Notes and Queries.

TORONTO—(1) The present form of LEAFLET is likely to arouse the interest of those W.A. Members *not now* very full of enthusiasm; (2) Also gives an impression of unity from first page to last.

HURON—(1) The new style does not meet the needs of Huron W.A., as well as the old, the Diocesan pages all together are more helpful to us, as we can follow more closely the work of the Huron Branches; (2) It is in all cases the faithful workers who protest against the change, we therefore owe them some consideration.

NIAGARA—We prefer the LEAFLET in its present form because (1) it is more concise and business like; (2) It is likely to be of more interest to the general reader who could not be expected to find real Missionary intelligence from the items of local interest.
