Woman's World...

Devoted Specially to the Interests of our Women Readers.

Conducted by Katherine Leslie.

At the second annual meeting of 'The Creche," or day nursery, which took place on Saturday afternoon in the Y.W.C.G. Hall, there was a large attendance of prominent women, clergymen and medical men. In the unavoidable absence of Dr. Hoskin, Provost Welch of Trinity University took the chair. Letters of regret were read from His Worship the Mayor, Dr. Pearson of Holy Trinity and others. The annual report of the president, Mrs. Moss, was then presented, and read by Rev. Dyson Hague, and showed a gratifying success attending the work. The number of children cared for during the past year has increased, this year's number being 4.60, as compared with 3168 the previous year.

* * *

The funds received from all sources were much larger, thus enabling the Board to make better provision for the convenience and comfort of the children. The charity is attracting more public notice and interest, and Mrs. Moss believed that this would result in larger support in financial and other respects. The health of the children has been invariably good. The report also showed that the city contributes $100 annually to The Creche. The city, the medical staff, the matron, Mrs. Mayburry, and all who contributed in any way to help this most deserving charity, were cordially thanked, and an appeal for a more generous support from the public was made.

* * *

The treasurer's report was presented, and read by Rev. Mr. Ashcroft. It showed as follows: Receipts $997.78, disbursements $937.02, outstanding liabilities $32.50, fees collected $331.50. The cost of each child per day is 19 cents, as compared with 21 cents of the previous year. Of this one-third is paid by the mother and the rest by the public.

* * *

It was moved by Dr. Rudolf and seconded by Mrs. Moss, that "the work undertaken and the object aimed at by 'The Creche' are well worthy the sympathy and support of the public." Carried unanimously.

* * *

Interesting and forcible addresses were made by Rev. Dyson Hague, who, in the course of his remarks, paid a glowing tribute to the noble work done so quietly and freely among the poor of the city by Toronto's medical men, and by Provost Welch, who made a strong plea for further support of the work of The Creche. He said that they had wished to establish creches in other sections of the city, and to establish a kindergarten in connection with the present Creche. Rev. Mr. Ashcroft also made a most effective speech, in which he showed how these children of working women are kept from pernicious surroundings and safe from evil influences within the sheltering walls of The Creche.

* * *

Among those present were Mrs Moss, Mrs Boultbee, Mrs Willison, Miss Wright, Mrs Ackland, Mrs Grant Macdonald, Miss Macdonald, the lady principal of St. Hilda's, Dr A A Small, Dr Rudolf, Rev Mr Ashcroft, Provost Welch, Rev Dyson Hague, with very many others. A social hour over tea and light refreshments was pleasantly spent a tthe close of the meeting.

* * *

The results of the elections of the Ladies' Fencing Club of Toronto University are as follows: Honorary president, Mrs James Mavor; president, Miss Baird; vice-president, Miss Gundy; secretary-treasurer Miss J Dickson; curator, Miss Lamb; graduate councillor, Miss Jessie Johnston.

* * *

The new officers of the Ladies' Tennis Club of Toronto University are: Honorary president, Mrs Fletcher; president, Miss M G Mason; vice-president, Miss Waite; secretary-treasurer, Miss Crane; 4th year councillor, Miss Lang; 2nd year councillor, Miss Marshall; curator, Miss L Mason; graduate councillor, Miss J Johnston.

* * *

The last number of Sesame, the annual magazine published by the Varsity girls, was a very great success financially.

* * *

At the last meeting of the Ladies' Auxiliary of the Wentworth Historical Society, which met at the residence of Mrs. Calder in Hamilton, it was decided to order a bust of General Wolfe from the well-known Toronto sculptor, Hamilton MacCarthy. This society proposes to hold very shortly a unique historical entertainment, and has appointed a committee composed of Mrs. Alfred Morgan, Mrs. Charles Lemon and Mrs. L. D. Birely to look after the same.

