he Alexandria
xtract from a letter
y in Liberty, Bedford
to a friend in that city:—
e, accompanied by his daugh-
Mildred, stopped here for a night
his way to the White Sulphur. While
e the General's old officers proposed
ing him an entertainment in the shape
dinner or supper, but he declined all
blic demonstrations. As he rode thro'
village on his departure the citizens
embled, and while he was passing
g the street every man raised his hat
stood with bowed head. The Gene-
also raised his hat, and this silent tri-
e of the people to their favorite Gene-
was indeed beautiful. A gentleman
ng with the General at the time says
t he felt like weeping, it being such a
mn tribute of respect—so silent and
—not a voice was raised—'twas the
rtfelt love of a conquered people for a
oved hero.

DOCTOR DAVIS,

Physician and Surgeon.

OFFICE.—Merrick-st. between the McNab Methodist Church and the Royal Hotel, UP STAIRS, directly opposite the Market. Entrance on Merrick Street.

Can be consulted at all hours day and evening, on all Chronic Diseases. Diseases of Women and Children, Midwifery, &c., &c. together with those of a private nature. He has devoted over thirty years to the treatment of the above named diseases, and the success so far has been without a parallel, as may be seen from the numerous testimonials in his possession.

Private Diseases.

It is well known that this branch of the medical profession has been much neglected, from the fact that it is most represented by quacks, who invariably practice under an assumed name. Dr. D. has devoted much of his time to the various forms of this disease, and by his improved remedies the worst stages are brought under subjection in from four to ten days. The many ills arising from Secret Habits in both Sexes permanently eradicated.

No Mercury Used.

Patients at a distance can be treated by corresponding with the Doctor, stating the symptoms of the disease, age, length of time afflicted, &c., and receive his celebrated remedies by express, or as otherwise directed, securely packed from observation. A reasonable remittance on all such applications will be required.

Dr Davis' Celebrated Female PILLS.

For irregularities, Suppression of the Menses, Leucorrhœa or Whites, and all female difficulties, have been before the public for the last ten years, and are universally admitted to be the best remedy for which they are recommended of any now in use. Thousands have used them without single instance of their failing to have the desired effect. Printed directions accompany each box. Sent by mail to any part of the country on receipt of one dollar.

The doctor can be consulted at all times with the utmost secrecy, as his office is so arranged that it is impossible to see each other, unless by consent. ☞ No charge for advice when obtained at the office, if by letter, one dollar.

All letters must be addressed (pre-paid) to Dr. Davis, M.D., Hamilton, and to contain a postage stamp when an answer is required.

Bryant, Stratton & Co's CHAIN OF INTERNATIONAL Commercial Colleges

ESTABLISHED IN *Connection with*

Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, *Principal.*

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscripts and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with ample black-board explanations, and special lectures to suit individual cases.

Actual business is here introduced by the use of Banks, and other offices, as in business houses. The practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and corn exchange, by introducing the actualities of business, as well as the abstract theory of Book-keeping. ☞ For further information please call at the College, or send for a College Monthly, enclosing letter stamp.
