Dr. Speer, uncle of the bride, performed the ceremony. The bride was attired in champagne silk. The bridesmaid, Miss Marie McMaster, was costumed in white India silk. Harold Lyon, who was a comrade in arms with the groom with the Second Mounted Rifles in South Africa, was best man. The groom's gift to the bridesmaid was a pearl brooch, and to the best man a pearl tie pin. The honeymoon will be spent in the east. There was a large number of guests, and the bride received many beautiful tokens of congratulation.

**Apropos of Diamonds**

Last month one-half of the volume of our entire business was done in our "Diamond Department."

* * * * *

Our business is divided into 12 distinct departments, but "Number 3"—that of the precious stones—did more than all the rest combined.

* * * * *

This is by no means unusual with us—it is the ordinary thing.

* * * * *

Neither is it a chance affair.

* * * * *

Do you know why?—Simply this—because our patrons realize that with our permanent office in Amsterdam combined with our expert knowledge and personal selection we are giving better diamond value for every dollar left with us than it is possible to find anywhere else.

* * * * *

They know, too, that the name "Ryrie" stamped on a piece of diamond jewelry is an absolute guarantee as to its quality—that is a matter of personal pride with us.

# YORK COUNTY AND SUBURBS TOOK FALSE ELECTION OATH

## John Dickin to Face Serious Charge —Brown's Hotel Searched— Police Court Cases.

Toronto Junction, Nov. 15.—Several cases were disposed of by Police Magistrate Ellis this morning, Magistrate H. H. Shaver of Dixie, Toronto Township, occupying a seat with him on the bench.

A young Scotchman named McIntosh got overloaded at a wedding and wandered into the police office and used rough language to Policeman Hayes, who was in uniform. His was allowed to go on suspended sentence. Thomas Colton of Lambton Mills was charged by Mrs. Millie Richards with assaulting her little boy. Mr. Colton explained that Mrs. Richards' boy and another had been annoying him by throwing small stones at him whilst he was working in his blacksmith shop, and he ran out and planted a kick where he thought it would do the most good without injuring the boy. Mrs. Richards said she would have punished the boy herself, but objected to anyone else doing so. Magistrate Ellis did not think the case should have been brought into court at all, and dismissed it, the costs, $1.75, being paid by complainant, the magistrate making no charge for his own services. S. Damude appeared for Cawthra Mulock, who pleaded guilty to running his automobile faster than the law allows on Dundas-street, Lambton Mills, and was fined $1 and costs. County Constable Scott was the complainant.

At St. Cecilia Church this morning Miss Catherine Henrietta Abbey, daughter of Mr. and Mrs. John Abbey of Willoughby-avenue, was united in marriage to John McDermott of Fergus. Rev. Father Gallagher perfomed the ceremony. The bride wore a traveling suit of castor ladies' cloth with a white hat trimmed with cream ostrich feathers, and carried a white prayer book. Miss Etta Rear, bridesmaid and cousin to the bride, wore a brown cloth dress and brown beaver hat trimmed with ostrich feathers. Nicholas McDermott, brother of the groom, performed the duties of groomsman. After partaking of a wedding breakfast at the residence of the bride's parents, the happy couple took train to Fergus, where they will spend a short honeymoon. On their return they will take up their abode on Lansdowne-avenue.

About 6 o'clock this evening his worship Mayor Chisholm was served with a notice of an application for a mandamus compelling the town to submit a bylaw for the annexation of Toronto Junction to the City of Toronto upon the terms set forth in the petition presented to the council some weeks ago. The name of James A. Ellis appears as applicant and the Town of Toronto Junction as respondents. The papers were handed to Mayor Chisholm by C. M. Hall, chairman of the public school board. The motion on behalf of the applicant will be made before a judge presiding in chambers at Osgoode Hall, Toronto, on Friday, Nov. 25, at 11 a.m.

Jim Cook of the Junction and Henry Newson of the city got fighting on Hookin-avenue to-night and things were getting decidedly warm for both when the sons of the respective combatants undertook to separate them, the former's son using a club and the latter his fists. At this juncture Deputy Chief Plintoff came along and arrested Newson and brought him to the cells, but he was allowed out on bail by Magistrate Ellis, and the case will be aired in the police court, when interesting developments are expected. The elder Newson was pretty badly battered about the face and his son had a bad cut just above his eye.

The court of revision met again to-night and sat until 10 o'clock, but no further reductions were made in the assessment.

The Union Stock Yards are putting up a large building to facilitate matters in connection with the fat stock show to be held in December. A big gang of men is rushing the work so as to be ready for the great event.

Chief of Police Royce, Deputy Chief Plintoff, Policemen Peters and Law and License Inspector Frank Smith made a sudden and unexpected visit to Brown's Hotel this afternoon, it having been reported that many drunken men were lately seen in that vicinity; but altho the hotel was searched from top to bottom not a drop of liquor was found on the premises.

