Like a Waterfall
Great Suffering
After the Grip

Tremendous Roaring in the Head —Pain in the Stomach.

"To C. I. Hood & Co., Lowell, Mass.:

"Two years ago I had a severe attack of the Grip, which left me in a terribly weak and debilitated condition. Last winter I had another attack and was again very badly off, my health nearly wrecked. My appetite was all gone, I had no strength, felt **tired all the time**, had disagreeable roaring noises in my head, like a waterfall. I also had severe headaches and

Severe Sinking Pains

in my stomach. I took medicines without benefit, until, having heard so much about Hood's Sarsaparilla, I concluded to try it, and the result is very gratifying. All the disagreeable effects of the Grip are gone, I am free from pains and aches, and believe

Hood's Sarsaparilla

is surely curing my catarrh. I recommend it to all." GEO. W. COOK, St. Johnsbury, Vt.

THE WHEEL.

LONDON BICYCLE CLUB.

The handicap road race to be run this evening under the management of the "Londons" promises to be one of the best cycling events in the history of this most popular sport ever held in this city. The number that have entered is the largest ever in a cycle race here, and the contest will doubtless be very close and exciting. The limit man will leave the "guns," Victoria Park at 7 p.m. sharp, and the others will follow as arranged by the handicap committee. It is expected the time made will cut quite a few seconds off the present record. The following is a complete list of the starters, with the numbers they will wear: C. Manville 1, J. F. White 2, F. Ware 3, B. W. Glover 4, H. G. Stanton 5, Dr. Balfour 6, Jas. Belton 7, W. Abbott 8, F. R. Scandrett 9, W. Mann 10, O. B. Lester 11, Jas. Bennett 12, B. Holt 13, B. Little 14, F. King 15.

S. Fuge, importer of choice Indian teas, 436 Richmond street, has received a consignment of Japanese goods, comprising a useful and valuable assortment of rice blinds, egg-shell china cups and saucers, "Sutsuma" vases, fans, canes, lacquered trays, etc.; also a fine selection of English silverware. These are all cheap and seasonable articles, forming a valuable addition to the pure Indian teas which are becoming so favorably and extensively known.

The Englyshe Fayre

Successfully Inaugurated with a Large Attendance.

A Scene of Splendor in the Princess Rink.

Beautiful Decorations, Charming Ladies and Costumes—An Enjoyable Programme—Those Taking Part.

Ye Olde Englyshe Fayre is in full swing in Princess Rink. It was formally opened last evening at 7:30 with Mayor Essery and several aldermen among the numerous distinguished visitors.

As the spectator passes through the main entrance a dazzling scene of beauty greets the eye—handsome young women charmingly attired, scenery of the most gorgeous description, persons clad in handsome costumes (and in other kinds, too), pretty young girls selling flowers, candies, etc., and other pleasing sights make a genuine feast for the vision. Wandering through the rink the different booths are sure to attract a large share of attention. They are all beautifully decorated and occupied by most obliging ladies, who are delighted to receive visitors.

"Diana's Lodge," a lovely resting-room, is a favorite nook. Here tea, coffee and other healthful beverages are supplied and vocal and instrumental music furnished. The lodge is governed by Miss Graydon.

In the northwest corner are ye babes in ye woode, who dispense buttermilk to thirsty sight-seers, sing pretty songs and delight all comers.

In the center of the rink is the old woman in the shoe, and around her is always clustered quite a curious crowd. Other sights too numerous to mention are sure to meet with only golden opinions.

The grand march in which nearly all taking part in the Fayre participated was the opening feature on the programme. Visitors were then given an opportunity of viewing to advantage the charming young ladies and the gorgeous costumes.

The "Maypole Dance," under the supervision of Dame W. F. Green, was beautifully executed by Louie Dillon, Mabel Moore, Sylvia Blackwell, Winnie Moore, Gertie Brock, Gladys Michie, Florence Munro, Elsie Green, Maggie Schram, Lucie Hungerford, Madge Johnson and Minnie Dewar.

The "Fan Brigade," under Mr. Taylor, and composed of Misses Mona MacGoey, Murial Smith, Kate Fraser, Bertie Jarvis, Cella Mattinson, Mary McMichael, Maggie Sharp, Blanche Ferguson, Kate Powell, Ethel Gunn, Daisy Rumball, Minnie Jeffery, Orpha Guillemont, Annie Munson, Bertha Hodge, Eleanor Williams and Cora Haynes, presented some very pretty evolutions and were liberally applauded.

"In Ye Black Fryer's Playe House" the Young Liberal Minstrels put on the funny burlesque entitled "A Trip Through Chinatown." As usual they were well received. The characters were as follows: R. Tatham, Mikado; A. Furness, Ko-Ko; W. Thorne, Poo-Bah; W. Blakie, Nanki-Poo; Bert Such, Yum Yum; C. H. Tatham, Petti Sing; R. McPherson, Peek Boo; three little maids; W. McHarg, Page; L. Davies, Pish Tush; M. Gould, Katishaw. The chorus is composed of W. McLure, W. Clark, E. Wolfe, W. McLeod, F. Jeffery, A. Croden, E. Johnston, A. VanLint.

