Duggleby Shut Them Out and Bruce Also Pitched a Winning Game for Toronto.

TAYLOR SIGNS WITH MONTREAL.

And Dooley's Birds Suffer With Toronto's Old Malady of a One-Run Defeat.

If yesterday's results are reliable, Manager Barrow has located the hoodoo. It's tough to place the blame on popular Wally Taylor, but compare the scores below with those games Toronto lost by a single run and there is no other conclusion. With Doherty, the new second baseman, working the Islanders captured the double header. Montreal has Abbie Johnson on the injured list, and Dooley quickly picked up Taylor, with the result that Hartford won by the same old single run that has followed Capt. Wally all season.

Doherty, the new second baseman played with Bristol in the Connecticut League last year, batting about .290. He has recently been holding down third base for Springfield, Tom Burns releasing him to make room for Eustace.

Manager Barrow has signed Pitcher Hooker of Buffalo, and is negotiating with infielders Leech of Pittsburg, Bradley of Chicago, Beck of Toledo and Wagner of Kansas City. The record:

	Won.	Lost.	P.C.
Providence	37	19	.661
Rochester	29	24	.547
Worcester	26	23	.531
Springfield	27	25	.519
Montreal	25	25	.500
Hartford	26	26	.500

Games to-day: None Scheduled. Games to-morrow: Toronto at Springfield, Montreal at Hartford, Rochester at Providence, Syracuse at Worcester.

Double-Header for Toronto.

Springfield, June 28.—Toronto's pitchers, Duggleby and Bruce, were both effective today and Springfield lost both games, the first being a shut-out. The local players seemed full of dope and the visitors of ginger. Two embryo fights were stopped in the first game. Score:

At the Granite Club.

The initial garden party and band concert of the Granite Club was held last night, under most favorable circumstances. The evening was perfect, and the attendance large, there being nearly a thousand present. The whole place was tastefully decorated and arranged.

The smaller covered rink was draped with flags, and the galleries hung with Chinese lanterns, while all around the lawn was also lighted with lanterns and electric lights. This, combined with the ladies in their dainty muslin gowns, gave the place a fairylike appearance. Small tete-a-tete tables were scattered around the grounds, on which light refreshments were served. The band of the Q.O.R. rendered a select and enjoyable program from the eastern corner of the lawn, and during the course of the program a violin solo was given by Mr. W. Fox. Later in the evening it was announced that there would be dancing in the rink, and many took advantage of it, while others preferred to waltz on the lawn. The whole affair was one of the most successful of the kind ever given in Toronto, and a great deal of credit is due to those in charge. After this success it is more than likely that the club will give one of these garden parties next month.

THE STROKE OAR COLLAPSED

Harding, Substitute for Capt. Higginson, Stopped When Crews Were Abreast and Yale Won.

HARVARD AHEAD IN TWO RACES.

Ed. Durnan Engaged to Coach Harlem Rowing Club Crews for N. A. A. O. Regatta.

New London, Conn., June 28.—With two races handsomely won to her credit, and with the third, last and most important of all, well in hand, Harvard's hopes were suddenly dashed in the last half mile of the Varsity contest by the collapse of Harding, the stroke oar.

Altogether it was the most exciting event in college boating for many years. From the very start to the three and a half-mile flag it was a hair-raising, heart-breaking contest, now one boat ahead, now the other. Now Harvard was wildly cheering, now Yale was in the air. Never for a moment was there clear water between the boats, many boating experts saying that not once in that distance was there a half length difference between the crimson and the blue. But toward the last Harvard began to creep up inch by inch, her sturdy, bronze men pushed her prow ahead until at the three-mile flag they had a lead, and with the race three-quarters over the crimson shouters looked for victory number three. But they reckoned without Varsity stroke oar, Harding, who came in the emergency and took the place of disabled Captain Higginson. Just after passing the three-mile flag his oar was seen to be doing less work than the other seven. Then he was observed to go thru the motions, but