A delightful piano and song recital, given by Miss Helmer and Miss Rogers, was enjoyed on Saturday afternoon by a large and critical audience in the Nordheimer Recital Hall. Miss Helmer, who is a pupil of Mr. W. O. Forsyth, displayed in her playing an admirable technique, and her intelligent rendition of the various numbers showed a gift for interpretation that promises well for her future as a pianist. Miss Bertha Rogers, who is a student under the tuition of Miss Amy Robsart Jaffray, is the possessor of a contralto voice of fine quality, which showed to great advantage, especially in the Nevin and Bizet numbers. The following program was presented:

Bach. ... ...Cromatic Fantaisie
Rachmaninhoff ....Prelude
Miss Nordheimer.
Gray... ... .Dream of Paradise
Miss Rogers.
Schumann Carnival (selection from) (a) Valse Noble, (b) Chopin, (c) Reconaissance, (d) Valse Allemande, (e) Aveu Paganini, (f) Promenade.
Miss Helmer.
Nevin (a) "Oh! That We Two Were Maying."
Bizet (b) ....Habanera (Carmen)
Miss Rogers.
Chopin . ...Nocturne in F.
Schumann ... ...Prophetic Bird
Jadassohn ... .Allegro Appassionati (op. 57)
Miss Helmer.
D'Hardelot ... ...(a) Mignon
Tosti ... ...(b) Serenata
Chisholm ... .(c) Slumber Sea (Lullaby)
Miss Rogers.

The lady principal of St. Margaret's College and the resident young ladies entertained a number of young people in a very pleasant way on Friday evening. The entertainment took the form of tableaux vivants of the famous Gibson girl pictures, which were really beautiful in every detail. Some of the young ladies who posed very successfully were: Miss Mackie, Miss Rose Macdonald, Miss Lottie Murdoch, Miss Georgie Bowes, Miss Olive Logan, Miss Louise Stout, Miss Grace Mason, Miss Margaret Bell, Miss Edna Zimmerman, Miss Edna Jackson and Miss Neelands. Miss Eunice Stout contributed a piano solo, ...ss Leonore Macgillivray sang very prettily "The Little Silver Ring," and violin solo by Miss Margaret Beattie was much enjoyed. Afeature of the evening was a beautiful solo, "The Rosary," by Miss Margaret Huston, who is on the teaching staff of the college. A little dance and dainty refreshments closed an evening altogether delightful to the young people.

The Press Committee in connection with the Woman's Portrait Exhibition meet this morning in the Temple Building at 10 a.m.

It now turns out—and it is refreshing to note it—that the noble nurse who saved her patient, Miss Frances Leland, during the Windsor Hotel fire, by carrying her unconscious charge down the escape ladders in the face of flames belching from the windows, is a Canadian. Miss Troop, who displayed such remarkable heroism, is a daughter of the late Hon. Jared C. Troop, ex-Speaker of the Nova Scotia Assembly. She is a native of Bridgetown, N..S, and graduated as a nurse in 1898.

Too much credit cannot be given to the secretary of the Woman's Art Association, Miss Emily Denison, for the way in which she has contributed to the successful arrangements for the Women's Portrait Exhibition. For two months she has devoted her entire time to the carrying out of the enterprise. In all the official correspondence, in tabulating and arranging, and in the numerous details in connection with such an undertaking she has shown great ability as well as organized and systematic grasp of the whole matter. She has given assiduous as well as arduous attention to the work pertaining to her office.

* * *

Miss Denison will be at the Temple Building, room 611, constantly from now on to supply special tickets to artists, exhibitors, members and committees, as well as "private view" tickets. As the number of visitors to the "private view" of first night must be limited, early application should be made for these.

* * *

The last general meeting of the Woman's Art Association in connection with the Portrait Exhibition will be held this morning in the Temple Building, when members, exhibitors, artists, and all taking part in the evenings and in the various committees can procure the member's tickets. At this meeting all communications from the secretary should be answered, all reports from collectors, and all information and entry forms from those loaning pictures should be given in.

BOOST FOR MR. G. H. DANIELS

G. P. A. of the N. Y. C. to be Traffic Manager of All Vanderbilt Lines.

Cleveland, O., March 25.—The statement was circulated among railway men to-day that George H. Daniels, general passenger agent of the New York Central, had been made passenger and traffic manager, with authority over all the Vanderbilt lines. It was said his successor as passenger agent would be C. E. Lambert of the West Shore.