The "Poses Plastique," under the supervision of Miss Margarette Saywell, of Alma College, was an enjoyable number on the programme. Those taking part were: Mrs. Piper, Mrs. Sage-Mills, Mrs. C. C. Wood, Misses Effie Burns, Emma Boddy, Detta Ziegler, Emelie Scott, Minnie Payne, Mary Leys, Winnie Atkinson and Tottie Childs.

Mrs. Paterson, Miss Nellie Edge, Miss Holmes, Miss Quita Moore, Miss Gwendolin Smith, Miss Edith Bayly, Mr. Richardson, Mr. Chas. Jones, Mr. Rock, Mr. Walter Smith, Mr. Von Iffland and Mr. Martin performed the mystic "Minuet" faultlessly.

The whole programme is of a most enjoyable nature, and those who do not visit the "Fayre" will miss a real treat of a unique nature.

There were over 600 visitors there last evening and about 100 dined at "The Travelers' Rest." The ladies are to be congratulated on the already gratifying success of their enterprise. Large crowds will doubtless attend during the week and enjoy this novel entertainment. It is a pleasant way to spend an evening and the outlay is for a good cause. Excellent music is furnished by the Seventh Band, who will be in attendance each evening.

Why He Wasn't Cured.

Mr. Samuel J. Elder told a little story the other day to the jury which I think is worth repetition. Judge Brady, of New York, had been off on a sojourn to Europe by his physician's order. His honor thoroughly enjoyed the trip and on his return found himself for the once financially embarrassed. He was sitting with a few friends in the saloon on the steamer, and as he neared home he turned to them and said:

"Gentlemen, my physician ordered me to go abroad for change and rest. The waiters there have the change and the landlord has the rest."—[Boston Globe.

The Berlin Teachers' Association has passed a resolution upholding Teacher Fraser, who was assaulted, and condemning the News for an alleged malicious report.

During the recent holiday Wm. Riehm and an 8-year-old son of John Hilgartner, of Williamsburg, Waterloo county, were fooling with each other, when the former told the latter he would stick him, and sure enough he did with a penknife. The following day the little fellow was taken down with terrible pain in his thigh, where the wound had been inflicted. Dr. Lackner found that blood poisoning had set in, and the lad is in a very precarious condition.

Joseph Bingham, who rented a farm from Mrs. Harper, a widow on the 6th line, Erin, found the remains of a child in a glass jar in one of the rooms. An examination will be held.

THE OPEN FORUM.

Advice to Girls.

To the Editor of the ADVERTISER:

In view of recent occurrences in this city, we would advise girls when getting married, when the groom is solemnly repeating after the minister the clause, "With my earthly possessions I thee endow," to stop him and say, "Put that in black and white, please." Forewarned is forearmed.

AUNT MARY.

Rev. Dr. Lyman Abbott on Dr. Briggs.

NEW YORK, June 5.—Rev. Dr. Lyman Abbott, in his sermon on the Briggs case at Plymouth Church, Brooklyn, endeavored to prove that Dr. Briggs, and not the General Assembly, during the last two years had defended the true Christian faith; that it was not Dr. Briggs who was heretical, but that the stand taken by the General Assembly was one whose logical esult was infidelity.

"Feak and Weeble."

A friend of mine had an odd way of mixing her words. Perfectly unconscious of it, she would often make folks laugh. She would speak of feeling "feak and weeble," for weak and feeble, and "castor ill poils," for castor oil pills. But she was weak and feeble, until she took that powerful, invigorating tonic, "Favorite Prescription," which so wonderfully imparts strength to the whole system, and to the womb and its appendages in particular. For over-worked women, run-down women, and feeble women generally, Dr. Pierce's Favorite Prescription is unequaled. It is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms, commonly attendant upon functional and organic diseases. It induces refreshing sleep and relieves mental anxiety and despondency.

When it comes to the two-pint measure, the quart box of strawberries is seldom in it.

Too many people insist on following old precedents instead of making newer and better ones.

Pure Baking Powder

is as necessary in making good light biscuits and pastry as good flour. The market is full of cheap, trashy baking powders, made from alum and soda. Users of the article should only buy brands that are well known for purity and fine quality. The old established Pure Gold brand, put up in small packages and cans, is always reliable.

Profile photographs are admired by those who are fond of side-shows.

It is a pity that a man cannot eat good advice; he gets so much of it free.

Nothing impure or injurious contaminates the popular antidote to pain, throat and lung remedy and general corrective, Dr. Thomas' Eclectric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruises, cuts and sores succumb to its action.

Change in Time for New York via Erie Railway.

The Erie Railway are running a very fast train from Buffalo. The time has been cut down two hours. You can also leave London at 3:45 a.m., 6 a.m. and 11:40 p.m. The latter is a magnificent train, solid vestibule; not a single change between London and New York, and dining cars attached to all trains for meals. Many persons are not aware of the extent to which Dyeing and Renewing of Garments is practiced by the best families in our cities. Dresses which pass for new and stylish are frequently old ones fresh from the hands of the Dyer. With ladies' clothing the style is now such that by taking one dress and having it dyed to a bright fresh shade, with the addition of another color or material, an entirely new garment may be produced. Gentlemen's suits which have been cast aside on account of being soiled or faded, by having them cleaned or dyed may save the expense of buying new ones.
