I. S. S. Co.,—The I S S Co, steamer "State of Maine" will make a special trip to Boston direct on Saturday evening next leaving here at 7 o'clock.

THE BOSS "big boy" of Nova Scotia lives at Acadia Mines, and is the son of J. B. Gillis. The lad is only five years old and weighs 185 pounds.

THE ELECTRIC EXHIBITION.—The price of admission to the electric exhibition for the remainder of time it will be open will be 25 cents for adults, and 15 cents for children.

ROSE BOUQUETS.—Mr. John Hammond deserves special mention in connection with the temperance parade, he having furnished free over two hundred roses for buttonhole bouquets, worn by various societies in the parade.

MAY AND DECEMBER.—The crowning event of the season at Hampton, near Bridgewater, N S., was the marriage of an esteemed and elderly colored citizen, Wm. Simms, of 70 years, to Jennie Clements, a dashing brunette of 16.

NOVA SCOTIA PICKX.—McKay & Chisholm's pioneer tannery, at Benic, California, has been burnt. Loss $200,000 Insurance $37,000. Thomas McKay is the son of George McKay of White Hill, Picton. Mr. Chisholm is a native of River John. Nothing daunted they have gone in to rebuild.

EXHIBITION ARRANGEMENTS.—To avoid crowding tickets should be purchased at uptown agencies, the list of which will appear in another column. Tickets will not be sold at the doors of the Exhibition Building. The entrance will be from Sydney street only, and exit through the Barrack Square.

THE COURT HOUSE.—The appearance of the Court House exterior would have been much improved to-day had the windows been all washed. There are a few on Sydney street and a couple on King street, which give occasion for remarks of this kind. There is yet time to have them attended to before the next parade.

VISITING ACCOMODATION.—Persons who have handed in their names to Mr. Distin as being willing to accommodate visitors with rooms would confer a favor, if, when their apartments are engaged, they would give that gentleman prompt notice of such fact at the Y M C A rooms; also as soon as their rooms are again vacant to notify Mr. Distin.

ANOTHER CRIMINAL ASSAULT.—A young child, the daughter of a respectable resident of Willow Park, was abducted from her home early yesterday evening and taken into the woods by a man. A searching party found the child late in the night in the woods, and it had been frightfully abused. The criminal is being searched for.—Halifax Echo.

CARNIVAL PROGRAMME.—The official carnival programme can be obtained, free of charge, on application at the store of A. O. Skinner, King street, and also from any one who has advertised it.

Citizens generally are requested to decorate their houses and also to illuminate their buildings as far as possible throughout the week.

LOW ENTRANCE FEE.—Last evening being the opening night of the Electric exhibition the entrance fee was 50 cents. That everybody in the city, both young and old may have a chance to view the many interesting and beautiful sights, the management has decided to place the price of admission at twenty-five cents for adults and fifteen cents for children for every afternoon and evening while the exhibition lasts.

A SCRAP WITH A BEAR.—Louis Saunders shot a large bear near Hammond's Plains yesterday. When he first caught sight of the animal it made for him. Saunders had just time to raise his gun to his shoulder and fire when the bear was upon him. After considerable dodging Saunders succeeded in downing bruin but not before he had been considerably scratched. He got his bounty money today.—Halifax Mail.

FORGERY IN P. E. I.—A New York boy named Haley, summering at Rollo Bay near Souris, forged a note for $102 the other lay and drew the money from the Merchants Bank of P. E. I. He forged the name of Cyril White, of Rollo Bay, to the note and a letter from Mr. White to Rev. E. Walker to endorse it. It was this letter that subsequently gave the Yankee boy away. The wily Haley was just commencing to spend it when he was caught and made to disgorge.—Summerside Pioneer.

FOR VISITORS.—The Carnival Headquarters, Berryman's Hall will be open from 9 a. m., to 10 p. m., and visitors are requested to make full use of them. Press rooms have been provided at the City Hall uptown, and at the Exhibition Building. Both the Western Union and Canadian Pacific Telegraph companies have offices in the Exhibition Building.

Registers for visitors will be placed upon tables at Reception Committee rooms, Young Men's Christian Association Building, and at Carnival Headquarters. By this means visitors and others will be enabled to find their friends while in town.

DEATH OF AN OLD CHILLIANWALLA HERO.—The Fredericton Capital of last Saturday says:—Sergeant Purcell, a pensioner, who came to this city from Quebec on the establishment of the Infantry School Corps, and who has since resided in the Park Barracks, where he acted as barrack sergeant, was seized by illness on Wednesday night, and died on Thursday morning. The old sergeant was over six feet in height, as straight as a rush, and although about 80 years of age, his step was as springy and his figure as elastic and soldierly, apparently, as when a recruit. There are very few men now in the land of the living who saw and participated in more stirring times and warlike scenes than the old soldier who during the week, answered his last roll call in the barracks off Regent street. He was a type of the incomparable soldier who served and fought under Wellington, Napier, Raglan, Colin Campbell, and Havelock,—a type only produced by the long service system, and which are fast disappearing from the British empire. Among the engagements in which he took an active part was the memorable battle of Chillianwalla, in which Captain Shore, of this city, was killed, Sergeant Purcell, then a private being one of the fatigue party which buried that lamented and gallant officer the day after the battle. The deceased was buried yesterday afternoon, in the Roman Catholic cemetery, with military honors, the Royal School of Infantry furnishing the firing party and band, and all the officers N. C. O., and men off duty attending the funeral.