For Europe.

The Atlantic Transport Line, New York and London direct service, has decided to bring itself prominently before the travelling public, and to prove with its fine ships, excellent and well appointed table that it deserves a full share of the patronage of first-class passengers crossing the Atlantic, and with a view of giving the public an opportunity to test their claims they have for a short period placed the first cabin fare at an exceedingly low price. They also, with a desire of protecting those who really travel first-class, from being brought into contact with other than first cabin passengers, reserve the right to discriminate and reject those who would not be properly recommended by the agents to travel in the first-class.

Those desiring to secure passage should apply early, as the booking is unusually large for this season of the year by passengers taking advantage of the low rates. See ad. under steamship advertisement.

Regret at Little Edith's Death.

Anniversary sermons were preached yesterday in Woodgreen Methodist Church by Rev. A. B. Chambers, LL.B., and Rev. Dr. Caven. The pastor voiced the heartfelt sorrow of the congregation concerning the accidental death of Edith McCaffery by snow falling from the roof. He stated that steps would be taken to prevent a recurrence of the danger. The church authorities have offered to pay the funeral expenses.

MONTREAL'S $3,000,000 LOAN

Mr. R. Wilson-Smith Says It Can Be Placed Either in Canada or Great Britain Without Trouble.

Montreal, March 26.—(Special.)—"What is the prospect of placing the new $3,000,000 city loan on this side of the water?" was asked Mr. R. Wilson-Smith, the banker, yesterday. "Under proper conditions," the ex-Mayor replied, "there will be no difficulty in placing it either on this side or in Great Britain, but it must not be handed around; neither must every Tom, Dick and Harry be allowed an opportunity of offering it and endeavoring to secure bids for a portion of it."

COL. McLENNAN, M. P.,

Has Notified the 59th Battalion That He Intends to Resign.

Cornwall, Ont., March 26.—At the annual meeting of the 59th Battalion, held here Saturday, there was a large attendance. Col. R. R. McLennan, M. P., informed the officers that he had decided to send in his resignation and retire from the military service. Much regret was expressed and he was asked to hold on at least until the next camp was over. The Colonel is very popular with both men and officers.

Well-Known Railway Man Dead.

After an illness of four years' duration, John Mullen passed away on Saturday night at his late home, 109 Bond-street. He was one of the oldest employes of the Grand Trunk Railway, having served twenty-five years with the company as section foreman at Oshawa. Four years ago he removed to the city with his family. Mr. Mullen was a worshipper at St. Michael's Cathedral, and was in his 63rd year. Besides a widow, he leaves four daughters and three sons. His children are: Misses Annie, Helen, Martha and May, who are at home; Vincent of St. Joseph's Community, and George and John of Long Island, New York. The funeral will take place to-morrow morning to St. Michael's Cathedral, where high mass will be celebrated by Rev. Father Ryan and Fathers Rohleder and Treacy.

THE famous appliance and remedies of the Erie Medical Co. are now offered on trial without expense to any honest man. Not a dollar to be paid in advance. Cure effects of errors or excesses in old or young Manhood fully restored. How to enlarge and strengthen weak, undeveloped portions of the body. Absolutely unfailing. Home treatment. No C. O. D. or other scheme. A plain offer by a firm of high standing. Sealed information free on application to

ERIE MEDICAL CO., 64 Niagara St., Buffalo, N. Y.

TEXT OF CANADA LIFE BILL

The Scheme For the Representation of Policy Holders As Laid Before Parliament.

SIX TO BE ON DIRECTORATE.

Holders of $5000 Insurance May Vote, and Holders of $10,000 May Serve on the Board.

Ottawa, March 26.—The following is the bill of the Canada Life, providing for the representation of policy-holders on the Board of Directors:

Whereas the Canada Life Assurance Company has, by its petition, represented that it is desirable to give to the holders of policies of insurance issued by the company representation upon the Board of Directors, and has prayed for amendments to the acts incorporating and relating to the company for this and other purposes, and it is expedient to grant the prayer of said petition;

Therefore, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, declares and enacts as follows:

1. In this act the term "policy-holder" shall mean and include any person of the full age of 21 years who is the holder of one or more policies issued by the company, whether on the life of the holder or on that of another or others, and whether for the benefit of the holder or of another or others as beneficiaries.

