DUELING SWORDS EVENT TO C. WALTERS

Ontario Fencing Championships Open at the Central Y. M. C. A.

In the Ontario fencing championships the epee (duelling sword) championship was held at Central Branch Y.M.C.A. last evening. There were a number of experts entered and good competition was witnessed.

First place was won by Chas. Walters, Central Y.M.C.; second by W. Harris, Central Y.M.C.A., and third by E. Loring, unattached. Gold, silver and bronze medals were presented to the winners.

The junior foils on Wednesday commenced the Ontario fencing event. Twenty-one entries, comprising fencers from Varsity, Central and unattached took part.

The contestants were divided into three pools of seven, each having six bouts. In all 69 bouts were fought. Three men tied in the second pool, which caused six more bouts to be fought to decide the second place from the preliminary pool.

Those reaching the final pool were: Roden (C.Y.), Montgomery (C.Y.), Lounds (C.Y.), Gordon (C.Y.), Verity (Varsity), Lightwood (unattached).

The hour being late it was decided to have the finals run off Tuesday, March 3, for gold, silver and bronze medals.

TO ALLOW SUBSTITUTES IN AMATEUR LACROSSE

Suggestion Favorably Received at Rousing Campaign Meeting at St. Kitts.

ST. CATHARINES, Feb. 26.—A rousing meeting in the interests of the lacrosse campaign was held here tonight in the Collegiate Hall, which was addressed by P. J. Lally and Secretary Doyle of the O.A.L.A. and various enthusiastic citizens, which resulted in the formation of a committee that will formulate plans for the organization of a school league in St. Catharines. Fully two hundred were in attendance.

The committee comprises Principal Coombs of the Collegiate Institute, Public School Inspector Hetherington, J. M. Cameron, J. I. McSloy, M. J. McCarron, and F. W. Beard.

A suggestion that three or four extra men be allowed in O.A.L.A. matches as substitutes after the start of the game was made by J. M. Cameron, and was so well received that it will be presented as an amendment to the association rules at the Good Friday convention.

J. L. SULLIVAN CALLS SMITH AND WILLARD

As Best of Present Bad Lot of White Hopes—His Respects to Lanky Bob.

The old champion, John L. Sullivan, looking extremely robust despite his 56 years, most of which were strenuously lived, took a few minutes from his duties at the show in New York the other night to talk of the game at which he stood head and shoulders over twenty-five years ago. John L. was asked what he thought of the white hopes of today.

"I don't think at all," he replied, with a smile. "It would be a waste of time. Gunboat Smith appeals to me the most because he carries the old wallop, and that's a lot in his favor. Jess Willard comes next, but the others—forget 'em. There's too much stalling in the game now.

"The fighters are all business men. They want all the coin, and they get it easy. The days of real fighting will never come back because there isn't a first-class champion in any of the classes. There's too much side-stepping and bluffing to suit me. A guy who wins a title challenges so he can be an actor. I wouldn't go across the street to see some of those four-flushers put up their hands.

"The boxing commission did right when it put the blinkers on old Fitz. Bob would have had about as much chance in the ring nowadays as yours truly."

TRINITY FOR FINALS.

EVEN MONEY AND TAKE YOUR CHOICE

First Game of Senior Finals at Arena Tonight—How They Will Line Up.

Tonight at the Arena will be staged the tit-bit game of amateur hockey when T.R. & A.A. will once again clash with the St. Michaels for the senior O.H.A. championship. The black and white on the defensive are a great team and will die fighting hard to retain the coveted title that they won last year from their opponents after two heart-rending struggles. To be or not to be is the anxious query that is on every fan's tongue these days. Dope with its changeable moods and fancies is quoted and disputed until one's head is full of riddles. After taking the upsets of last year into consideration it looks like even money on the first game at least, altho several frenzied fans are erratically backing the Irish at 7 to 5. The Irishmen are not at top strength, but hardly as weak as the supporters of St. Mikes would like one to suppose. Matthews will be an absentee, but McCamus and Murphy will be in the game, while T.R. & A.A. will have all their regulars out except Bud McLean. The teams will in all probability line-up as follows:

St. Michaels: Goal, Addison; right defence, Murphy; left defence, Dissette; rover, Rankin; centre, Lafamme; right wing, McCamus; left wing, Richardson.

