Among the most important of modern medical discoveries stands the

CANADIAN PAIN DESTROYER!

As a Family Medicine, it is well and favorably known, relieving thousands from pains in the Side, Back and head, Coughs, Colds, Sore throat, Sprains, Bruises, Cramps in the Stomach, Cholera morbus, Dysentery, Bowel complaints, Burns, Scalds, Frost Bites, &c., &c., &c.

The CANADIAN PAIN DESTROYER has now been before the public for a length of time, and wherever used is still liked, never failing it, a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed; but, on the contrary, all are delighted with its operations, and spoke in the highest terms of its virtues and magical effects.

We speak from experience in this matter, having tested it thoroughly, and therefore those who are suffering from any of the complaints for which it is recommended may depend upon its being a Sovereign Remedy.

The astonishing efficacy of the Canadian Pain Destroyer in curing the diseases for which it is recommended, and its wonderful success in subduing the torturing pains of Rheumatism, and in relieving Nervous Affections, entitle it to a high rank in the list of remedies for these complaints. Orders are coming in from Medicine Dealers in all parts of the country for further supplies, and each testifying as to the universal satisfaction it gives.

The Canadian Pain Destroyer never fails to give immediate relief. All medicine dealers keep it. Physicians order and use it; and no family will be without it after once trying it.

Price only 25 cents per bottle.

Perry Davis' Pain Killer.

"At this season of the year when cholera, cholera morbus, dystentery, and other kindred complaints are sure to prevail, everybody should be liberally supplied with Perry Davis' Vegetable Pain Killer. Persons leaving home, whether it be for a days excursion or a trip to Europe, should be in a position to place their hands on it in a moment's warning. Many diseases in incident to the summer months, which will prove fatal if not immediately checked, can be promptly cured by one or two doses of the Pain Killer. On more than one occasion have we been relieved of intense suffering by the timely use of the above named preparation."

☞ In health worth having? It is to protect it—it is a jewel as easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs, spitting of blood and pulmonary complaints generally, which if not checked immediately lead to serious consequences. The question arises—which is the quickest and most effectual remedy? Bryan's Pulmonic Wafers have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cures when taken in season. Sold by all medicine dealers and country stores generally throughout the Province, at 25cts per box.

To the Free and Independent Electors
OF THE
NORTH RIDING OF HURON

GENTLEMEN:—

Having been nominated by the Reform Convention, held at Clinton on the 4th of this month, as a candidate for the Representation of your Riding in the Local Legislature of Ontario, and having received assurances of support from many friends, over the whole constituency, I have accepted the nomination then made, and in doing so I hope to receive a cordial and generous support from you, to whom is entrusted the privilege of the franchise.

My principles are not such as to satisfy every shade of political opinion; they are, however, as is well known, to maintain what is good—to reform what is corrupt and obsolete, endeavoring to secure right government, in as economical a manner as is consistent with safety.

There are no questions before the public of great importance. Confederation having absorbed all others, it is my desire that it should receive a fair trial, trusting that it will be the means of allaying the sectional jealousies that have so long distracted the country.

Having been actively engaged for the last ten years in our municipal affairs, the experience I have gained may, if you see fit to elect me, prove useful in further improving our municipal and assessment laws. It might not serve any useful purpose to go into an immediate personal canvass, but I hope when the contest fairly commences, to meet you in various places over the Riding to make explanations, and set forth my views at greater length, and until that time, I would ask you to refrain from pledging your influence and support to any of my opponents, so that you may be in a position to judge for yourselves as to our respective merits,

I am, gentlemen,
Your obedient servant,

THOMAS GIBSON.

Howick, April 6th, 1867. w11tf

To Dr. Woods, Reeve of Stanley,
AND 772 OTHERS,
PARLIAMENTARY ELECTORS OF THE
SOUTH RIDING OF HURON.

GENTLEMEN:—

I have had the honor to receive your very respectably and numerously signed requisition, asking me to become a candidate to represent this Riding in the House of Commons, at the ensuing election, for which I feel highly flattered, and accept the nomination offered me by so large a number of influential electors. I have since received the unanimous nomination of the liberal Conservative delegates at the Clinton convention.