2. At all meetings at which directors are to be elected, a policy-holder whose policies in force amount to $5000 or upwards, exclusive of bonus additions or profits, upon which the full premiums for two years or more have been paid, shall be entitled to vote for the election of directors in the manner herein provided, but shall not as a policy-holder be entitled otherwise to vote at such meetings.

3. A policy-holder, being a man of the full age of 21 years, whose policies in force amount to $10,000 or upwards, exclusive of bonus additions or profits, and upon which the full premiums for five years or more have been paid, shall be eligible for election by the policy-holders as a director of the company.

4. Section 2 of the Act 42 Victoria, chapter 72, is repealed, and the following substituted therefor:

"The annual general meeting of the stockholders and policy-holders of the company shall be held in the City of Toronto on the last Wednesday of the month of February in each year, and notice thereof shall be given in the first two issues in that month of The Canada Gazette, and also in the first six consecutive issues in that month of a daily newspaper published in the City of Hamilton, and of one published in the City of Toronto, and of one published in the City of Montreal, and such notice shall contain the names of the retiring directors elected by policy-holders, and of any persons proposed for election to the office of director by policy-holders."

5. The present Board of Directors shall hold office only until the annual general meeting, to be held on the last Wednesday of February, 1900, or until their successors are appointed, and at such meeting nine directors shall be elected by the stockholders and six directors by the policyholders.

6. The six directors elected by the policyholders shall divide themselves into three classes of two each. The term of office of the first class shall expire at the last Wednesday of February, 1901; that of the second class at the last Wednesday of February, 1902, and that of the third class at the last Wednesday of February, 1903, and at the annual meeting to be held on the last Wednesday of February, 1901, and annually thereafter two directors shall be chosen by the policyholders, who shall hold their office for three years, or until their successors are elected.

In like manner the nine directors elected by the stockholders at such meeting shall divide themselves into three classes of three each. The term of office of the first shall expire at the last Wednesday of February, 1901; that of the second class at the last Wednesday of February, 1902, and that of the third class at the last Wednesday of February, 1903, and at the annual meeting to be held on the last Wednesday of February, 1901, and annually thereafter three directors shall be chosen by the stockholders, who shall hold their office for three years, or until their successors are elected.

Directors shall be eligible for re-election, if otherwise duly qualified.

7. In order to admit of notice being given to the secretary thirty days before the annual general meeting, to be held on the last Wednesday of February, 1900, of the names of the persons proposed as directors by policyholders, notice of the date of such meeting shall be given by publication thereof in the first two issues in the month of January, 1900, of The Canada Gazette, and also in the first six consecutive issues in that month of a daily newspaper published in the city of Hamilton, and of one published in the city of Toronto, and of one published in the city of Montreal.

Notice of such meeting shall also be given in accordance with the provisions of section 4 hereof.

8. The election of directors by policyholders shall be by the majority of votes of those entitled to vote for their election present at the meeting or represented by proxy, and a policyholder entitled under section 2 hereof to vote shall have one vote.

9. At least 30 days before a meeting at which directors are to be elected, notice in writing must be given to the secretary of the name of any persons other than a retiring director intended to be proposed for election as a director by the policyholders, otherwise such person shall not be eligible for election by policyholders at that meeting.

10. The Board of Directors shall appoint two policyholders to act as scrutineers for policyholders at the meeting to be held as provided in section five of this act, and at such meeting, and at each subsequent meeting at which directors are to be elected, the policyholders present, or represented by proxy, shall appoint two persons to act as scrutineers, at the next following meeting. Any vacancy in the office of scrutineer which occurs between meetings shall be filled by a policyholder to be appointed by the Board of Directors.

