The interest in this most original sale grows space, and small wonder, for the values are simply irresistible. Just think of it—the marked prices are so figured that the margin of profit would not pay for the cost of handling, and to-day these low prices are pruned to the extent of 20 per cent. The values are not imaginery, but every piece is a real genuine "live wire bargain." Now don't miss this—get in to-day for sure, and get the Dutch Auction spirit.

FIRST WARD CONSERVATIVES CELEBRATE ANNIVERSARY

Triumph of Jan. 25th, 1905, Fittingly Remembered in Some Pleasant Speaking.

The Liberal-Conservative Association of the First Ward turned out in full force at the annual banquet in Dingman's Hall last night. It was the first anniversary of the memorable defeat of the Ross government and the association celebrated in royal style. J. R. Humphrey was chairman, and at the guest table were: Hon. George E. Foster, Hon. J. J. Foy, Hon. Col. Matheson, Hon. W. J. Hanna, Hon. Dr. Pyne, A. E. Kemp, M.P., A. C. Macdonell, M.P., Andrew Broder, M.P., Controllers Hubbard and Jones, and William Gray.

R.L. Defries proposed the toast of the Federal Parliament.

A. E. Kemp referred to the municipal campaign. It was high time Toronto had a Conservative mayor. The city would be proud of him for a second term.

Andrew Broder, M. P. for Dundas, said the party down at Ottawa was in opposition, and there was a great importance attached to an effective opposition. It was a mistake that most of the work done by the opposition never reached the public, because public opinion should be moulded by the work of the legislators whether in power or in opposition.

Hon. George E. Foster said that today was a gala day for the new-comers. He was glad to see before him the new ministers, fresh to their honors, and that they were them so well. The parliamentarians, taken altogether, were just as good a class of men as could be found. It was a fact that Conservatives were better than Liberals. Their principles and acts had stood the test of time and circumstances.

Past President W. Fitzgerald proposer the toast to the Legislature, which was responded to by a short speech by Dr. Pyne.

Col. Matheson was glad to meet the veterans of so many battles. He was sure, with the backing of Ward One behind him, he could carry any riding in Canada. He could tell the electors that they had just as able a government in Ontario as any one since confederation.

"The voice of the people spoke with no uncertain sound a year ago tonight," said Hon. J. J. Foy. He was sure that the trust imposed in the honored leader by this great province would be tended with the utmost care and faithfulness.

Hon. W. J. Hanna would like to plant some of the workers of Ward One in every constituency in Canada. They were such good stuff.

"We have only been in power a year," he said, "but we have done our best. Our friends tell us we have done well. Our experience will lead us to do better I hope we will go on forever practically as a Conservative government."

The toast to the Mayor and Council was replied to by Controller Jones, who referred to his pet proposal for a commissioner of industries as a good thing for th ceast and th emeeting supported the speaker.

Solos were rendered by Dr. Butler and Hartwell De Mille. Master C. James gave an instrumental.

Berlin Cinches District

Berlin, Jan. 25.—(Special.)—Berlin cinched the intermediate championship of group 6 this evening by winning its fifth consecutive game, a victory in defeating the Guelph team for the second time by a score of 8—2. The ice was good, altho somewhat rough. Both teams did some fast work, but it was only in spots, the balance being somewhat confused. Berlin outplaying the visitors completely in the second half. Guelph's team was strengthened by Cutten and Irving being replaced by Mowat in goal and Canfield at point, but it did not help the home team. There was very little combination on either side, individual work being prominent. Berlin scored 4 goals in each half, and Guelph 1. V. Cochrane and M. Cochrane scored two each, Dumart 3, and Fyfe one. Guelph allowed the puck to go thru his own goal. Guelph's goals were tallied by Fyfe and Hamilton. There was no rough work and very few off-sides. Referee Wettlaufer had little to do and did it well. Teams: Guelph (2): Goal, Krueger; point, Roseleat; cover, Seibert; rover, Brinkert; centre, Dumart; left wing, M. Cochrane; right wing, V. Cochrane.

Guelph (2): Goal, Mowat; point, Koyle; cover, Canfield; rover, Hamilton; centre, Fyfe; left wing, Dancey; right wing, Foster.

Port Hope Won.

Port Hope, Jan. 25.—In the junior O. H. A. match here to-night between Picton and Port Hope, the locals defeated the visitors by a score of 4 to 3. Following is line-up:

Picton (3)—Goal, Croft; point, Tulley; cover, Redboro; right, Collier; left, Reid; centre, Burns; rover, Illsley.

Port Hope (4)—Goal, Gamble; point, Bennett; cover, McLean; right wing, Hunsinger; left, Murphy; centre, Mercer; rover, Wright.