ENTERTAINED BY THE BOARD OF TRADE.—This morning the Canadian press party left on the Str. David Weston for Fredericton. They return this evening by train. Amongst those from St. John were Mr W H Thorne, President of the Board of Trade, and P A Melville, secretary of the carnival committee.

FOR CARNIVAL WEEK.—Messrs Estey, Allwood & Co., Prince Wm street, have imported a fine lot of ladies and gentlemen's English, tweed and rubber coats and caps, especially selected with regard to the newest styles, for carnival week. Sales have been made already to go to New York, as London styles are cheaper here than in New York.

The County Court.

The July term of the St. John County Court opened this morning at 11 o'clock.

Persistent to Death.

There was an exciting dog fight this forenoon on the wharf back of the officers' barracks. Major Gordon's bull dog, Pinch, tackled a small yellow cur, and held him fast by the neck for nearly half an hour, while the latter unsuccessfully struggled for its freedom. A large crowd gathered, and several attempts were made to separate them. None being successful, one of the crowd threw the dogs over the wharf into the river, thinking that Pinch would surely then release his grasp. He didn't and, the two kept struggling away in the water, until they both went down. When they came up the little one's head was above the surface while Pinch was below, still holding on to its neck. The latter would not let go its hold, and remained under the water in this way until he drowned, when the yellow cur was brought ashore.—Fredericton Gleaner.

Police Court.

Samuel Cook John McCann, Frederick Cleveland, Michael Devitt, Wm. Johnston, Frank Nowlan, Daniel Williams and James Thompson, drunks, were fined $4 each.

John Tole, drunk at the Exhibition Building was fined $4. He was also charged by Constable Hancock, with assaulting him. No one appeared to press the latter charge.

Joseph Wilson for an assault upon James Wilson paid $5.

John P. Wallace, charged with assaulting and beating his wife in his house on Paradise Row and on the street was fined $20.

John Corbett was charged with drunkenness on Pond street and violently resisting the police. John L. Carleton appeared for the defense. The case was postponed until to-morrow.

The Lansdowne Theatre.

"Standing room only" was the order of the evening at the Lansdowne theatre last night when "The Colleen Bawn" was presented for the sixth time. The house was literally crowded to its utmost capacity and the enthusiasm was unbounded, Bunny's great "dive" being the climax.

"The Colleen Bawn" with its scenery, songs and real water will be the great attraction at this theatre again this evening. Tomorrow afternoon there will be a special matinee performance of "May Blossom" which will be played also tomorrow night.

Mechanics' Institute.

The opening performance of Messrs. Burnham & Philips' troupe of negro minstrels at the Institute, last night, was attended by an audience that literally packed the house from floor to ceiling.

Every one was delighted, and laughter was continuous. The wonderous performance of the contortionist amazed all. The troupe seems to havemerited all the encomiums of the Portland, Me., press, and are sure of crowded houses during the rest of their engagement.

They perform at the same place every evening this week.

THE MONCTONS SLAUGHTERED.

The match game between the Monctons and St. Johns drew a large crowd yesterday. The game was one sided from the start and was not so interesting as it was thought it would be. The home team's heavy batting won the game. White and Small made home runs. White hit a three bagger Kennedy two of them, and Rodgers hit for two bases. In the eighth, Ackman, right field for the Monctons, retired; Burns, pitcher, took his place and Robinson went in the box. Robinson was hit as hard as Burns. Cunningham our new man played a fine game.

The score by innings was:

St. John	5	0	2	1	2	3	1	1	3	—18
Moncton	0	0	1	0	0	0	4	0	2	—7

BASEBALL AT BANGOR.

A letter has been received by the Bangors from Oliver Burns which states that he has finally signed with the Frederictons. Neary, the captain of the New Bedfords, cannot be secured by the Bangors. The Bangor team are in quandary over the Baths, not knowing whether or not that club has disbanded or not.

The Boston Blues play in Bangor Aug. 5th and 6th.

Lacrosse.

To-morrow the picked local team, and Caughnawaga Indians will compete at the Shamrocks' grounds. A. H. Bell will captain the local team, while Sheriff Harding will umpire the game. Sheriff Harding is probably the oldest sporting man in St. John and has not only had a hand in everything of an athletic nature in earlier days, but has been referee in some of the most noted contests of the day.

He it was who was chosen to manage the great races of the famous Paris crew, the champions of the world, and to him was left the decisions of competitions which have kept the athletic world in suspense. To-morrow he will once more step out with the boys and many old friends will welcome him on the field.

