Pieh Crashes in Tenth After Fine Slab Work

With London One Run to the Good Big Heaver Suffered Strange Reversal and Handed Game to Flint in Tenth Inning.

FLINT, Mich., Aug. 17.—"Cy" Pieh, the distinguished souvenir collector, blew into infinitesimal fragments today after the Halligans had failed to earn a run off him in nine and two-thirds innings. When "Cy" started to blow the score was 2 to 1 in his favor. After he had issued three passes, made two wild pitches and filled the sacks, "Dad" Stewart did the thing he had suggested to "Cy" earlier in the round, after two were down. This time "Cy" asquiesced. His successor was Reilly. The latter's first effort resulted in "Dutch" Wetzel drawing the fourth successive pass of the semester and the scoring of Orme with the tying run. The game was over when Warner came in as Schott singled to left.

Ritz, a semi-pro. from a small village in the district, pitched his first game of organized ball against Pieh, and was touched for one less hit, but for two more bases.

Witry's triple and Newman's double gave the Tecumsehs a score in the first. Flint evened in their half, when Witry made a great run after Brown's long drive, and gave himself an error which scored Orme, who had been passed.

Between the first and tenth, no Indian saw second except Fearnley, who doubled in the fifth after Milligan had fanned, and remained stationary until Pieh and Mitchell had grounded out. The only other Tecumseh who left safely over the stretch mentioned was Emery, who singled to start the seventh, but was caught by Trefry and Warner in an attempt to streech his blow into a double.

The Halligans were more in evidence on the paths, but Schott was the only delegate who was able to turn his front squarely to the home plate. He got into the cushioned country in the second on a bungle by Shay, was advanced by Johnson's sacrifice, and made third on an infield out, to wait there for another.

London Scores in Tenth.

London went ahead in the tenth when Milligan scored after a pass, Fearnley's single and Pieh's infield out.

Until his blow-up, Pieh kept the Flint hits well scattered. Orme singled in the third, but was caught trying to steal second. Wetzel singled in the second with one down, and profited by Schott's sacrifice, but Johnson flied to Shay in inside left. Another bobble by Shay left Johnson on in the seventh with two down. Hagel singled here, but Ritz sent up a foul for Pittenger. Trefry started the eighth with a single to right, but Pieh fanned Orme and Brown, and caused Warner to pop to Newman. Johnson singled in the ninth with two out, but Hagel grounded to Pittenger.

By all odds, the most spectacular catch of the season here was committed by Left Fielder Witry of the visiting club in the fifth. Ritz was the victim, but it was not a case of robbing him of his game. The ball landed almost exactly in the corner of the fence and exactly in the trusty glove of Witry, who ran over the foul line and fifty feet beyond to the point of junction.

The umpire was "Curly" Rue of Flint a veteran boxer and wrestler and one-time trainer of the Moose Jaw, Sask., baseball club, but never a league umpire. He proved to be something of an evener.

OKRIE PITCHES WELL, BUT ERRORS BEHIND HIM HELP THE ACES

Tecumsehs Fail to Hit Wisner Very Hard and Lose Third Straight.

[Special to The Advertiser.]

SAGINAW, Aug. 16.—Wisner had the better of Okrie today in a pitching battle, and Saginaw made a clean sweep of the series with London. Wisner let the visitors down with four hits, all singles, while Okrie allowed the Aces only five safe blows, one of which went for two bases because Emery let it bound between his legs. The score was 4 to 2.

Okrie was inclined to be wild, but in spite of this would seldom have been in difficulty if his support had not wobbled at times. Errors figured in three of the Aces' four counters. Allen, the Saginaw shortstop, played a brilliant fielding game, starting two lightning-fast double-plays, one of them on a sensational running, one-hand catch of Mitchell's hot liner in the eighth.

Scoring Done Early.

All the scoring was done in the first three innings, and after that each team got only one hit. Saginaw, as usual, broke into the run column in the first inning. Pike, first up, shot a fast one to short, which Shay knocked down and then threw rove Newman's head, letting the runner move to second. Cameron sacrificed Pike along, and he scored on Weinberg's smashing single to left.

London got one in the second on Emery's single and theft, Milligan's safe blow to left, and a perfect execution of the squeeze play, Witry doing the bunting.

Aces Secure Lead Again.

Saginaw came back into the lead again in the second, scoring one on a pass to Allen, and Morse's double to the left, which got through Emery's legs. Morse moved to third when Pittenger threw low on McDaniel's roller, but was out at the plate when he tried to finish the circuit.

London made its second and last counter in the third inning on Allen's wild heave of Shay's roller, combined with a centre field drive by Command. The Aces won the game in their half of the inning on a combination of a pass to Cameron, Newman's muff of Shay's throw to catch Gleich, Weinberg's single, Pittenger's wild heave and a sacrifice fly by Allen.