Belleville Juniors Won.

Belleville, Jan. 25.—(Special.)—The Belleville juniors put a crimp in Cobourg's championship aspirations to-night by beating the fast juniors of the latter town by a score of 6 to 4. It was by long odds the best game played here this season, and if the home lads had struck their gate of to-night earlier in the season they would surely have won the round. The Cobourgs showed up as a husky, fast and skilful bunch, but the home team was out to win and there was no stopping them. With 15 minutes to play Cobourg was ahead 4 to 3 and then Belleville set a pace that the visitors could not equal, scoring three more goals, while the crowd in the rink cheered like wild men. Belleville still has a fighting chance for the group championship, but it is not a very long chance. Waghorne was very strict and impartial. He ruled off 17 Belleville and 7 Cobourg men. Several times there were two Belleville men on the fence, but Cobourg could not score. The teams were as follows:

Belleville (6)—Goal, Phillips; point, Pepper; cover, Connolly; rover, Spangenberg; centre, Allen; right wing, Burke; left wing, Weller.

Cobourg (4)—Goal, Flesch; point, Moffat; cover, Smith; rover, Robertson; centre, White; right wing, Doheny; left wing, McNichol.

Timekeepers—Belleville, W. Burke; Cobourg, Thomas McIntosh. Goal umpires—Belleville, Doc Truaisch; Cobourg, Thomas Muihall.

Milton Won Again.

The Marlboros II. were beaten by Milton for the second time this season at the Mutual-street Rink by 8 goals to 3. Minus the services of Quigley and Roesler, who were requisitioned to assist the first team, the local men did not make nearly as good a showing against the Milton lads as they did before. Both teams played rough thruout and the penalties were many. Hall, at cover for the Marlboros, struck Campbell over the head after several warnings and was put out for the remainder of the game. The Marlboros were sadly deficient in team play. Litster and Fields were the fastest men on the Milton team and Campbell was not a bit behind them on form. Staines played a fair game for the Marlboros.

The score at half-time was 4—0 in favor of Milton. When play was resumed the Dukes took a brace and scored a goal to start things. Milton followed them close with two more tallies before the city boys were able to retaliate with a couple more. Milton came strong in the finish and scored two before the whistle blew. The teams:

Milton (8): Goal, Lewis; point, Fleming; cover, Julke; forwards, Litster, Beatty, Campbell, Fields.

Marlboros (3): Goal, Taylor; point, Brennan; cover, Hall; forwards, Stewart, Forbes, Staines and Chappell.

Referee—Steve Leslie.

Marlboros Badly Beaten.

The Senior Marlboros' aspirations to the status of a first-class team were rudely dissipated at the Mutual-street Rink last night, when they underwent the process of defeat by the Argonauts by 14 goals to 1. Altho their line-up showed five of last year's team, they were unable to cope with the Argonauts' heavy defence and fast rushing tactics, on the forward line. Millie Evans at cover did not show any of his wonted aggressiveness and Ridpath, Birmingham and Winchester were not able to get going to any extent. Evans sustained an injured knee in the first half and had to retire. Bloomfield went off to even up. In the second half he came out again, but he was unable to continue and retired a second time for the balance of the game. For the Argonauts, Hamber and Reiffenstein put up their usual strong game, and, after the first five minutes their goal was never in danger. Hamber was inclined to rough it at times and Referee Reddy Hynes had to warn him once or twice. Hamilton, Toms and McGaw were the stars on the forward line. They had the advantage of weight and they brought into play an effective combination, which the Dukes were unable even to imitate.

From the face-off the Marlboros rushed the puck down on the Scullers' nets and Quigley scored on a pass from Ridpath. After that the Dukes never had a look-in. In 8½ minutes the Argonauts found themselves and the remainder of the game was a procession. When Evans retired, Quigley, who made his first appearance in senior company last night, was put back at point. The ice was in splendid condition. Teams: Argonauts (14): Goal, Cochrane; point, Reiffenstein; cover, Hamber; rover, McGaw; centre, Toms; right wing, Bloomfield; left wing, Hamilton.

Marlboros (1): Goal, Tyner; point, Evans; cover, Roesler; rover, Quigley; centre, Birmingham; left wing, Winchester; right wing, Ridpath.

SAVED BY FRAIL RAFT

against the rocks. To add to our misery, the last of our food was washed away, and we had no water to drink. The wind and rain, combined with the sea, soon numbed us. Every little while one of those in the riging would lose his hold and be swept away to the sharp rocks.

"When we saw the Queen in the morning, we thanked God for saving us, but when she, in company with the tug, sheered off and sailed away, she was followed by nothing but curses. I suppose it was too dangerous for them to attempt to save us.

