LATE LOCAL ITEMS

—The condition of Mr. Francis Hayes, of 641 Dundas street, has taken a turn for the worse, and the patient is now in a precarious condition.

—Something seems to be the matter with the trees on Queen's avenue, west of Wellington street. Those in the neighborhood may lose them if they do not look into it.

—The plank sidewalk from the street car track on Oxford street to the Military Barracks is badly in need of some repairs. It is a wonder an accident to some pedestrians has not occurred before this.

—High Consable McLoud and Detective Northgraves went to Belmont yesterday afternoon to bring an insane man to jail here, but the object of their quest had taken alarm and they were unable to find him.

—A baseball team composed of the officials of the street railway is playing one representing the motormen and conductors of the system this afternoon. The teams went to Springbank on the private car Victoria at 1:30 p.m.

—After a brief illness, Alice Maude, aged 21 years, eldest daughter of Simeon and Alice Edwards, 136 Queen's avenue, died this morning. The family will have the sincere sympathy of many friends. The funeral will be held Saturday to Mount Pleasant.

—J. W. Softly, formerly of South London, now or Brandon, Man., is visiting Mr. George Heard, Wellington street, and before returning west will remain a few days in Dundas, where his parents now reside. Mr. Softly is representing a wholesale stationery supply house in Brandon, traveling through the principal business districts, and reports trade in that country exceptionally good, with a still brighter outlook, for the wheat yield is enormous. He is impressed with the fact that the west is the place for young men to settle in, providing they possess ability and push.

INCREASE OF $3,000.

The postal revenue at the London postoffice for July was considerably over $55,000, and exceeded that of July, 1900, by about $3,000.

OLD BOYS' BADGES.

The Old Boys' committee are much pleased with the fancy badges that they have made, which are the work of Mrs. McEwen, of Richmond street. They are strikingly handsome, and will be prized souvenirs of the reunion.

CASE DISMISSED.

The charge of violating the license law, laid by Inspector Bailey against Arthur Sadlier was before Squires J. B. Smyth and R. F. Lacey yesterday for the third time, and, after much testimony being given, the case was dismissed.

AMICABLY ARRANGED.

Dan and John Ryder have agreed to bury their differences, and the charge of assault in which the two were concerned was amicably arranged this morning when John promised in the presence of Squire J. B. Smyth to pay costs of the two new actions.

ONTARIO LIBERALS' EXCURSION.

The Ontario Federation of Liberal Clubs will run their excursion to the Soo on Sept. 10, and it will last one week, the party going by way of Sarnia and returning by way of Collingwood. The president of the federation, Mr. George M. Reid, of this city, will supply information regarding the trip.

BEWARE OF PICKPOCKETS!

Visitors to the Old Boys' reunion and citizens generally will do well next week to look out for the operations of pickpockets, for the light-fingered gentry will probably be in London to take advantage of the opportunities furnished by the presence of such a crowd in the city. Householders should see that their dwellings are securely fastened up before going out.

HERE ALREADY.

The following Old Boys have registered at the city hall: J. A. Williams, of Texas, who is visiting at 269 Colborne street; J. W. Nash, of Butte City, Montana, who, having made his pile, returns to reside permanently; Dr. James S. Hanson, who is at 161 Central avenue; Mr. John H. Thompson, of Toronto, at 446 Queen's avenue; and Mr. Andrew Kenny, of Elora.

A POLICEMAN WEDDED.

A very quiet wedding was celebrated yesterday at the Memorial Church parsonage by Rev. C. C. Owen, when P. C. Arthur D. Dalgleish was united to Miss Maud E. Lockhart, of this city. P. C. Galgleish is very popular, he having been a member of the Wolseley Barracks force before going on the police force about two months ago.

KERNOHAN-WEBSTER MARRIAGE

Mr. George N. Kernohan, of the firm of Kernohan & Ferguson, and Miss Emily W. Webster, youngest daughter of Mrs. E. Webster, were quietly married last week at the residence of the bride's mother, William street. The ceremony was performed by Rev. Jas. Kennedy, and only the immediate friends of the families were present. Mr. and Mrs. Kernohan left for a bridal trip to Buffalo and Montreal. They will return about the middle of next week and will reside at 352 William street.

POLICE COURT.

In police court this morning George Dowling, who was found guilty of stealing $12 from Mrs. Layton, a boarder at his mother's house was let go on suspended sentence. The police magistrate said that while Dowling's previous record was against him, he had been working well of late, and the magistrate decided to give him another chance.

Granville Brooks, for having a horse at large, was fined $1.

The charge against Wm. Collins, of violating the liquor license act, was adjourned for a week.