T.R. & A.A.: Goal, Smith; right defence, Gooch; left defence, Heffernan; rover, Stevenson; centre, G. Meeking; right wing, Brown; left wing, H. Meeking.

Tonight at Ravina Rink the Beaches League will stage two more battles. The first game is a juvenile final and Aura Lee and East Toronto will do combat for this title. This game will start at 8 o'clock sharp, and it promises to be a hard struggle. Both teams have had hard rows to hoe in their groups, and the outcome should be prolonged until the final minutes of play. Aura Lee have weight and speed, but the East Toronto boys are some sizzlers themselves and expect to counteract their opponents' advantages by their grand checking back game. At 9 o'clock Dominion Express and Riverdales will come together in the semi-final of the junior series. This will be a great tussle. The winner will have a chance to capture the title, and there should be some tall hustling around Teddy Marriott's ice tonight when these two teams clash.

BERLIN TO MEET ORILLIA.

BERLIN, Feb. 26.—Berlin intermediates cinched the semi-finals from Sarnia tonight, defeating them by a score of 3 to 2 and 9 to 5 on the round. Sarnia played well in the first half, scoring two goals, and the locals had to fight all the way to score the three goals obtained. Orillia will meet Berlin here in the finals for the championship next Tuesday night.

The teams:

Berlin (3): Goal, Hainsworth; right wing, Seibert; left wing, Trueschinskit; rover, Boettiger; centre, Leroux; right defence, Roschman; left defence, Soloman.

Sarnia (2): Goal, Cameron; right wing, McCart; left wing, Dods; rover, Lesueur; centre, Arthur; right defence, McClellan; left defence, Foster.

Referee: Harvey Sproule, Toronto.

GAELIC BIBLE CLASS.

A novel feature of the first annual meeting of the Toronto Gaelic Bible Class, held in the parlors of Knox Church last night, was the playing on the bagpipes of several old Scotch songs. An old-fashioned thanksgiving service was held, and short addresses were given by Rev. Alex McGillivray, chairman, Rev. Mr. McLennan of Lucknow, Alex. McKenzie and Alex. McKenzie, Jr., Dr. Alex. Fraser, Prof. M. Clark of McMaster. Solos were rendered by John McKay, John McCallum and Mrs. Mary McLeod. Recitations were also given. The proceedings were all in Gaelic, and were greatly enjoyed by the large audience.

JAMES PADDON

Australian sculling champion, who has been matched to meet Ernest Barry for the world's and English titles in England next Auguest or September. Paddon beat Dick Arnst on the Paramatta last November.

HOCKEY GOSSIP

The Riverdales, champions of group B, and Dominion Express, winners of western section of Beaches Junior League, meet tonight at Ravina Rink at 8.30 to see which team will qualify for the final. The Riverdales request a full turn out of players and rooters to meet at Ferguson's parlors at 7 o'clock. Pat Evans, who has been of late taking great interest in the team, will look after the Riverdale boys.

The A. R. Clarke hockey team defeated Warwick Bros. and Rutter Wednesday night at Aurora by a score of 8 to 4 in a very fast and exciting game. Warwicks got an early lead, but faded away in the second half. Clarke's back checking told on their weaker opponents. Half-time score 4-4.

A Montreal despatch says: An investigation to ascertain the names of the Ottawa players who are alleged to have gone to Manager Fred Shaughnessy and asked him whether they were expected to "lay down" to Canadiens will be asked for by President Lichtenhein, according to the statement of the Wanderer leader today. He believes the players' names should be ascertained and that when known they should be expelled from the league.

While voicing strong doubt as to the truth of the story, President Lichtenhein expressed himself strongly on the matter.

"By asking such a question, the players admitted in effect that they were ready to fake if necessary," said the Redbands' owner, "and for the men who fake there is no place in professional hockey. We have a chance to show the public that professional sport is absolutely honest and on the level, and I for one am ready to take advantage of that opportunity."

West Toronto defaulted to St. Johns last night in an intermediate Civic League game, and this gives the green shirts the district.

The game that was scheduled to be played between Beeches and Broadview Juniors tonight has been postponed.