11. A policyholder's proxy must be himself a policyholder entitled to vote, and appointed by writing, under the hand of his principal—or if such principal be a corporation, under the corporate seal—and every such appointment must be delivered to the secretary at least twenty days before the meeting at which it is to be acted on and entered in a book to be kept for the purpose. Provided always that such appointments shall not be acted on after the expiry of twelve months from the making thereof.

12. The scrutineers shall before the meeting examine the nominations for policyholders' directors, and shall report thereon to the meeting. They shall also before the meeting examine policyholders' proxies.

13. The election of directors by the policyholders at the meeting shall take place before the election of directors by the stockholders, which election shall take place in the manner provided by the act incorporating the company and amending acts.

14. If the office of any director becomes vacant in any of the cases provided for in the Act 12, Victoria, chapter 168, sections 16 and 17, the remaining directors shall elect a director in his place, and the director so to be elected shall be a shareholder or a policyholder duly qualified for being a director according as the director whose office has become vacant was elected by the shareholders or the policyholders, and the director so elected to fill any such vacancy shall continue in office until the first yearly meeting after such vacancy, and the stockholders or policyholders, as the case may be, shall then elect a new director, who shall hold office for the same period as the director would have done whose death, resignation or disqualification caused the vacancy.

15. The shareholders and the directors elected by them shall have the exclusive control of the question of the proportion of profits (not exceeding ten per cent. thereof) to be allotted to the shareholders, and of the mode of dealing with such proportion and of all other matters relating to the capital stock of the company.

16. At least ten directors shall reside in the city of Toronto or within 100 miles thereof, and a retiring director, if duly qualified, may be re-elected, either by the policyholders or by the shareholders, as the case may be.

17. Section 20 of such act is amended by changing the number of directors required to constitute a meeting from three to four.

18. In addition to the powers of investing moneys of the company heretofore possessed, the directors may invest the funds of the company in first mortgage bonds of or in bonds guaranteed by railways and other corporations in Great Britain or the United States of America. In making any such investments or in making investments in mortgages on real estate in Great Britain or the United States of America, the company shall not be restricted to the amount of reserve upon all outstanding policies in force in these countries respectively.

THEIR 50TH ANNIVERSARY.

Rev. Morgan Wood's Sad News in the Midst of Bond-Street Rejoicing.

Bond-street Congregationalists yesterday celebrated the fiftieth anniversary of the establishment of their church. Rev. Prof. Taylor of Chicago conducted the services. Every real church, he said, was at all times ready to lose itself in building up the community. The real sacrament was service, and it was what was shared, not what was given, that accomplished the greatest good.

Civic Betterment.

In the afternoon he spoke of "Christian Force in Civic Betterment." After sketching the cosmopolitan character of the populace in all great cities and colossal failure of city government, he enumerated some of the existing evils and the causes which produced them. There was the congested district, which electric railways tended to aggravate rather than relieve, and, to the shame of all religious denominations, there was the withdrawal of churches from the districts where their influence was most needed to the suburbs, where they were better supported. The duty of the church was to hold up the ideal of civic, social and industrial relationship in life.

The Divine In Man.

In the evening Prof. Taylor dealt with the divine being as it was seen in the human. All that was divine, he said, was revealed in the glimpses of God seen in man, and the man who despised the image of another man despised the image of God. God was not high in the heavens, but close down to the earth, and the closer we got in touch with our fellow-men the nearer we got to God. He closed with a strong plea for all to live in such a way that others might derive the most benefit from their lives.

Rev. Morgan Wood's Sister Dead.

In the midst of celebrating the anniversary, the pastor, Rev. Morgan Wood, received a message stating that his only sister, who lived in Pittsburg, Pa., was dead. Mr. Wood received word during the early part of the day that his sister was seriously ill and decided to go to her bedside, but before he was able to leave Toronto the first message was followed by the news of her death. He left during the afternoon for Pittsburg.

ONE FOR THE C. P. R.

The Empress of China Honored by German Royalty.