Town Treasurer Jackson took in $4300 in taxes to-day.

**North Toronto.**

North Toronto, Nov. 15.—At a meeting of the town council to-night W. G. Ellis appeared and entered a protest against the discontinuance of the Metropolitan Railway local service to Bedford Park. He thought if the council took the question up some relief might be secured. The loss of car service was a serious matter to the families in the district affected. The members of the council concurred in his views and the mayor and Councillors Brownlow and Waddington were appointed a committee to interview the secretary of the Toronto Railway in reference to the matter. Councillor Waddington introduced a local option bylaw, which was given its first and second reading. It will be more fully discussed in committee of the whole at the next meeting of council. Charles Miller, Toronto, renewed his offer for a free gift of property on Yonge-street for a cemetery, and stated that if the offer was not accepted he would endeavor to have a council elected that would give more favorable consideration to his proposition. Councillor Douglas suggested that the donor might have increment in the council in view, as an early part of the program mapped out. The communication was laid over. Complaint was made that implements are left standing at the corner of Yonge and Frederick-streets. The clerk will notify the owner to remove them. Sherwood Lodge, S.O.E., was granted the use of the town hall for a smoking concert.

Reeve Sylvester of York Township is again confined to his house with an attack of erysipelas.

The school trustees have decided to close the town school on Friday, as well as Thanksgiving Day.

**Weston.**

Weston, Nov. 15.—To-day John Dickin of Weston was summoned to appear before Magistrate Frankland at the city hall, Toronto, on Friday at 11 a.m., to answer to the charge of swearing falsely to his qualifications as a voter at the recent Dominion elections. John Sheppard was deputy returning officer at the polling booth where Dickin voted and W. E. Pearson was poll clerk. The scrutineers challenged his vote, claiming that he had only resided in Weston a few days prior to the revision of the voters' list, but Dickin took the oath. It is claimed by Mr. Dickin's friends that his name was placed on the Weston voters' list by the judge at the court of revision, and that therefore he had a right to vote; but on the other hand it is pointed out that Mr. Dickin, who removed to Weston from the neighboring municipality of Etobicoke, had not resided in the former place the required time to entitle him to vote. The information was laid by John E. Clarke.

There have been fourteen cases of diphtheria here, but no deaths, and all the patients are now out of danger.

Dr. Charlton, president of West York Liberal-Conservative Association, has called a meeting of the executive, which will be held in the office of J. W. St. John, M.L.A., Temple Building, Toronto, on Saturday at 2 p.m. The object is to make arrangements for the holding of a nominating convention.

**King Township.**

The late John Wesley Willis, farmer, of King Township, died intestate. His estate is valued at $13,344. It consists of: Farming implements, $221; horses, $500; horned cattle, $417; book debts, $808; moneys secured by mortgage, $350; bank and other stocks, $7620; and real estate, $8000. The realty is a 100-acre farm in the sixth concession, valued at $2500; a second 100-acre farm in the same concession valued at $100 and a third farm of 49 acres valued at $1800; also a village lot in Laskay valued at $900. The property is to be divided among the widow, Isabella Willis and three sons, Joseph, William, Frederick Smith and John D., all of Laskay. Mrs. Willis petitions for the administration of the estate.

## PEOPLE'S PLOWING ASSOCIATION

**Fears of Frosty Grounds Kept Away Many Intending Contestants.**

Richmond Hill, Nov. 15.—(Special.)—Not in point of numbers, but in the quality of the work performed, will the annual plowing match of the People's Association of the season of 1904 rank as a success. Only 18 teams participated, but the work performed was creditable in the extreme to every contestant. The scarcity of plowers was due largely to the frost, which for the past week has rendered it practically impossible to carry on this work. Fearing the ground to-day would be in similar condition, many intending plowmen were absent. The attendance of visitors was fair. Among others on the ground were Archie Campbell, County Councillors Ley, Pugsley, Hoag, Pingle, Warden L. L. Hartman, ex-Warden Slater, Thomas Hood, Frank Mason, Alfred Mason, Robert Ash, Robert Canning, John Saigeon, Reeve Summerfelt, Councillor Francis, T. F. McMahon and many others. The farms of Thos. and John Palmer were utilized for the occasion. The results were:

**Shot While Hunting.**

Owen Sound, Nov. 15.—Yesterday Mrs. John McEwen, West-street, received a telegram from Iron River, Wisconsin, stating that her brother, Thomas S. Ward, was dead. A later telegram contained the particulars of his death. While hunting deer he was accidentally shot by a comrade and death was instantaneous. The remains are expected to arrive in Wiarton this evening for interment. Deceased is survived by three sisters—Mrs. John McEwen, Mrs. James Craig and Mrs. W. H. Watson—all of this town, two brothers—Archibald and Robert of Wiarton—and his aged parents, also of Wiarton.