In a fast game of hockey at Varsity last night, in the Consumers' Gas Company House League, the Third Floor defeated the Salesroom by a score of 7 to 6 in 30 minutes' overtime. For the losers "Cap." Pettigrew played a wonderful game, time and again rushing the length of the ice. Bob Howard for the losers and Petrie for the winners were the most noticeable among the rest. The winners' line-up: Goal, A. E. Howard; defence, B. Allman and F. Thompson; rover, Petrie; centre, Stewart; wings, V. Farrant and J. Simpson.

WRESTLING CHAMPIONSHIP.

The entry list for the Ontario Y.M.C.A. wrestling championships is a good one. West End Y are entering their best men and a number of outside entries are in. Central boys had a good workout last night, and are in good condition. Marty Walsh was on the mat and worked with his usual easy style. The draws will be made tonight.

MacPhee, secretary of the Cornwall Lacrosse Club, announces that the annual meeting of the club will be held in the club rooms, Colquhoun block, at 8 p.m., on Wednesday, March 11. According to the constitution of the club the nomination of officers must be in the hands of the secretary not later than March 5. Rumors have emanated from both Montreal and Toronto to the effect that there is likely to be a change in the composition of the Big Four in 1914, and the Cornwall club has been mentioned as a probability. Something may develop at the annual meeting. The Cornwall club is in good shape for players and could do battle in any company.

Stanley Cup Chasers To Play at Winnipeg

WINNIPEG, Feb. 26.—On the way to Toronto to play for the Stanley Cup, emblematic of the professional hockey championship of the world, the Victoria hockey team, winners of the coast league championship, will play an exhibition game in Winnipeg on Tuesday, March 3, in the Amphitheatre, with the Vancouver team of the same league. Manager Graham of the Amphitheatre has completed arrangements for the game, and Winnipeg hockey fans will have a chance to see the class of hockey dished up on the Pacific coast.

T.B.C. FIVEPIN LEAGUE.

In the T.B.C. Fivepin League at the College Club last night Senators won two out of three games from Stanleys, the leaders, the outcome of which tied up the race between the above pair and Millionaires. After a slaughter in the first game the old boys woke up and put over nose finishes in the remaining two games, and which were largely due to the great coaching of Bench Manager Jack McKinley. Bridgy Rice for Stanleys was high with an even 500, while Pop Wicks got the honors for Senators with a 427 total. Scores:

KING GEORGE VIEWS HIS FIRST BASEBALL

His Majesty Quick to Pick Up Fine Points of Game —Big Crowd.

LONDON, Feb. 26.—The King of England, as a baseball fan, today experienced the thrill that comes as the result of a spectacular hit which breaks up an extra inning game. Seated within a wire enclosed box behind the home plate of a diamond that had been laid out on the Chelsea football field, his majesty saw, in the second half of the eleventh inning, Tommy Daly of the Chicago White Sox meet with his bat a fast ball delivered by Faber of the New York Giants, drive it far across the field and into the topmost bleachers for a home run, and win the game for Chicago, 5 to 4. The king clapped his hands wildly as Daly trotted around the bases, and the others of the 30,000 spectators followed his example.

The game between the world tourists had been widely advertised, and, having King George as a patron, it was the magnet that attracted to the field persons from all branches of British sports, members of the nobility, cabinet ministers, diplomats and society leaders.

The American colony was out to a man.

King George, who was accompanied by American Ambassador Page, watched with great interest and seeming intelligence of the game the closely contested eleven innings, applauding particularly when, about midway of the game, Faber, pitcher for the Giants, got himself into a hole, having three men on the bases and only one man out. Steadying himself, the Giant twirler retired the White Sox without permitting a man to cross the plate. His majesty's face was wreathed in smiles over the good work of Faber, and he applauded him as wildly as did the American fans.

So well did the king understand the game that it was seldom he had to request Mr. Page to explain any of the numerous quickly executed, intricate plays. As an instance of his keen perception, King George led the applause at one stage of the contest, when, with three men on the bases and only one man out, the Sox were retired on a clever double play.

As for the average Britisher, however, as much cannot be said. Before two innings had been played many of them confessed themselves mystified. The remainder of the game they sat as tho in a daze.

It was field day for the baseball-hungry American resident in London, and they cheered and rooted in the manner customary at games played in the U. S. In the lulls of their exuberance they tried to explain the fine points of the game to their British neighbors, but their efforts were without much success.

