IMPROVEMENTS AT HALIFAX.
Sealed tenders addressed to the undersigned and indorsed "Tender for Pier and Sheds," will be received at this office until 12 o'clock noon of the 20th day of July, 1911, for the construction of a reinforced cement concrete pier and sheds at the Deep Water Terminus of the Intercolonial Railway, at Halifax.

Plans, Specifications and form of contract to be entered into may be seen and full information obtained on and after the 20th day of June, 1911, at the office of the chief engineer of the Department of Railways and Canals, Ottawa, Ont., and at the office of the chief engineer of the Intercolonial Railway at Moncton, N. B., or at the office of the consulting engineer, Mr. John Kennedy, Montreal.

Parties tendering will be required to accept the fair wages schedule prepared or to be prepared by the Department of Labor, which schedule will form part of the contract.

Contractors are requested to bear in mind that tenders will not be considered, unless made strictly in accordance with the printed forms, and in the case of firms, unless there are attached the actual signatures, the nature of the occupation, and place of residence, of each member of the firm.

An accepted bank check for the sum of $25,000 made payable to the order of the Minister of Railways and Canals must accompany each tender, which sum will be forfeited if the party tendering declines entering into contract for the work, at the rates stated in the offer submitted.

The check thus sent in will be returned to the respective contractors whose tenders are not accepted.

INDIGNANT VOTERS

Some in Brockville Object to Compulsory Garbage Collection.
[Canadian Press.]

Brockville, June 20.—The passage of a bylaw by the town council providing for the compulsory collection of garbage has given rise to stubborn opposition by the ratepayers. Last night a largely-attended indignation meeting of the citizens was held, at which red-hot speeches were made and a resolution passed condemning the bylaw and calling upon the council to rescind the measure. Mayor Patterson defended the action of the town, and though hissed and hooted stood by his guns to the close. The town is threatened with an injunction if the bylaw is made operative.