Just before the sailing of the Canadian Pacific's magnificent steamship Empress of China, from Hong Kong on her last eastbound trip, it was visited by Their Royal Highnesses Prince and Princess Henry of Prussia, who were shown through the vessel and thoroughly inspected it. The greatest interest was manifested in the workings of the Empress, the Prince, being an admiral, going into tunnels and other out-of-the-way places that the ordinary visitor does not think of exploring. After a thorough inspection Prince Henry conveyed to Captain Archibald and Mr. Tillett, the marine superintendent, his feelings of gratification at what he had seen, and stated that the Empress far exceeded, both inside and out, any ship in the merchant marine service he had ever visited. The royal pair were handsomely entertained by the officers, and on their departure expressed the great pleasure their visit had given them.

Prince Henry is a brother of the Emperor William of Germany, and is in command of the German squadron in Chinese waters, and both are grandchildren of Her Majesty Queen Victoria.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. Those persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellog's Dysentery Cordial, a medicine that will give immediate relief and is a sure cure for the worst cases. ed

Short Time via Crow's Nest.

Kaslo, B.C., Prospector: C. J. Kapps received here yesterday a car of ale and beer from Toronto over the Canadian Pacific Railway via the Crow's Nest Pass Railway, in the remarkably fast time of 13 days.

The Ostermoor Bedding Co., Bedding Specialties.

The "Waldorf" Spring Bed

That the "Waldorf" spring bed should be found in all of the 150 bedrooms of the Chateau Frontenac Hotel at Quebec, as well as the other famous hotels of the Canadian Pacific at Montreal, Banff and Vancouver, is good evidence that there is nothing better going.

The Canadian Pacific are satisfied only with the best. What's good enough for them is none too good for you.

—Single size "Waldorf" spring bed, $13.50
—Double size "Waldorf" spring bed, $15.00

DEAD ARE NOW TWENTY-SIX

Mrs. Simmons Died From Injuries at Bellevue Hospital on Saturday Night.

TWO MORE BODIES WERE FOUND.

Mr. Leland of the Ill-Fated Windsor Makes a Public Statement Regarding Stories Abroad.

New York, March 25.—Mrs. Martha K. Simmons, 50 years old, of Frederick, Md., one of the victims of the Windsor Hotel fire, died at Bellevue Hospital to-night. This brings the total of dead up to 26.

Two Bodies on Saturday.

Another body, the second of the day, was found at 9.15 o'clock to-night under some steampipes in the archway of the first party wall of the basement, 20 feet north of 46th-street. The body was wholly unrecognizable. Only the trunk, ribs and some pieces of flesh clinging to the bones remained. The body was lying wedged under some twisted steampipes and great difficulty was experienced in getting it free. It was sent to the Morgue.

Work on the Ruins.

Work on the Windsor Hotel ruins proceeded somewhat more rapidly to-day. The letter of President Murpny of the Health Board to the contractor the day previous seemed to have awakened him to the necessity of rapid work and a larger force of men was put on to-day.

Mr. Leland's Statement.

Warren F. Leland, proprietor of the Windsor, said to-day: "I wish it understood that the unidentified dead taken from the ruins of the hotel will not be buried in the Potters' Field. Just where they will be buried I cannot say yet. I received a letter to-day from Charles Vanderbilt offering a plot in the Sleepy Hollow Cemetery for the burial of the victims, and another from Stephen Morrit offering a plot in Green Lawn Cemetery, Long Island. This goes to show that the public would not permit any sacrilege even if I would.

Not Followed by Fire.

"One error I wish to correct, and that is the statement that I have been followed by fire. The impression seems to prevail that several hotels have been burned under my management. That is not true. The Windsor was the first hotel that was ever burned under my management. I was not proprietor or manager of the hotels at Newport or Albany when they burned. I also wish to state that absolutely every precaution that man could take had been provided against fire in the Windsor Hotel."

EVERY WALK IN LIFE

Toronto Citizens Appreciate "The Little Conqueror."

