ST. JOHN HOMES ARE AGAIN SADDENED BY NEWS FROM WAR ZONE

Advices Received Yesterday Tell of More Men From This City Killed or Wounded.

Gunner Neilson.

Alexander Neilson of 112 Harrison street, received word that his son, Gunner Alex. Neilson, a member of an Alberta artillery unit, had been killed in action on April 8. Gunner Neilson went west about five years ago and took up a homestead in Alberta. At the time of enlisting he was engaged in farming. He was about twenty-two years old and is survived by his parents and two brothers.

Pte. O. F. Beckwith.

Mrs. Robert Beckwith of 17 St. Paul street received official word from Ottawa yesterday that Pte. Oscar Frederick Beckwith, infantry, was reported admitted to hospital in Boulogne on April 11, suffering from gunshot wound in the left arm. Pte. Beckwith was only nineteen years old on April 1. He went to England with an infantry battalion, but was later drafted to another Maritime Province unit, in France, and had been at the front for several months. The family and friends are hoping for news that his wound is not serious.

Gunner C. K. Ganong.

The news that Gunner Carey Kierstead Ganong had been seriously wounded in the right arm was received by his mother, who is at present visiting in St. John. He is a son of the late Rev. E. K. Ganong, a minister of the Baptist church in this province. His mother, since remarried, is Mrs. Colwell of Jemseg.

Thos. McAloney.

Harry McAloney of Emery Bros., city, has received word to the effect that his brother, Thomas, a member of a Nova Scotia infantry unit, has been wounded. Mr. McAloney has received no further information.

Pte. Harry McGourty.

That Pte. Harry Edward McGourty was officially reported admitted to No. 2 Stationary Hospital, Outreau, France, on April 10, with gunshot wound in the right arm and left leg, severe, was the information which came to his parents, Mr. and Mrs. Peter McGourty of 249 Union street yesterday morning from Ottawa. Pte. McGourty was a member of a New Brunswick regiment with which he crossed to England.

Pte. William Chisholm.

Private William Alfred Chisholm has been officially reported admitted to No. 13 General Hospital, Boulogne, on April 10 with gunshot wound in head, according to information received by his mother, Mrs. Margaret Chisholm of 16 Middle street yesterday.

Pte. Chisholm is about thirty years of age. He enlisted in a New Brunswick Battalion. Upon reaching England he was transferred into a Nova Scotia regiment with which he was fighting when hit.

Entertained at St. David's.

There was a large number of persons present in the St. David's church schoolroom last evening, the occasion being the regular weekly entertainment for the soldiers. Robert Reid presided, and an enjoyable programme was carried through. Solos were well rendered by Miss Girvan, Mrs. R. Reid, Mrs. Godsoe, Miss E. Climo, Miss Trocartin and Corp. Johnson of the 177th. Ronald Shaw, Sergeant Clayton of the 177th, and Miss Bailey were heard in recitations. At the close of the programme refreshments were served by the ladies.

THE POLICE COURT.

In the police court yesterday the three soldiers charged with breaking into Patrick Sullivan's saloon on Prince William street and stealing liquor were sent up for trial. Four prisoners were fined the usual amount for drunkenness.

Besides the above six several other applications were made yesterday at the recruiting office but were rejected by the doctor. With the United States in the war, it is the opinion of military men that before long there will be a grand rush of Americans to Canada to join the Canadian forces. This is attributed to the fact that the pay in the American army is not as large as that in the Canadian. It is well known among military men, if they were permitted to enlist the hundreds of Englishmen who arrive on this side on steamers there would be no difficulty in recruiting several infantry battalions. The salary paid to a Canadian soldier is the big drawing card, and as the United States only pay $18 per month it is thought that many Americans will come across the border to enlist.

Enlisted in C. A. S. C.

G. L. W. Scovil of 159 Germain street enlisted in the Canadian Army Service Corps yesterday. Mr. Scovil qualified for a lieutenant in both the artillery and infantry branches. He is an expert chauffeur and will prove of valuable service in the mechanical transport division of the C. A. S. C.

LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

When constipated or bilious give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax six children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

LIEUT. HAROLD MANNING WOUNDED IN ACTION

Dr. J. H. Manning Received Sad News From Ottawa Yesterday.

Lieut. Harold Manning, son of Dr. James Manning has been reported wounded. The telegram from Ottawa gave no particulars as to the young officer's condition. Following the death of one member of the family, Lieut. F. C. Manning, who passed away on Tuesday from wounds received on Sunday, yesterday's message has evoked heartfelt sympathy for the parents of the heroic officers.

Lieut. Manning was attached to the 140th Battalion at Valcartier, but left that battalion and volunteered for immediate despatch overseas as a member of a draft of officers. Upon his arrival in England he was stationed at Croborne, where he took a captain's and field officer's course. He crossed to France where he went into action with another battalion, and it is presumed that he was wounded while in action with that unit.
