SURPRISES FOR BIG U.S. COLLEGE TEAMS

Dartmouth Defeats Princeton, While Yale is Held to a Tie.

PITTSBURG ALSO WINS

Carlisle Indians Play Even Game With University of Pennsylvania.

At Princeton, N.J.—Dartmouth fulfilled expectations Saturday afternoon when it won a 6 to 0 game from Princeton in a contest which was devoid of real football by reason of the field being a veritable lake of mud and water. Fumbling and complete failure to handle the ball, even on clean passes, was the most prominent feature of the game. The lone score of the game came after the Tiger goal had been threatened once. Llewellyn, who had replaced Ghee for Dartmouth, noticed the closely drawn defence of the Tigers and he called for a delayed pass formation and took the ball himself around Princeton's right end without any interference whatsoever, and went over for a touchdown.

At New Haven, Conn.—With Yale field a quagmire and a pelting rain falling during the entire game, Washington and Jefferson held Yale to a 0 to 0 tie. Playing conditions could scarcely have been worse, and both teams played far below par in consequence. It was the second time this season that Yale has played a scoreless tie, University of Minnesota doing the trick earlier in the season.

At Ithaca, N.Y.—Outplayed thruout the first half, with the score 7 to 0 against it, the University of Pittsburg football team turned the tables on Cornell with a vengeance in the latter part of the game, winning by a score of 20 to 7. The field was muddy and all of the Pennsylvanian touchdowns were made on fluke. In the second period by a series of like smashes Cornell brought the ball to Pittsburg's one-yard line, where Barrett carried it over. Cornell had the ball on Pittsburg's 30-yard line in the third, but was unable to score.

At Philadelphia.—Marshall, the fleet quarterback of the University of Pennsylvania eleven, saved the red and blue from a defeat at the hands of the Carlisle Indians on Franklin Field, when he ran 30 yards for a touchdown, after receiving the kick-off in the third quarter, and then kicked the goal. The redskins had scored seven points in the second period, and thus the contest resulted in a 7 to 7 tie. The Indians showed superiority thruout the contest.

At Cambridge, Mass.—Pennsylvania State College's first invasion of the Crimson gridiron in many years proved unsuccessful, Harvard winning with comparative ease, 29 to 0. The Crimson team, playing a versatile offensive game and standing up strong on the defence, scored four touchdowns and a field goal, and captured the ball on downs on the 5-yard line. Mahan made one score by a 50-yard run around right end. Brickley carried the ball from the 35-yard line for another touchdown by a dash thru a big hole in the centre on a fake kick formation. His field goal was from the 35-yard line.

At Chicago.—Pete Russell, maroon quarterback, wrecked Perdue's hopes for the conference championship and earned a place among the University of Chicago immortals. His two drop kicks scored the only points in a hard fought game, which the Maroons won 6 to 0.

At Madison, Wis.—The University of Wisconsin met her first defeat in two years at the hands of Michigan Agricultural College, 12 to 7. Both teams played an aggressive game thruout.

ST. ANDREWS OPEN WITH WIN AT U. C. C.

Outclassed in every department of the game except running, Upper Canada College were defeated Saturday morning by St. Andrew's College on the Upper Canada campus by 16 to 11 in a Little Big fixture.

The game was one of the best played between the two teams for several years and altho the blue were outclassed the outcome of the game was uncertain almost till the end, principally on account of the electric work of Tennant and Heintzman for the losers, who repeatedly broke thru the strong St. Andrew's line for big gains.

Wright, altho his fumble on his own one-yard line in the second quarter was responsible for the blue's only touchdown, was easily the star of the game. A strong wind blew down the field and forced a punting duel between Raymond of Upper Canada and Wright of St. Andrews with odds slightly in favor of the Rosedale man.

The score at the end of the first quarter was 8 to 1 in favor of the red, but Raymond's fine kicking and Wright's fumble allowed the boys from over the hill to tie up the score at half time, nine all.

Upper Canada could do very little in the third quarter against the magnificent kicking and running of Wright, who kicked a field goal as well as forcing two rouges. Upper Canada obtained two more rouges during the quarter.

Upper Canada tried in the last quarter, and altho kicking with the wind could not make gains against the red line plunging and the running back of the Rosedale half.

The line-up:

St. Andrews: Flying wing, Davis; right half, Parker; centre half, Wright; left half, Cantley; quarter, Scott; centre scrimmage, Willoughby; right scrimmage, McRae; left scrimmage, Stonehouse; right inside, McLennan; left inside, Scott; right middle, Trow; left middle, Wallace; right outside, Cassells; left outside, Wilson.

