The sport loving community of Toronto and nearby cities are unusually interested in the 15-mile race at Hanlan's Island to-night between Longboat and Svanberg. A record-breaking crowd is anticipated and no doubt the ample seating capacity of the ball park grand stand and bleachers will hold the largest crowd in its history. Several hundred people are coming from Hamilton on the steamer Turbina, while many other athletic enthusiasts and admirers of Longboat are coming from adjacent towns. The ferry company have arranged a schedule of special ferry service, so there will be no delay in landing the great crowds at the island. The gates will open simultaneously with a band concert at 7.30, and a program of popular airs will be rendered by the band thruout the race. Alfred Shrubb will act as referee. Seats are on sale to-day at the cash desk of the Bay Tree Hotel until 7 p.m., after which the sale will be transferred to the ferry office, foot of Bay-street.

National Yacht Club.

The National Yacht Club hold a picnic at Island Park this afternoon, when the commodore and vice-commodore sides will play baseball. Boats leave the club at 2 o'clock.

PORT HURON FREE-FOR-ALL

Tax Title Wins After Dropping Two Heats to Mattie Chimes.

PORT HURON, July 16.—Get-a-way day in the short ship meeting here was the best of all in the matter of good time by the various horses and the large crowd in attendance. Tax Title performed his usual stunt in laying back two heats and then taking three straight in the free-for-all pace. Considerable betting was done on Mattie Chimes, who took the first two heats, but the Canadian mare could not cross the wire ahead of Tax Title in any of the last three attempts. The 2.17 pace went to King Cole in three straight heats after Elk Girl, a London, Ont., mare, had taken the first heat. Tax Title and King Cole, the two winners, were both favorites. Miss Felix took the three-fourths mile running race, winning the second heat after getting first in the first dash. Summary:

Accidents Will Happen.

By a circuitous route Samuel McElroy, 2 Percy-street, fell from a scaffold at Wm. Davies' meat company's plant into the hands of the police. He was about a week in falling, during which time he dallied in the General Hospital.

It was in this way. In April McElroy was employed as a messenger by Hobberlin Bros. He was given two C. O. D. parcels to deliver and collected $35.50. He never returned with it, but went to New York. Then he came back to the city and was at work at the Davies' place when the accident happened. His injuries were slight, but he was taken to the hospital, where he was yesterday located by Detective Murray and locked up.
