is the invention of the late Doctor Burhart, Dundee, who, from long experience and extensive practice, has brought it to its present state of perfection in the cure of the above diseases. The ingredients of which this Medicine is composed are most salutary and beneficial to the human system. A single trial will satisfy any one as to the truth of this statement, and we can with the greatest confidence recommend it to the public as a sure and safe remedy.

To be had only of WM. LYMAN & Co., Montreal, and JOS. BOWLES, Quebec.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

THE most strongly marked and developed cases of Pulmonary Consumption, in which the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicinal herbs, which are peculiarly adapted to, and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet effectious; it loosens the phlegm which creates an obstruction, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration. It imparts a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men, and the inventions of kind and sympathizing friends and lovers, have failed to give the smallest relief to the *Consumptive sufferer.*

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be *infallible cures*, but which have proved only injurious to them; but this medicine is not only a palliative, but a *cure for ulcerated lungs.* It contains no deleterious drugs, and our trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the lungs, such as *spitting of blood, coughs, pain in the side and chest, night sweats*, &c., &c.

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like a Quackery, (will show them to any person calling at our office.) This medicine will speak for itself and enough in its own favor wherever it is tried.

Caution.—This medicine is put up in a large bottle, and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John Street, New York.

TO OWNERS OF AND DEALERS IN HORSES.

CARLTON'S FOUNDER OINTMENT.

For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet. Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE.

For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will, at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, elevate the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals, as Calomel and Jalap from or producing a further change of the system, as they seemed to throw, Resources and ask for CARLTON'S CONDITION POWDERS, and take no *others.*

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles, strengthens weak limbs*, and is also used for *sprains, bruises, saddle galls, rheumatism*, and all kinds on Horses.

CARLTON'S articles for *Horses* and Cattle are prepared from the receipt of a very celebrated English Farrier, and will cure, in ninety-nine cases out of one hundred, any of the above complaints. They have been used by *Farmers*, Liverymen, Stage Proprietors, and others, with the most marked and decided success.

CAUTION.—None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.

FOR FEMALE AND MALE.

DR. LARZETTI'S ELIXIR CORDIAL, or Precerative Elixir, prescribed as an efficacious restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is at all times perfectly safe to use; it is Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhoea or Whites. As an invigorating medicine, it is unequalled. Also, a certain remedy for incipient consumption, indigestion, loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION.—Find the name of Comstock & Brother on the wrapper, or never buy it—the only genuine has their signature on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal Hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity unless where its effects are witnessed—*externally* in the following complaints:—

FOR DROPSY—Creating extraordinary absorption at once.

SWELLINGS—Reducing them in a few hours.

RHEUMATISM—Relieving the most acute pain, or immediate ease.

SORE THROAT—By Cancers, Ulcers, or Colds,

CROUP AND WHOOPING COUGH—Externally and over the chest.

ALL BRUISES, SPRAINS, AND BURNS—Caring in a few hours.

SORES AND ULCERS—Whether fresh or of long standing, and fever sores.

Its operation upon adults and children, in reducing rheumatic swellings, in loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the *Piles*, is, "It acts like a charm." It is surrounded to please any person that will try it.

Caution.—Never buy it unless you find the *fac simile* signature of Comstock & Brother, Proprietors, on the wrapper of the genuine article.

CAUTION.—*All of the above-named articles are sold only in New York by Comstock & Brother, No. 9, John Street, five doors from Broadway.*

Sold in Montreal by WM. LYMAN & Co., 194, St. Paul Street; also by W. E. HOWMAN, WORKMAN & Co., and SAVAGE & Co., In Quebec, by JOHN MUSSEN. In Lasprairie, by J. TROUSCOT & Co. PRICES OF BOARD FOR THE SEASON OF 1851:—FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from P. J. Lacroix, Esq., of Montreal.]

I beg to state that in July, 1850, I went to the Springs for the purpose of testing their efficacy in a case of the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for about three weeks, and making free use of the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, to whom I have recommended the Springs, assure me that they have experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

MONTREAL, 4th June, 1851.

DEAR SIR,—In compliance with your request, I have much pleasure in bearing testimony to the extraordinary efficacy of the Waters of the Caledonia Springs, so long and highly appreciated by the Public, based upon the testimony of some twenty years' experience, and tested as they have been by a great many, patients of most eminent skill, laboring under Rheumatic affections and the different forms of disease to which the human frame is liable, I consider them invaluable. Few persons, except those who have suffered from this dreadful malady, can justly appreciate their wonderful salutary effects. I have cured seven persons (nurses to this district, myself for one during ten years,) which baffled all medical skill, both in England and on this Continent, resort to the Caledonia Springs walking on crutches, and without that could not walk at all, worn out by protracted sufferings, and their general health disordered and broken down by confinement and want of exercise, return to their homes free from pain, leaving behind (with unspeakable joy) their crutches, and with health, strength, appetite, and activity perfectly restored. Striking as such results are, the curative action of these Waters, the Intermittent and Sulphur Springs in particular, have been almost as efficient in other diseases, such as Lepra, generally called *Salt Rheum*, and other affections of the skin; in a variety of Dyspeptic Complaints, Chronic Affections of the Liver and Kidneys; and I am sure that a great number of those cases that leave the Springs greatly benefitted, but not completely restored, would have been cured by a more extended use of the spa. That these Waters have acted in many diseases as a specific, seems to be generally admitted, and so much appreciated in consequence of this effect has already been laid before the Public, that to say more would be superfluous.

I remain, Dear Sir, Yours very truly,

GEORGE W. CAMPBELL, A.M., M.D.,
Lecturer on Surgery, McGill College.

To the Proprietor of the Caledonia Springs.

☞ A FRESH SUPPLY of the above WATERS has been received at the Depot, which can be had at the Counter, or sent to order to any address in town or country. Price of the Water very moderate. 363

CANTON HOUSE.

FAMILY TEA, COFFEE AND SUGAR WAREHOUSE,

No. 109, Notre Dame Street,

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in *pedated solid spheres*, which are constantly revolving and oscillating in *heated air chambers*, is prevented imbibing taint from Smoke, danger of partial carbonization of the Bean and loss of Aroma, so important to *Connoisseurs*, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces.

CRYSTALIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best qualities, always on hand.

A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Catty