Upper Canada College: Flying wing, Turner; right half, Tisdale; centre half, Raymond; left half, Tennant; quarter, Heintzman; centre scrimmage, Walker; right scrimmage, Donovan; left scrimmage, Phillips; right inside, Peterson; left inside, Jones; right middle, Daverin; left middle, Heinskin; right outside, Dean; left outside, Pepler.

PRINCETON'S CREW WINS FROM YALE.

PRINCETON, N.J., Oct. 25.—Princeton's eight-oared crew defeated Yale this afternoon over a one and five-eighths mile course on Lake Carnegie by a scant two lengths. The time for the Princeton boat was 9 minutes 39 1-5 seconds, Yale 9 minutes, 46 2-5 seconds.

The Tigers took the lead at the start by rowing a 40-stroke. Yale was doing the same. Princeton showed a very finished stroke and never broke it a bit. At the quarter mile mark Princeton was slightly in the lead, rowing at 36 strokes to the minute. Yale following a quarter of a length behind at a 34-stroke clip. Yale's boat was shipping water at the time and was not free from it all during the race.

At the half-mile Princeton led by one length and at the three-quarter mile mark, one and a half lengths of open water was between their boat and that of Yale. At the mile Yale spurted slightly, jumped its stroke to 32, while the Tigers were leading by one and one-half lengths, rowing at 34. At the mile and a quarter mark Princeton led by only one length and jumped her stroke to 36, while Yale's boat was splashing along at 32, both finished on a 36 stroke.

WEIGHT TELLS ON BRINGHURST

Favorite Runs Third Behind Ralph and Hodge at Latonia.

LATONIA, Ky., Oct. 25.—With the return of fine autumn weather, tremendous crowds turned out to witness the run-off of a fine program here today. The track was still in a very bad shape, however.

The feature of the card was the Fort Thomas Handicap, for two-year-olds, at six furlongs, and it brought together some of the best youngsters in the west. Ralph, a well-played second choice, was returned the winner. Bringhurst was installed favorite in spite of the fact that he was asked to shoulder 123 pounds, and in the heavy, sticky mud, he performed well for five furlongs. Then the weight and track conditions began to tell, and he was being eased up when beaten. Hodge came fast at the finish and had no trouble in taking the place from the fast-tiring Bringhurst.

TORONTO HUNT'S SPLENDID RUN

About Fifty Members Met on Saturday at Lansing.

BEST GOING OF SEASON

Aemilius Jarvis is Congratulated on Bringing Cup Back From Ottawa

About fifty members of the Toronto Hunt Club met at Lansing on Saturday and enjoyed an excellent afternoon's run. The recent rains made the going the best this season, while the hounds were in fine fettle and set a rattling pace running northwest from Lansing and finally finishing on John Armstrong's farm.

Mr. Aemilius Jarvis was receiving congratulations on all sides upon his recent success at Ottawa, when he succeeded in bringing the Governor General's Cup back to Toronto.

Good old Bilberry, who performed so well in winning the above race, was in fine looking in the pink of condition. This horse has recently changed hands and is now in the Jarvis stable, tho Frank Proctor rode him on Saturday.

Amongst those present were: The Master on Eagle Plume, Miss Mollie Maclean on Erin Dear, Aemilius Jarvis on Lord Grey, Colonel Chadwick on Cardinal, Ewart Osborne on Melody, Gerrard Muntz on the old reliable Viking, which he has recently purchased, A. E. Dyment on Maud Millar, Frank Proctor on Bilberry, Harry Phelan on Half-a-Day, Lyall Scott on High Peak, W. Christie on Birthmark, G. Taylor on Heathcote, R. J. Lovell on Wiseacre, J. Moss on Woodbine, Harry Hees and L. Plummer each on their good-looking racers, "Mike" Mitchell on Bonnie Clapper, Gordon Wills on Sir Peter, R. Montgomery on Derry, Geo. Loughridge on Good Taste, Hume Blake, Jr., on Gamecock, J. H. McKnight on Hydre, Clifford Sifton on Emma Lopper, J. Sifton in Last Post, Col. Sanford Smith on Coquette, Allan Case on a good-looking bay mare, Geo. Elliott on a young chestnut.

Ralph Scheibe, who got such a nasty fall at the point to point races, motored out to see the start. He received a royal welcome and congratulations from everybody.

JUDGES CHOSEN FOR FUNNY RACE

Half-Mile Mule Contest Takes Place at Hillcrest Tomorrow.