**Used Bottle in Fight.**

Windsor, Nov. 15.—Daniel Finlayson, an all-round bad character, was arrested last evening for the Chatham authorities for an alleged brutal assault and battery upon James Belair a week ago. Finlayson and Belair became engaged in a row, it is claimed, and Finlayson struck Belair a terrific blow over the head with a bottle, felling him to the ground and leaving him unconscious while he made good his escape. An officer took the prisoner to Chatham this morning.

**WHAT IS A SHORT CIRCUIT?**

City folks have a good idea of the effect of a short circuit. They know that if on an electric car the motor is short circuited the car stops—sometimes with an explosion. A short circuit happens when the electricity, by means of some conductor, is allowed to reach its natural magnet, the earth; immediately it rushes through its outlet and in its great excess of energy burns and melts the fuses leading to the motor—lucky if it does not burn out the motor itself.

**ARE YOU SHORT CIRCUITED?**

Is Your System Short Circuited? Have you, by the traditional burning of the candle at both ends, exhausted your vital energy and find yourself like a burnt-out motor—no longer responsive to the calls of will: find nerves and muscles and will-power lacking, or working out of harmony—a state which quickly brings with it disease?

You need electricity and re-galvanizing, and the way to achieve this is by the wearing of

# SAID "GO ON"; WAS KILLED TRUTH OF HOIST FATALITY

## James Norman Started Up Shaft While Syd Mingol Was In Dangerous Position.

Coroner Orr and his jury last night concluded the enquiry to ascertain how Sydney Mingol was killed at the Massey-Harris works a week ago. The verdict was that deceased came to his death while the elevator was in motion, while he was sitting in a dangerous position.

The manner in which young Mingol was killed was made known. It was James Norman, a 17-year-old lad, who told the story of the accident. He was employed at the works and had occasion to go to the basement. When ready to ascend, he said to Mingol: "I want to go up." Mingol, who was in charge of the hoist, said, "Go on." Mingol was then sitting partly astride the bar or gate of the hoist. Norman started the elevator. He paid no attention to Mingol until the elevator stopped or slowed up. He then saw that Mingol was jammed in between the elevator and a beam. He immediately reversed the hoist, and Mingol was lifted up dead.

Norman said his reason for not telling his story for some days was because he was afraid to do so.

## SEEK GIRL'S ASSAILANT.

**Deed Committed Two Weeks Ago Near Park Hill.**

Parkhill, Nov. 15.—On last Friday evening, Nov. 4, about 6 o'clock, when Miss Nellie Davidson, daughter of John Davidson of the 21st con. B.W., West Williams, was driving home alone along the 18th con., she was forcibly taken from the buggy, assaulted and tied to the adjoining fence with one of the lines. The outrage was perpetrated a short distance from Andrew Elliott's place on the 18th concession. The young woman was able to get as far as Elliott's gate, where her screams attracted attention. She was carried to the house and driven to her parents' residence, her own horse in the meantime having gone home.

An effort is being made to find the guilty party. The council of West Williams offer a reward of $300 for the capture of the man who assaulted Miss Davidson at Cameron's siding between Thedford and Parkhill on Friday, Nov. 4, at about 6.45 p.m. The description of the guilty party is not very clear. Altho Miss Davidson has regained her mental faculties she is yet very ill. She says her assailant was of ordinary height and wore moustache; face rough as tho unshaven for two or three weeks; wore a coat like leather or waterproof that felt hard and stiff, shorter than overcoat. Half a plug of tobacco was found in the buggy next morning, two leather thongs like laces for shoes with large eyelets were found where the assault occurred.

Miss Davidson bit him on the face, traces of which must still be visible. His face felt fleshy and he had thick, rough hands. An unknown character boarded the 6.25 p.m. train from the west at Thedford that evening and, having no ticket, was put off at Carpenter's siding not more than fifteen minutes before Miss Davidson drove along and was assaulted.

Any passenger on that train who remembered the description of the man put off between Thedford and Parkhill as to clothing or anything else, or any person who has since seen a man bearing a mark on his face as the from a bite should communicate at once with High Constable McLeod, Lead, London, or Wm. Dawson, Sylvan.

**Psychine Cures Even When All Else Fails**

Mr. John Kent, prominent in musical circles in the City of Ottawa, writes recently as follows:

"After suffering for weeks with an obstinate cough, I was taken down with la grippe, which turned to pneumonia. My physician brought me round so that I was able to attend work, but I did not seem to grow strong again. I felt a weakness in my left lung with occasional pains. The doctor said it was indigestion, and prescribed for some months for this to no purpose. Then he discovered that my lungs were diseased. Owing to my weak condition he said a cure was impossible. Friends considered me hopeless, I coughed terribly at times, had chills and fever, was losing flesh every day. I had read much about Psychine, and began using it. The first bottle gave great relief. To-day I am sound and well, and I only used Psychine for about a month. For combating disease and rebuilding the body Psychine has no equal. I would not be alive to-day were it not for Psychine. I gladly send photograph and testimonial.