LOWLY BEAVERS GAVE SAGINAW A BEATING

Rose Is Touched Up Freely, But Has No Trouble To Win.

SAGINAW, Aug. 17.—Kitchener batted Fills hard today and took advantage of errors by the Aces, winning the opening game of the series, 10 to 4. Fills was touched up for eleven hits in seven innings, after which Wright, an outfielder, was sent into the box, and he let the Beavers have another run. The score.

DRASTIC ACTION IS TAKEN BY JUDGES AT CRANWOOD MEET

Baby Doll's Driver Fined $50 for Laying Up Fifth Heat.

CLEVELAND, Aug. 17.—Rather peculiar racing in the 2:11 pace yesterday at Cranwood, resulted in drastic action on the part of the judges. All bets were declared off on the final heat and on the race, and W. Fleming, driver of Baby Doll, first drew a $50 fine and later was suspended for the remainder of the season.

The 2:11 pace, four heats of which were paced on Friday, did have a peculiar aspect yesterday. When the horses came out for the fifth heat, Fleming laid up with Baby Doll and it did not look as if The Christian made a strenuous move in that heat, which was won by Grattan Regent. When the sixth heat was called the judges derricked McCoy and gave Eddie McGrath the mount behind The Christian. But McGrath could do no better than third, while Baby Doll came to life with surprising ease and won in 2:10½. For laying up in the fifth heat Fleming drew a $50 fine. Naturally it looked as if Baby Doll should repeat. She did start out well, but was passed by Grattan Regent at three-quarters, and in the eyes of the judges, Fleming made no effort to keep Grattan Regent from going to the front.

The heat aroused the ire of the judges and while they made no imputation against Frank Hedrick, driver of Grattan Regent, they were satisfied that Baby Doll had not been driven to win. As a result, they took the action mentioned, declaring off bets and suspending Fleming.

There was nothing but real racing in the other three events, two of which saw the favorites beaten.

In the 2:20 trot Canada Jack sprang a surprise, trotting a nice race and winning the second, third and fourth heats, the first going to Ora Lee, another outsider.

Comet was the only winning favorite of the day. She took the 2:12 trot in straight heats and trotted one of the best races of her career.

In the first heat of the 2:12 trot, Drivers Teachout and Calkins each drew a $25 penalty for not obeying the orders of Starting Judge Stone.

The 3-year-old trot brought out a fine quartet of juvenile trotters. Peter Coast was a strong favorite, but failed to land, eventually getting third money. Instead, Axie, driven by Hedrick, won in straight heats. Axie was never headed after taking the lead on the first turn in the opening mile. The summary:

NEW YORK, Aug. 17.—Fanny Durack, woman's swimming champion of Australia, suffered the first defeat of her career at Manhattan Beach yesterday afternoon, finishing third in the 440-yard American Athletic Union championship contest. The race was won by Miss Ethelda Bleibtrey, Women's Swimming Association of New York, in 6 minutes, 30 1-5 seconds, a new American record. Miss Wilhelmina Wylie, who is touring the country with Miss Durack, also succumbed to the American swimmers in the 100-yard handicap, finishing fourth. The race was won by Leslie Bunyan, Women's Swimming Association of New York, who was given a handicap of 11 seconds. The time was 1 minute 19 3-5 seconds.

Both Miss Durack and Miss Bleibtrey had expected to enter the 100-yard handicap, but were so exhausted by the first race that they withdrew. Miss Boyle, who started at scratch with Miss Wylie, outclassed the Australian, tieing Helen Heaney of the Rye Beach Club for second place.

NORMAN BROOKS AND GERALD PATTERSON TO PLAY FOR TITLE

Australians Earn the Right by Defeating American Tennis Team.

NEWTON, Mass., Aug. 16.—Norman E. Brooks and Gerald Patterson, Australia's premier lawn tennis team, won the right to play for the American doubles championship by defeating William M. Johnston and Clarence J. Griffin here today in the final round of the titular tournament by scores of 10—8, 9—7, 7—5. As a result of this victory the Australians will meet William T. Tilden II. and Vincent Richards, the present title-holders, on the courts of the Longwood Cricket Club on Monday in the challenge round.

The opening set was rather mediocre, notwithstanding that it was the longest of the three. The players settled down to serious competition in the second set, which developed the best play of the match. There were frequent and lengthy rallies which brought the spectators to their feet. The Australians set out to break up the teamwork of the Pacific coast pair, and by driving a long majority of their returns to Griffin's back-hand partly succeeded.

The final set was the shortest and most decisive of the three. Brooks and Patterson appearing to have taken their opponents' measure, and they forced the pace, placing so successfully that the 1915 champions were obliged to play almost entirely from the base line. Johnston and Griffin adopted lobbing tactics, a majority of their lifts fell between the net and their opponents' service line, affording many chances for smashing kills, of which Patterson was quick to take advantage.

An analysis of the match shows that the Australians won by 26 games to 20, and by 158 points to 138.
