NOTE.—Messrs. Shedden & Co., account for carting wood was $150, and they generously allowed a discount of $37.50 making the amount $112.50 as stated in the account.

We have examined the above, compared the same with the Vouchers and find the same correct, the balance on hand being One hundred and twenty-one Dollars and twenty-nine cents. We also find that there are unpaid accounts to the amount of $1375.67, which if paid would leave a balance due the Treasurer of twelve hundred and fifty-four dollars and thirty-eight cents.

Montreal, January, 1876.