"When the Topeka finally hove in sight we determined to make an effort to reach her in the life raft. Few of the men cared to make the attempt, as it appeared to be certain death to even try to cross the breakers, but 19 of us were willing, and we started. With only a pair of oars, the struggle against the wind and sea was almost too much for us. Part of the time we were under water and almost drowned.

Fought Like Demons.

"But we were impelled by desperation and fought and fought against the elements like demons. We held one man upright in the centre of the raft, and had him wave a shirt on a pole. When we saw the steamer turn, we thought she had overlooked us and was going away. If she had we would have died right there.

"When we left the ship we tried to get some of the remaining women to go with us, but they refused. No help can now reach them before morning, and the ship will have then gone to pieces. She was breaking up when we left her, and could not possibly have held together more than a few hours. She lies directly in such a position that there is no hope of anyone reaching shore. If the two boats which we saw get away and put to sea are picked up, their occupants and ourselves will be the only ones saved.

"Capt. Johnson lost his bearings and ran the ship ashore. It was a dark and stormy night, and nothing could be seen. The ship struck while running full speed. We all thought we were to the southward of Flamry. There were many deeds of heroism and many acts of cowardice, but on the whole the people behaved well, and met their fate like men."

Survivors' Sore Straits.

Victoria, B.C., Jan. 25.—The nine survivors of the Valencia at Darling River telegraph but are reported from Bamfield to be in a deplorable condition, being overcome by exhaustion and fatigue, that they are unable to stand, much less to make their way along the trail to the nearest place of shelter. One has a sprained ankle, the others are without boots and exhausted, several with their feet raw and bleeding from walking to Darling River over the rocks. It is impossible for them to reach Bamfield or Cape Beale, even could they cross the flooded Darling River, in their present condition. They have no provisions other than those provided by a party of three, which went to them from Bamfield with a small supply yesterday. One of the party which took provisions to them had a narrow escape from drowning when trying to cross Darling River.

The tug Lorne has on board Lieut. Knight and four men of H.M.S. Egeria, who are all volunteers, as well as Dr. Tominson, surgeon of H. M. S. Egeria, and officers of the Egeria. It is the intention to use a lifeboat taken by the crew, to endeavor to save any persons found on the wreckage or rafts, if the wreck is found to be broken up. The Salvor, the whaler Orion and tug Lorne are cruising in the vicinity.

Three Men on Shore.

The Orion arrived at Bamfield Creek cable station at 3.40 p.m., and reported having sen three men on shore, where they had a fire lit, a few miles southwest of the wreck, and it was thought these men were survivors as yet unaccounted for. The Valencia lay submerged, with only a portion of the mast sticking out of the water. The Orion brought articles of clothing, together with blankets in torn slips, with which the passengers had evidently lashed themselves to the rigging.

After transferring the survivors taken from Bamfield, the steamer City of Topeka, the salvor, went to notify the tug Lorne of the finding of the party on shore, and asked if the British bluejackets on board the Lorne, with a lifeboat, would attempt a landing. The British bluejackets, however, made a daring effort. They were, however, unsuccessful, and the sailors were obliged to return, after getting within three boat lengths of the shore. Failing to make a landing, the sailors tried to send food ashore in barrels, but in this they were also unsuccessful. It is not expected that the surf will be navigable for osme days.

Darling Creek is now three times its normal depth, and a swift current runs toward a tall near the mouth. But one of the survivors had managed to cross. F. F. Bunker, assistant school superintendent of Seattle, a passenger, who escaped from the wreck after seeing his wife and two daughters drown alongside the steamer by the swamping of the boats, swam across the swift creek. He placed a rope around his waist before he started.

Former Torontonian a Victim.

St. Catharines, Jan. 25.—(Special.)—Among the first-class passengers on the Valencia were Adam Frederick Rolph, a nephew of Joseph T. Rolph of Rolph, Smith & Co., Toronto. Mr. Rolph is a brother-in-law to Mrs. A. M. Watts of this city. In 1892 he married Miss Edith F. Ponigdestre, daughter of the late W. W. Ponigdestre of Toronto. He was returning to his home in New Westminster, having been on a visit to relatives in San Francisco.

Wife Lost on Clallam.

Victoria, B.C., Jan. 25.—Donald Ross, one of the passengers drowned on the Valencia, lost his wife on the Clallam when she was wrecked two years ago.

SAYS LATIMER MUST GO.

Calgary, Jan. 25.—(Special.)—Chief Justice Sifton declared this afternoon it was his plain duty to send William H. Latimer, Philadelphia fugitive from justice, back to the States.

He was remanded to the care of the Mounted Police for 15 days to enable him to appeal his case, which, his attorneys claim, will be done.