Thursday the picked team and Caughnawaga Indians play at the St. John A. A. A. grounds. The picked team will be slightly changed.

Friday the Y. M. C. As play at the Shamrocks' grounds, and a fine contest is promised. Rivals from their inception, these two clubs will struggle hard for supremacy on the green. Already large numbers of tickets have been sold, and they are still going off. The game is called for 2.30 sharp.

Cricket.

AMERICANS PLAY LOOSELY.

LONDON, July 22.—The Metropolitan cricket club presented a very strong team against the Americans today. Dr. W. G. Grace and other well-known Americans were members of the team. The Britishers scored in their first inning 383 runs. The fielding of the Americans was regarded as rather loose. The Americas scored 85 runs for four wickets when stumps were drawn.

Yachting.

LONDON, July 22. Cinque Ports yacht races were sailed today, Paradox was badly beaten and will have no chance to compete in America.

Base Ball.

THE CELESTIALS GET AWAY WITH THE SHAMROCKS'. FINE BATTERY WORK.

There was a good exhibition of baseball at the Shamrocks' grounds this morning, and also a good attendence of lovers of the game. The grand stand was full and there were many leaning against the ropes. The following were the teams and their positions.

Fredericton	Shamrocks
Foster s. f.	Donavon c.
Thayer 3. b.	Sullivan p.
Burns p.	McNamara 1. b.
Graves s. s.	McGrath s. s.
Coll c.	Lane r. f.
Underwood 1, b.	Costigan 2. b.
MacLaughlin 2. b.	Connolly c. f.
Estey r. f.	Doyle 3. b.
Hayes c. f.	McCollough s. f.

The batting of the Frederictons won them the game. At critical points they were there, in their 5th inning with a man on third. Burns was at the bat with two striker and three balls called and two men out. The next ball he sent away over left field's head bringing in a man and putting himself on second.

The battery work was excellent. Brown had 13 strike outs and Sullivan had 15. The effectiveness of the Fredericton battery may be seen from the fact that the Shamrocks had 7 consecutive whitewashes. The catchers were whole teams in themselves, having the majority of the put outs.

There was some daring base stealing done on both teams. MacLaughlin played a good game at second for the Frederictons and Thayer at third covered himself with glory by catching some difficult flies. Connolly at centre for the Shamrocks took a high fly in grand style, and Foster left field for the Frederictons accepted two chances. Our battery did better work than the Frederictons Donavon held Sullivan well and played a quick game. James Christie umpired the game satisfactorily.

The following is the score by innings:—

	1	2	3	4	5	6	7	8	9	Total.
Fredericton	0	2	1	0	1	0	0	0	3	8
Shamrocks	2	0	0	0	0	0	0	0	1	3

THE NATIONAL ANTHEM.

A RACE COLLISION IN TEXAS.

Several Whites and Negroes Killed.

BASTROP, Texas July 22.—An incipient race war has begun in Bastrop county. At the last election the negroes were in the majority, and elected several of their number to office. The overbearing conduct of these officials has been such as to cause the white people much discomfort, all of which was quietly borne, however until a few days ago when a respectable white man was shot and instantly killed by a colored justice without the slighest reason. The whites in the county became enraged at the actions of the negroes and people armed with revolvers and knives hastened to the scene of the shooting. The wildest confusion took place and in the fighting which ensued, four whites and four negroes were killed and five or six others fatally wounded. Further trouble is feared.

This lovely bud, so young, so fair,
Called home by early doom,
Just came to show how sweet a flower
In paradise would bloom.
Ere sin could harm or sorrow fade
Death came with friendly care,
The opening bud to heaven conveyed
And bade it blossom there.

MANCHESTER, ROBERTSON & ALLISON,

The temple of the sun at "Tadmor" in the wilderness has fallen; but the traveller slakes his thirst at Jacob's well, a striking illustration of the survival of the fittest. Just here it can be said that our IDEAL SOAP still pursues the even tenor of its way, while other brands which have had a short run have fallen into ruins, and the survival of the fittest is sure to succeed.

THIRD WEEK
Of the Great Auction Sale of C. & J. ALLEN'S grand stock of Diamonds, Watches, Jewellery, Silverware, Art Goods, &c. &c., at the
SHEFFIELD HOUSE, MARKET SQUARE.
SALES EVERY DAY AND EVENING AT 3 AND 8 P. M.
The large salesroom proves too small to accommodate the thousands who attend the sales, and the interest is increasing daily. WHY! Because straight and honest business must tell, and it has told. The sale is bona fide and the people know it. The stock is the largest and finest in Canada, and all goods are GUARANTEED as REPRESENTED, and more than all, the great bargains given the public during the 37 SALES already, (all of which have been attended by the elite of the city) have convinced the most skeptical that goods are really being sold at buyers own prices. The sales this week will be held at 3 and 8 p. m. only, as we find it impossible to continue the morning sales and keep up with the packing and delivery of goods.
C. & J. ALLEN,
RETIRING FROM BUSINESS.