HORTICULTURISTS' CONVENTION

A subscription list has been circulated by a joint committee representing the London Horticultural Society and the leading florists of the city, who have taken in hand the entertainment of the Canadian Horticultural Society during their visit here on Aug. 5 and 6. It is expected 50 to 100 delegates from all parts will attend their meeting, which is the annual convention. Local horticulturists are much pleased with the liberality of our leading merchants, manufacturers, professional men who have subscribed, and take it as an indication of the growing interest in horticulture. It is proposed to show the visitors the city suburbs and have luncheon served at Springbank. The flower show, which is to be held in Cronyn Hall, will be going on at the same time as the convention and will add much to the interest of the occasion.

CRICKETERS AT TILSONBURG

Wolseley Barracks Club Was Beaten Yesterday.

Splendid Playing of Dr. Dean Largely Responsible for the Defeat—Tilsonburg Hospitality.

The Wolseley Barracks cricket club left for Tilsonburg on the 5:50 a.m. train yesterday for their first visit to that beautiful town. They were met at the depot by several of the members of the home team and were at once made free citizens of Tilsonburg. Rooms at the Arlington had been secured, and the general manager, Mr. Matheson, soon made the soldiers at home. After breakfast, the visiting eleven were taken in hand by the home team and shown around Tilsonburg, which is a beautiful place. It was their Civic Holiday, and every one was in holiday attire. Excursions were run to Port Burwell, Port Stanley, and the baseball team went to Springfield for an amateur game there; but despite these attractions a considerable number remained to see the game of cricket.

The home team, winning the toss, elected to bat, and Rev. Mr. Hughes and Dr. Dean were the first representatives of the home club. Dr. Dean played a magnificent inning of 68 not out, carrying his bat throughout the entire inning and only giving one chance during the same. He was the only one to reach double figures in the inning, which closed for 94.

The barracks Club, short of six of their best players, next went to bat, but were disposed of for 91 runs. Sergt. Beals and Corp. McFadden, each making a splendid drive for 6. Sergt. Beals, Pte. Clarkson, Corp. McFadden, Ptes. Tutt and Kibbler reached double figures. In the second inning neither team were as fortunate as in the first. The home team was retired for 42 runs, Pte. Kibbler managing to capture the doctor's wicket when he was 18. Mr. Ward made his first appearance as a cricketer, and he made 11 runs, and besides fielded for his club in an admirable manner, and will prove a useful member of the club in the near future. The inning closed for 42. With 45 to tie and 46 to win, the Barracks went to bat; but the doctor was bound to have revenge for being put out for only 18 runs, and so he started, with all his medical skill, and soon had six patients on the sick list, and the team was retired for 38 runs, just 7 runs less than the home team. It was a hard-fought game, splendidly and pleasantly contested, and everybody was pleased. Both clubs only played ten men a side.

Rev. Mr. Hughes, who acted as wicket keeper for the home team, is a fine cricketer, and a more pleasant gentleman it would be hard to find. He was extremely kind to the visiting team, and they will ever remember him. Dr. Dean, also Mr. Aspinall and Mr. Crawford, deserve more than a word of mention for their kindness.

The fire hall was visited, and a game of billiards played on their new table in the firemen's apartments. The sulphur springs, the mills and the racecourse were objects of interest to the visitors.

The barracks club returned home on the 8:40 p.m. train, and one and all were decided that for a royal welcome and entertainment, Tilsonburg cannot be beaten. The barracks club will have the pleasure of a return match at an early date, when the Tilsonburg club may rest assured of a similar welcome to London.

HEART-SICK.

There are a great many people who have heart sickness, who have no chronic derangement of the heart. When the stomach is diseased it may affect many other organs, and produce all the evidences of diseased heart, diseased liver or kidneys, or disease in some other organ.

The inexperienced practitioner treats the wrong disease, and hence the constant statement of Dr. Pierce's correspondents: "Doctors could not help me."

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and organs of digestion and nutrition. It increases the assimilative powers, and purifies and enriches the blood. When diseases of organs remote from the stomach are caused by the stomach, the cure of the stomach results in the cure of the other diseases, in heart, lungs, liver, kidneys, etc.

"Six years ago my stomach and heart troubled me so much I had to do something, as the doctors could not help me," writes Mrs. S. A. Knapp, of San Jose, California, Box 392. "I went to San Francisco and had treatment for catarrh of the stomach, and was better for some time, then it came back. I then used Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' These medicines cured my stomach. I do not have the pain and indigestion as I did. It is very hard for me to tell you what I suffered before I commenced taking your valuable medicine. I recommend it to all the sufferers whom I meet."

To cure constipation use Dr. Pierce's Pleasant Pellets.

