MANUFACTURERS of *Monuments, Tomb Tables, Gravestones*, in Italian, American Marble, and Free Stone. *Chimney Pieces and Centre Tables.*

Every description of ORNAMENTAL WORK executed with neatness at their Establishment, Union Street, (third house East of Mr. Peters' garden.)—Monuments, Head Stones, &c., of the best material, executed in the most improved styles and fully as cheap and durable as any which can possibly be obtained on this continent.

Having had experience in business both in ENGLAND and SCOTLAND, HIRN & CLEAR feel satisfied they can execute work equal in every respect, and superior in many respects to any thing in the trade in other parts of City, and while they are fully prepared to allow the lowest competitors "a fair stage and no favor," they feel confident that by close application at all times and on all occasions, workmanship in every respect superior to that of those Americans who advertise their wares at "the sign of the gilded mortar and pestle," and who make a rocket and blunderbuss of their art can only attract unenlightened people to the rather unenviable and unprofitable business of shamming (as keepers of "the pretty shops in Market Square") those who have a penny to spend in an idle attempt to be cozy of their business, and whereby and thereby enter the arena of public competition, determined to stand or fall by the superior excellence of their workmanship as judged by a discerning public.

For sale—a large quantity of Soap-Stone, suitable for Stoves.

Celebrated Toilet Preparations.

We would call the attention of the Ladies and Gentlemen of New-Brunswick to the following choice Toilet articles—

ISAAC BABBITT'S
Superior Toilet Soaps,

YTHEREAN CREAM OF SOAP. PANARISTON SHAVING CREAM. PANARISTON SHAVING SOAP IN SOLID ROLLS. PANARISTON SOAP FOR MEDICAL USES, AND SHAVING POWDER.

"These elegant Soaps and Creams enjoy the highest fame for their superior excellence both in the country and Europe. They have been the best testimonials to their virtues by thousands who have used them.

Cytherean Cream of Soap, for Ladies, softens the skin, removes freckles, purifies the complexion, and is free from all means of irritating properties.

Panariston Shaving Cream takes the place of all Soaps as a preparation for the razor, and those who once will never after use any other.

Panariston Rolls are put up in a neat portable form, and for travellers, convenience.

The following are a few from the many testimonials received—

Rev. John Pierpont says of the Shaving Soap, "it is accounted as a preparation for the razor by any thing that I have found." Dr. A. A. Hayes, State Assayer, says of the Cytherean Cream, "I have never met with any Soap Compound, which, in cleansing the most delicate skin, would effectually leave it perfectly moist, soft and healthy." Dr. Walter Channing says, "I have no memory of so good an article." Dr. Luther V. Bell, Superintendent of the Mass. Lunatic Asylum, says, "I is superior to any other saponaceous compound I ever saw." Hon. Horace Greeley, of the N. Y. Tribune, says, "we have tried it, and found it perfectly unobjectionable." Rev. Dr. Bethune, editor of the Natural History, says, "it is in all respects the very best soap we have used."—Mr. Sherwin, the editor of the Pittsburgh Saturday Visitor, says, "it is superior to anything in the soap line, either solid or liquid." Mr. Prescott, of the Louisville Journal, says, "the Cytherean Cream of Soap is peculiarly adapted to preserving the purity of the skin which has not been injured by the New York Literary World says, "Mr. Babbitt will be the Singer of soap, the great regenerator.

WASHING
Made pleasant and easy by the use of
BOSTON
Chemical Washing Powder.

THIS Soap Powder, prepared by a practical Chemist, is superior for washing clothes, cleaning paint work, removing grease from woollens and takes the place of other soaps for cleansing purposes. One package with five minutes labor makes two gallons of pure soft soap. Thousands of families have adopted its use and give it the preference over all other saponaceous compounds.

Retailed by Grocers and Druggists generally.

Sold in St. John, by FELLOWS & Co., G. F. EVERETT & Co., and G. C. GARRISON.

PERRY'S HUNGARIAN BALM.

For Restoring, Preserving, and Beautifying the Hair.

This elegant preparation is an effectual Remedy for Baldness, or Falling off of the Hair. It prevents and completely eradicates Scurf and Dandruff; strengthens the Roots of the Hair; causes it to grow luxuriantly; gives it a Rich, Dark, Soft, and Glossy appearance, and prevents it turning Gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the Hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of Scurf, Dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once, and you will be convinced of its superiority *over all other compounds for the hair.*

Much more might be said in favor of this inestimable Compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,
If you are losing your hair and wish to preserve it,
If you are troubled with Dandruff and wish to remove it,
If you have any Humour of the Scalp and wish to cure it,
If you are troubled with Nervous Headache and wish to cure it,

PROFESSOR MOTT'S
Celebrated Female Regulating Pills

These wonderful Pills are compounded entirely from the vegetable kingdom, and they are now recommended to the Female sex as an invaluable remedy for many complaints to which they are subject. In obstruction—either total or partial, they have been found of inestimable benefit for healthy action. The Aperient stimulent and tonic properties are so admirably combined in the composition of these Pills, that they cleanse the Bowels from all corrupt and vitiated matter—rouse up the sluggish action of the Heart, Blood, and other fluids from all Humours—strengthen the nerves and muscles, and give tone and energy to the whole system.

These Pills will most effectually put to flight all complaints which may arise from Female Irregularities, such as Headache, Backache, Giddiness and Dimness of Sight, Ringing in the Ears, Costiveness, Loss of Appetite, Pain in the Side and Chest, and general lassitude and debility. Thousands of Females who are fast approaching the verge of the grave, may be relieved by giving these Pills a thorough trial. They have never been known to fail in effectually removing the complaints above enumerated, and want only to be known and tried to satisfy the most incredulous of their intrinsic value.

PRICE—$1 per box; 6 boxes for $5.
