Arthur Henderson Resigns Portfolio

Minister of Education in the Asquith Cabinet Relinquishes Office.

London, Aug. Aug. 9.—Arthur Henderson, president of the Board of Education in the British Cabinet, has resigned his portfolio. Mr. Henderson recently had been strongly criticized both in Parliament and by the newspapers, much dissatisfaction being expressed over his administration of the education department, in which he was declared to have failed to meet the present demand for a reform of the nation's educational system.

According to the Daily News Mr. Henderson's resignation applies only to his office as Minister of Education, but not to his membership in the Cabinet. The paper adds that he will be retained in the Cabinet as labor adviser, without specific portfolio for the present. The Marquis of Crewe, it is expected, will combine the presidency of the Board of Education with his present duties as Lord President of the Council.

Turkish Official

By Special Wire to the Courier.

London, August 9.—The Russians have renewed their attacks on the Caucasus front, west of Erzingan. An official Turkish statement received here, dated Aug. 5, says the Russians gained a footing in the Turkish lines but were driven out after heavy fighting. The statement follows:

"On the Greek front and on the Russian front in Persia the situation is unchanged.

"Caucasian front: No further news has been received from the right wing. In the centre the Russians renewed their attacks on our positions on the line from a point 22 kilometres west of Erzingan to a point 14 kilometers west of Kialkit. There was bitter fighting in several sectors. Our troops recaptured at the point of the bayonet positions in which the enemy succeeded in gaining a footing."