OBSERVANCE OF THE LORD'S DAY.

Members of Dundas Methodist Church Take Action.

Request the Mayor to Guard the Sabbath's Sanctity During Old Boys Celebration.

"To his Worship Mayor Rumball:

"'Dear Sir,—The official members of the Dundas Street Center Methodist Church, by request of a church meeting held July 31, 1901, and on our own behalf, respectfully appeal to you, as the chief magistrate, that you will, by virtue of and in the exercise of your own authority, see that in the carrying out of the arrangements for the Old Boys' celebration, no acts shall be permitted—such as parades, bands, so-called sacred concerts, sale of liquor, etc., which would disturb the quiet and proper observance of the Lord's Day in our city, guaranteed to us by the law of the province.

"In asking that your authority be invoked, in order that this may be effected, we desire to be understood, that as loyal and law-abiding citizens, we wish the pleasure and enjoyment of the visiting friends to be in nowise lessened, but rather increased; and confidently expect it will be by the maintenance of the rest and freedom which the Sabbath brings when rightly observed.

"Had time permitted, we are assured that this our action and request could have been supplemented by the signatures of the majority of our fellow-citizens.

"Asking your prompt action to the granting of this request, we are (signed on behalf of the official boards and members of the church), W. Bowman, chairman; C. P. Beal, recording steward."

GEORGE O'BRIEN TO BE HANGED AUG. 22

Yukon Murderer Has No Chance for a Reprieve—Radcliffe's Services Not Needed.

[Special to Advertiser.]

Ottawa, Ont., Aug. 2.—Acting minister of justice, Hon. R. W. Scott, is in communication with the sheriff of Dawson in regard to the execution of George O'Brien, the Yukon murderer. Mr. Scott has instructed the sheriff to make all arrangements for the hanging, as well as securing a hangman.

The report that Radcliffe was to be sent to act as hangman was incorrect. O'Brien will be hanged on the 23rd inst. The sheriff will have no trouble in getting a man to do the job in that region.

$90,000 INVOLVED!

Toronto Corporation Defeats the City Railway Co.—Decision of the Privy Council.

Toronto, Ont., Aug. 2.—The city has won a big victory over the street railway company, involving $90,000, and a principle.

Ten years ago the company agreed to pay $800 per mile of single track yearly to the city as a mileage payment. The city, after the agreement, contended that curves, switches and turnouts, must be counted as track. The company said no, and the difference meant $3,000 a year in the rental. The case was put in the courts, and now, ten years after, the British privy council has finally decided that the city is right, and that the company must pay some $90,000 more during the time of its franchise than it expected. The news came in a cablegram this morning.

FATAL FIRE AT ST. MARYS.

St. Marys, Ont., Aug. 1.—The stables of the Garnett House were destroyed by fire this morning. The surrounding buildings were saved with difficulty. After the fire the remains of a man, charred beyond recognition, were found.

EVER MEET THIS WOMAN?

Her husband is all right—but he is so fat!

Her little boy is all right—but he is growing so spindling!

Her home is all right—but the paint is too light!

Did she like the last lecture at the club? Liked what he said very much—but his hair was cut so short—like a prize-fighter's!

Her new tailor suit is all right—but Mrs. Xyz has her coat a trifle, the merest shred, longer, and it's much better.

Her new hat is elegant—but if that ribbon was a shade darker, now——!

Hereafter visitors at the Kansas State Penitentiary will be charged 10 cents each. The sum goes toward paying the extra guard made necessary by the visitors.

TWO-POUND TWINS

To Be Put Off at Buffalo Where the Virtues of the Incubator Will Be Tested.

New York, Aug. 2.—The twin boys of Joseph and Theresa Cunea, now two weeks old, and whose combined weight is less than four pounds, have been taken to Buffalo to be placed in the incubator room at the Pan-American Exposition, where it is hoped they will have a chance for life.

On their journey to Buffalo they were wrapped in a nest of cotton wadding, hot water bags and blankets. A few days after their birth their parents became alarmed because the babes steadily lost what little flesh and weight they had.

Before the infants started for Buffalo one of them weighed but one pound twelve ounces; the larger weighed two pounds one ounce. The smaller twin had refused nourishment for two days. His face was not much larger than a silver dollar. Each babe is less than twelve inches in length.

A SURE CURE FOR HEADACHE.—Bilious headache, to which women are more subject than men, becomes so acute in some subjects that they are utterly prostrated. The stomach refuses food and there is a constant and distressing effort to free the stomach from the bile which has become unduly secreted there. Parmelee's Vegetable Pills are a speedy alterative, and in neutralizing the effects of the intruding bile, relieve the pressure on the nerves, which causes the headache. Try them.