Every class of citizens has sick kidneys. The busy business man rushing through life on the run fails to realize the constant strain he daily puts upon the kidneys. The mechanic forced to assume unnatural positions, stooping and straining at his work, does not know that his backache is simply kidneyache. The clerk on his feet, continually leaning over a counter or desk; railroaders, conductors, engineers, street car men, subject to constant jarring, all have backache from the kidneys. Women at their household duties, boys and girls at play, overtax the kidneys and give them more work than they can do. 'Tis a fortunate thing the kidneys warn you when in trouble; that they cry out for help. Don't neglect the warning. Don't neglect a bad back. A lame, weak or aching back, if neglected, means future trouble, kidney trouble, urinary trouble. Doan's Kidney Pills cure every form of kidney ill, cure a bad back, and make sick kidneys well. Doan's Kidney Pills are endorsed by people you know. Read what a Toronto citizen says:

Mr. William Spence, a fine old gentleman who keeps a grocery store at 57 Elizabeth-street, spoke as follows: "I am an old man now, over 70, and have suffered for several years from a disordered state of the kidneys. My rest was broken at night by too frequent rising, and I experienced great pain while making water.

"Having seen Doan's Kidney Pills advertised, I sent to Hooper & Co.'s drug store and got a box. Since taking them I have had no pain while urinating, and can go to bed and enjoy sweet rest during the night. It is with pleasure and satisfaction to myself that I recommend Doan's Kidney Pills to others."

Doan's Kidney Pills are sold by all druggists at 50c a box, or 3 for $1.25. Remember the name, DOAN'S, and refuse all substitutes or imitations.

PARLIAMENTARY NOTICE.

Notice is hereby given that upon Tuesday next, the 28th day of March inst., at 10 a.m., the Corporation of the City of Toronto will apply to the Committee on Municipal Law of the Legislative Assembly of the Province of Ontario for legislation permitting the use of that part of Stanley Park south of King-street, in the city of Toronto, as an addition to the land used at present for the Cattle Market in the said city.

This notice is given by direction of the Honorable the Attorney-General, the chairman of the said committee.

Dated this 24th day of March, 1899.

THOMAS CASWELL, Solicitor for the Corporation of the City of Toronto.

A HAPPY WOMAN

is she who has a skin free from all distressing blemishes; but how few ladies have a perfect complexion. Some have lines and wrinkles, others have pimples, blackheads, freckles, eczema, liver spots, red nose, etc., and numbers have that detestable disfigurement

SUPERFLUOUS HAIR

or ugly MOLES, WARTS, WENS, etc. We have treatments and remedies for the cure or removal of the above or any other trouble or defect of the FACE, HAIR HANDS, FEET or FIGURE.

ABSOLUTELY FREE.

Consultation at our office or by letter. Ladies who live out of town should take advantage of reduced fares at Easter and consult us personally.

We never fail to cure. Send stamp for our book, "Health and Good Looks."

GRAHAM DERMATOLOGICAL INSTITUTE, Tel. 1858. 41 Carlton St., Toronto.

MONEY IN THE COAL TRADE

McKenzie and Mann's Coal From Nova Scotia Will Be Carried to Montreal.

Montreal, March 25.—(Special.)—Montreal is to have another line of coal-carrying steamships. Messrs. McKenzie, Mann, Peter Ryan and others have purchased the extensive coal fields of Inverness County, Nova Scotia. These mines are located at Port Hood, Broad Cove and Chimney Corner, and embrace what is called the largest single coal bearing area in Canada. The plan is to have a fleet of steamers which will carry coal to Montreal, Boston and Prince Edward Island. In this manner it is said that the new company will become a formidable rival of the Dominion Coal Company. This syndicate recently acquired the Inverness and Richmond Railway.

A WORTHY MOVEMENT.

Fund Started For the Support of a Hero's Family.

New York, March 25.—A fund has been started for the support of the family of Warren Guion, the elevator man, who died so bravely at the Windsor Hotel fire. It is intended to raise a fund of $10,000. Guion, although warned that the building might collapse any moment, insisted on "taking one more trip" in an endeavor to save the panic-stricken people on the upper floors. The trip was never finished, as the elevator shaft fell in and Guion was burned to death. He had been employed in the hotel for more than 20 years, and was the sole support of his mother and two sisters.

The annual meeting of the Toronto branch of the Navy League will be held to-night in the Private Bills Committee room, Parliament Buildings. Judge Kingsmill will preside. Addresses will be given on the naval defence of Canada.
