Mrs. Michael Curtain, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. BURGLARY AT TILBURY.

Detectives Campeau and Mahoney have been notified of a burglary at Tilbury Friday night. The burglars gained an entrance to the store of Israel Aubin and carried off as much as possible. Men's furnishings, boots, shoes, dress goods, tobacco and groceries were among the articles taken and $3 in money was abstracted from the till. There is no clue to the identity of the thieves, but it is thought that they must have been familiar with the entrance to the store, and, also to the stock, as only the best of everything was taken. The detectives will make an investigation to-morrow.