To the parliamentary electors of the South Riding generally, I offer myself as a candidate, and trust to receive your generous support.

To the most of you I am not unknown, having been a continuous resident in the Riding for a period of thirty two years, and having during that time encountered all the difficulties and privations of a backwoods life, as well as filled numerous elective and other highly responsible offices, therefore necessarily for many years I have been prominently before you, and I challenge any man truthfully to say that I wronged him in the smallest matter. I refer to my past course as an index of what my future may be, should you see fit to elect me. Having no monetary want, and none depending on me for succour from the public chest, I do not wish for, nay, would not accept, from Government any lucrative office, my only desire being to energetically and faithfully to secure the interests of the country in which I have lived so many years, and to which from many associations I am sincerely attached.

There are no leading questions before the public at present, but should I be elected, I shall enter upon my duties without offering to the ministry of the day any factious opposition, and will assist to the utmost of my power in carrying out the Confederation scheme in a liberal spirit.

To every measure calculated to advance the interests and well-being of the County of Huron I will give my undivided attention, and best support.

I shall be an advocate for economy in the public service, so far as may be compatable with thorough efficiency; I shall advocate such alterations in the customs and excise duties as will be most beneficial to the wants and means of the greatest number of the inhabitants, keeping in view the maintenance of the public credit.

The public debt—regulation of trade, and development of commerce—the postal service—the enlargement and improvement of our inland water communication within Canada—the Railways—and generally what ever will advance the welfare and importance of the Dominion of Canada, shall receive my best attention.

I shall take an early opportunity, before the elections come off, of visiting the principal localities in each municipality, and then explain my views on any subjects likely to come before the House of Commons.

I have the honor to be,
Gentlemen,
Your faithful servant,

D. H. RITCHIE.

To the Independent Electors
OF THE
SOUTH RIDING
OF THE
COUNTY OF HURON,

GENTLEMEN,—Having been nominated at the Convention of the Liberal Conservative party, held at Clinton on the 29th ult., as a Candidate for the representation of this Riding in the Local Legislature of Ontario, and having received numerous assurances of support from persons of various shades of political opinion, I have consented to offer myself for your suffrages at the election to take place, in all probability, at no distant period.

In the meantime, I shall take the opportunity of visiting the several municipalities, that you may become better acquainted with the sentiments which I profess, and I trust that they will be found so to accord with your own, that you will be enabled to give me a generous support.

I am, gentlemen,
Your obedient servant,

TO THE

FREE & INDEPENDENT ELECTORS
OF THE
NORTH RIDING
OF THE
COUNTY OF HURON.

GENTLEMEN,

Having received the nomination of the "Reform Convention," and having been requested by men of all shades of politics to offer myself as a candidate for the Canadian House of Commons for your Riding; I am now in the field claiming your suffrages as a Representative.

As there are no great questions now prominently before the country—Confederation being an accomplished fact—it is unnecessary in a short address like this to speculate on what the future may bring forth; or to submit any particular or specific platform. I may, however, say that I will embrace the earliest opportunity of visiting each locality in the Riding and explain my views fairly and fully on both local and general matters; such as the necessity of encouraging emigration, our trade with the United States,—economy in the management of our public departments, and the conduct of the general affairs of the country.

Meantime,
I have the honor to be,
Gentlemen,
Your obe'nt serv't,

Joseph Whitehead.

To the Independent Electors of the South Riding of Huron,

GENTLEMEN:—

Having received the nomination at the Convention held in Clinton, on the 15th inst., as Reform Candidate for the Legislative Assembly of Ontario, for South Huron, and having accepted the same, I am now prepared to take the field, and hope to receive a liberal support.

As the election will not, probably, take place for some time, I shall be able at the proper period to make a personal canvass of the Riding, when, at meetings to be appointed, the views of both parties can be heard and compared; and in the meantime, I trust you will not pledge yourselves by requisition or otherwise to any other candidate.

I have the honor to be,
Gentlemen,
Your most obedient servant,