The judges and starter for the half-mile match race between the donkey owned by William Cross, 77 West King street, and the one used in the production of the "Girls Fro mthe Follies" company at the Star Theatre, which takes place tomorrow morning at 11 o'clock, at the Hillcrest racetrack, were decided upon this morning.

Miss Texas Mulhall, who will ride the "show" mule, insists in not using a saddle, so her wish was granted. She is so confident in her mount that besides money she has saved, asked Manager Strouse's permission to draw four weeks' salary in advance to wager on the results. The members of the company are taking all bets offered at even money. Should they perchance lose, many of the lobster palaces will miss their smiling countenances for some days, as they are going in for a killing.

Judging from the interest created in the race, and as no admission will be charged, hundreds of people will no doubt wend their way to the track. The race will start promptly at 11, to give the members of the show time for lunch and get to the theatre for the matinee. They will leave the stage entrance in taxis and are looking forward to a merry time.

GUELPH O.A.C. WALLOP ERSKINES

Hamilton Quarterback Has Collar-Bone Broken in Game at Guelph.

GUELPH, Oct. 25.—A 12-to-1 trouncing and a broken collar-bone to Farmer, their head quarter-back, received in a tackle by the legs in the last few minutes of play is what the Erskine Zion Church, Hamilton, received from the O. A. C. firsts in a somewhat ragged Rugby game at Exhibition Park this afternoon. The weather was almost ideal Rugby weather. The Hamilton boys kicked off with a strong wind blowing in their favor. The first quarter closed over some pretty hard fighting, the Erskines pressing hard, and the Aggies just holding their goal. In the second quarter the O. A. C. lads began to show their mettle, brilliant runs and beautiful punting being features. The collegians secured a rouge off Herder's kick from the twenty-yard line, and shortly after Ayllson, dodging prettily, made a touchdown, which Herder failed to convert. Off a beautiful kick by Madden in the second half, which Herder could not convert, Hare, for the O.A.C., made another touch, the angle being different. In the last minute of play Lang kicked in a point for the Erskines, the score:

Erskines, Zion (1)—Flying wing, T. Henderson; halves, B. Lang, F. Smith, H. Laidman; quarter, T. Farmer; outside wings, R. Morris, W. Lowry; middle wings, P. Smyre, P. Sullivan; inside wings, J. Coombs, H. Cox; scrimmage, J. Moore, F. Prelup, O. Gray; spares, M. L. Lavery, E. Lavery, J. Jolly, R. Boswell.

O.A.C. (12)—Full-back, Huckett; backs, Herder, Simpson, Madden; quarter, Pawley; scrimmage, B. Neelands, Delahay, Tryine; outside wings, Hare, Bowman, Wilson, Sibbit, Morse, Langley; spares, Wilton, Donald, Agar, Corncross.

E. RAY BREAKS RECORDS ON SAN FRANCISCO LINKS.

SAN FRANCISCO, Oct. 25.—Playing with good judgment and control and missing nothing on the green, Edward Ray broke all records for the course today at the San Francisco Golf and Country Club's links, making the 36 holes in 139 strokes. Harry Vardon was second with a score of 143. John Black of Claremont and George Smith of Delmonte, the foremost professional exponents of the game on this coast were their opponents.

PARKDALE PLAY SUPERIOR RUGBY

And Win Sensationally in Last Five Minutes, After Torontos Tied Score.

You have heard the ancient story time and again about Mighty Casey who stepped up to the pan in the last of the ninth innings. There were two out and three on bases. Casey's team needed one run. The grandstand and bleachers were in a nervous frenzy; Mudville had gone wild. The Mighty Casey spat on his hands, knocked the dirt out of his cleats and posed before the pitcher. Three terrific swings and he struck out.

This reminds one somewhat of what Toronto nearly did at Rosedale on Saturday afternoon in a little football party, to which Parkdales were invited. Five minutes before the gong Torontos, who had been trailing away behind up to this time, scored a touchdown, tying up the game. And then Flett came along and converted it, putting them one point in the lead. Mudville was a Quaker picnic in comparison with the followers of the T.R. & A.A. But with only five minutes to play and with the odds against them, Hugh Gall and his faithful cohorts opened their eyes, rolled over, stretched themselves and then went after the leaders like terriers and just literally chased them all over the green and then under the grandstand. The game ended, Parkdale 28, Toronto 17. There have been all kinds of finishes to Rugby games, hair-raising, spectacular and exciting, but that one at Rosedale demands a stronger adjective. It was a fast tussle from the first minute with a thrilling climax something like a train wreck in the last act of a melodrama. Torontos were riding in the baggage car.

