PRESTON SUMMER RESORT AND MINERAL SPRINGS.

Preston, one of the prettiest towns in Western Canada, with its beautiful, cool, shady walks and drives, its lovely valleys, with the charming little River Speed running through it until it empties into the Grand Valley, is now long noted for its celebrated mineral springs. The remarkable curative qualities of the baths in the mineral springs for rheumatism, kidney and liver complaints, neuralgia, skin diseases of every description, as well as its recuperative powers for the nervous prostrated by the heat, rest after the year's labors, can be testified by hundreds of our prominent citizens. The hotel, situated on a slight eminence in the quiet part of the town, with cool, terraced gardens, croquet lawns, etc., is well adapted for the invalid or seeker of quiet summer repose and rest. The accommodations are most comfortable, and every modern convenience, the table first-class, billiard table and livery stable in connection; the rates are lower than any other summer resort in the Dominion. Its close proximity to Toronto with low railway rates, make it the most desirable place in Ontario for our citizens to spend their summer vacation. Preston can be reached by G.W.R. to Preston Station, by Credit Valley R.R., which runs through it, or by G.T.R. to Blair, one and a half miles. Tick
