GRATEFUL—COMFORTING.
EPPS' COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Great healing spring; weak mortals see
Thy hand flowing mercy-DEITY.
More Than Wonderful
To remove deadly sickening poisons, make the weak strong, is wonderful. But to establish in people claiming good health, degrees of strength and enjoyment in life never before attained, is more than wonderful.
But such is the experience of all who thoroughly test St. Leon Water. "To perfect the organism, regulate and preserve long life 'tis invaluable."
DR. WELSH. 136
