Clinch acted as master in the absence of Mr. George Beardmore. The meet was at Slattery's, and from there the hounds went west towards Lambton Mills. The run lasted nearly two hours, and in most places the going was found to be good. The hounds will meet again on Monday at the same place.

Three-Horse Race for $50,000.

Boston, April 5.—The forfeit money for the big three-cornered race between Boralma, Cresceus and Charley Herr is now in the hands of John E. Thayer, president of the New England Trotting Horse-Breeders' Association. Mr. Lawson of Boston, George L. Ketcham of Toledo, Ohio, and David Cahill of Lexington, Ky., the owners of the three horses, have each posted the required forfeit money—$3500 apiece. The balance of the $30,000 stake, under the terms of the race, is to be posted the night before the race. The race will take place on Sept. 5, and will be best three in five heats. Besides the $10,000 each owner puts up, Mr. Lawson gives an extra purse of $20,000. The money is to be divided thus: $30,000 to the first horse, $20,000 to the second. Mr. Ketcham and Mr. Lawson posted their money on March 29, and Mr. Cahill sent his under date of April 2.

See the Irishman's Egg.

The thousands of visitors who were down town yesterday afternoon were greatly amused by the "Irishman's Easter Egg," which is on exhibition in the window of Archambault, the popular tailor at 125 Yonge-street. Archambault has made many of the Easter suits which will be seen on the streets to-morrow, and he has a splendid lot of goods to select from at the most moderate prices.

That "Stuffed-up" Feeling.

Do you feel choked up with the cold—find it hard to breathe—feeling of weight or oppression in the chest—cough hard and rasping?

Send for a bottle of Dr. Wood's Norway Pine Syrup, take it according to directions and you'll soon breathe easy, your lungs will be cleared of the phlegm and the useless and irritating cough will be checked.

Mr. Eli Butcher, Birtle, Man., writes: "During the past threshing season I contracted a severe cold which caused me to lay up for three weeks. I was clogged up in the throat and chest and could not breathe easy. I sent for a bottle of Dr. Wood's Norway Pine Syrup and it soon gave me great relief and cured me."

Best Milk

Lowest Prices.

Our decision to sell **Clarified Milk** at five cents per quart, estimating that half the citizens of Toronto take their supply from us, means a saving to our customers of over

$50,000.00 Per Annum.

The City Dairy Company was organized for the purpose of placing the milk supply of this city on a thoroughly

SANITARY and SCIENTIFIC BASIS.

That we have begun to do so is apparent to all who have seen our splendid plant in operation on Spadina Crescent.

But this is not all. We are selling milk to-day for less than many of our citizens are paying for milk which has not been clarified, and which consequently contains, when served, a considerable quantity of sediment and foreign matter—impurities **which nothing but the centrifugal clarifying process can remove.**

The people must have the best milk for the least money, and they will not continue to pay six cents per quart when they can get **Clarified Milk** at the rate of