All in all the game was a splendid one, despite one soggy field. There were frequent good hits made and much fine base running. In addition to Daly, whose home run won the game for the White Sox, Crawford of the Chicagos and Lobert of the Giants drove the ball into the stands for the circuit.

Tonight the American actors now playing in London entertained the baseball men at a supper, which was followed by a variety show.

Wonderful Curling By Frank Cassidy

Winnipeg Free Press: Frank Cassidy of the Thistle Club, Winnipeg, equalled Bob Dunbar's world record of 52 in points play at curling yesterday, when he made an equal count in the closing round of the Winnipeg bonspiel. "Casey" was in rare form and should have beaten the record made several years ago. Cassidy has always been a strong point player and many critics have compared him with Dunbar as being the only curler who was the equal of the redoubtable Bob. In 1910, the year he made a clean-up of the bonspiel, Cassidy won points with 48, and last year also carried off the points prize with 40, which was a good count on bad ice. He repeated again this year with the wonderful score of 52. The score was made on the Assiniboine ice and Icemaker Harry Sullivan is naturally highly elated over the achievement made on his ice. Wilford Lemon of the Union Terminals was second with 46, and J. Congalton third with 45.

FEAR THE FEDERALS SYNDICATES THRU

Taft Could Not Guarantee Anything—Chance Joins the Yankees—Gossip.

CHICAGO, Feb. 26.—Fear of the Federal League's raids on ball players and doubt as to the stability of the reserve rule and of the players' contract itself have combined with the question of ground lease to drive from the field the Chicagoans who wanted to purchase control of the Cubs.

The Behan syndicate, whose offer of $750,000 for Charles P. Taft's controlling interest, was accompanied by conditions he would not accept, withdrew today. The others, while not formally out of the market, gathered from the refusal of the Behan bid that Mr. Taft was not prepared to guarantee the dissolution of the Federals or alliance with them, nor grant the desired long lease on the Cub field, of which he is said to be principal owner.

Cincinnati reports said today that Mr. Taft had received a score of enquiries concerning the price of his stock and asking whether it was for sale. No new offers have been made public here.

De Palma Repeats in Vanderbilt Cup Race

SANTA MONICA, Cal., Feb. 26.—Ralph Depalma, who won the Vanderbilt cup race in Milwaukee in 1912, duplicated that performance by winning the Vanderbilt cup race of 1914 over the Santa Monica course today. He beat Barney Oldfield by a narrow margin after a desperate speed battle over more than 100 miles, during which but a few seconds separated the two drivers.

Depalma's time was 3.53.41 for the 294.035 miles, or an average speed of 75.6 miles an hour, nearly three miles less than the course record.

Oldfield was second, Carlson third and Cooper fourth.

CHANCE OFF TO SOUTH.

LOS ANGELES, Feb. 26.—Frank Chance will leave tomorrow for Houston, Tex., to join the squad of New York Americans and begin the 1914 spring training season. This will be Chance's second season as manager of the New York Americans, and he said he hoped to hoist them out of the lowly position in which the team finished last season.

"I have spent the winter out of doors," Chance said, "and I feel fine."

WITH THE ICEBOATERS.

Hugh Thom and Sol Monk, owners respectively of the iceboats Marion and Condor, will race them in the second of the series of races on Saturday afternoon on Ashbridge's Bay. Ed. Shea of the Dons will referee, and the contest promises to be a keen one.

Major Leagues Get Cream Of Minors' Pitching Talent

A perusal of the list of leading pitchers of 1913 will show that the major leaguers copped the cream of minor league twirling talent. It will also show that the big league clubs make more of an effort to strengthen their pitching staffs than they do any other department of the game. Of the 20 champion minor league heavers, 15 will report to major league clubs next spring. Of a like number of champion minor league batsmen only three will go to the big show.

The pitching records for the past season prove that Walter Johnson, the Washington star, is king of the mound men. The nearest approach to his wonderful work of winning 36 out of 43 games pitched is the record made by Pitcher Hooper of the New Haven Eastern Association team. Hooper, who has been purchased by the St. Louis Cardinals, won 31 games and lost 8.

The pitching leaders, with the number of games won and lost, and the team to which they are to report in 1914 follows:
