PERRY'S HUNGARIAN BALM.

For Restoring, Preserving, Beautifying the Hair.

THIS elegant preparation is specifically prepared for Baldness or Falling off of the Hair, Prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair, causes it to grow luxuriantly; gives it a rich, dark soft and glossy appearance, and prevents its turning gray. The Hungarian Balm is a purely vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all mucilaginous secretions, thereby promoting and preserving the circulation of blood, dandruff and other impurities, which so frequently cause decay and loss of the hair.

The Hungarian Balm is especially adapted for Ladies' use, and those who have tried the various compositions, will no doubt, at once discover the superiority of its properties. It is perfectly free from any thing that could injure the most delicate lady, and is the only preparation which can be recommended as a perfect and safe article for the hair.

Much more might be said in favor of this invaluable Compound, but it is deemed unnecessary as the popularity it has enjoyed during the past will speak for itself. The proprietor feels confident that one bottle will convince the most incredulous of its rare and manifold virtues. The price is

Fifty Cents a Bottle.