The League is Tied.

Parkdale's performance was a surprise to Rugby followers. The wise ones said that when Toronto defeated them in the opening encounter they had the break of luck. Judging by the play on Saturday this might have been the case. Parkdale played much superior Rugby and succeeded in shaking up the Senior O.R.F.U. As Hamilton's Rowing Club does not run a chance at winning anything, the next game between the local rivals will decide the championship, and which team will enter the semi-finals or finals for the Dominion championship.

For three-quarters of the game Parkdale had the edge on Torontos. They were stronger on the line, had a better balanced back-division with Gall, Zimmerman and Bickle, and the wings were faster and deadlier tacklers. All in all, they worked better together than Torontos. Probably the absence of Slitter weakened Toronto's cover considerably. At all events they were never sure of themselves. They were ragged and it was some time before they settled down. They seemed helpless for awhile, as the wings were not coached properly in their signals. They also fumbled badly and at times when mistakes were rather costly.

Brilliant Playing.

The feature of the game was the open playing. The fans were not bored with so much huckling as characterized most tussles. There was all kinds of pepper displayed by both sides, and the running and kicking were superb. Hugh Gall was the half-back of olden days, and Zimmerman was a super-enough whirlwind in carrying the ball and kicking in pinches, completely baffling the opposing wings. Bickle was not so spectacular, but he was always steady and fast. Hal Dewitt again showed his ability as a punter, always sure and placing the ball far and taking chances in waiting for the wings to cover up. It was a misfortune for Torontos when he tore a ligament in his ankle at half time and was carried off the field. He was replaced by Beeton, a little boy with speed to burn. Beeton did good catching and impressed the spectators. Vivian, the Englishman, who has cultivated a line for Canadian Rugby, held down left half fairly well, tho always forgetting himself, but was not always steady. Flett at times blew up, but he was usually very effective.

It cannot be said that Parkdale had a better team as a matter of fact if the score had been reversed there would have been little or no surprise. Luck is a great factor in Rugby, and except for the first quarter, Parkdale probably had the break. In the last five minutes Parkdale showed better reserve strength, while the Torontos were almost exhausted. As said before it was brilliant betimes, and it was also loose on both sides, but more so on the part of the losers. On account of the open playing and the exciting finish pulled off by Gall, DeGruchy, Zimmerman, Bickle, Vivian and others it was a real treat to the fans. Both teams were about evenly matched on the line, yards being gained by bucks on both sides repeatedly.

Parkdale Pile Up Lead.

The first quarter was close playing, with Parkdale getting three points to Torontos' one. It was largely a kicking duel between Gall and Dewitt.

On the opening of the second quarter Parkdale got a touchdown owing to a fumble by Flett behind the goal line, Layfield scoring the try. For the rest of the session the play was usually around midfield. The quarter ended none to one for Parkdale.

Shortly after the third quarter opened Beeton caught a long punt from Gall on his 30-yard line and ran back about ten yards, and while trying to dodge Miller the ball was knocked out of his hands. Miller then dribbled it into a touchdown, making the score 14 to 1. But Torontos then worked the play into Parkdale's territory where Flett picked over the goal line, Zimmerman making his first jungle of the day, costing his team a touchdown. Moore fulling on the loose ball. This score injected new life into Toronto and they began to put up a real argument. But very little more scoring was done this quarter, which ended Parkdale 15, Toronto 8.

The Exciting Finish.

Flett started the fireworks in the last lap when he kicked a safety touch. But Gall was here kicking superbly, and the line was tearing holes in the Toronto bulwark, gaining yards by bucking three times in succession. Gall kicked into another rouge. And then Torontos evened the score and forged one ahead, when Flett kicked over Gall's head, the ball dribbling toward the goal line. The speedy Heffernan was following up Birnie, who was trying to recover the pigskin. Birnie tried to kick it to the dead line, but his aim was bad, and Heffernan fell on it for five points, which Flett converted for another point. To say that the fans stood on their toes and yelled wildly is needless. It now looked much like Torontos' game. But here was where Parkdale showed their class, not allowing Torontos another point, and always forcing the play. Gall kicked for three singles and Zimmerman, after making a nifty run, boosted to the dead line. When Bickle came along with a 30-yard sprint for another touchdown the game was on ice for keeps. Torontos tried hard to win in the last minutes when they had the one point lead, but they were not steady in an emergency. They seemingly couldn't stand success.
