The many friends will regret to learn of the death of Mr. Joseph McIntyre, a highly respected and revered resident of the city, who passed away this morning, at his residence, 63 Brant Avenue, at the ripe age of seventy-five years, after an extended illness.

The deceased was one of a large family of nine brought up in Oakland Township. He was for twenty years, during his active life, Reeve of that township, while he was Warden twice. He was a director and also a past president of the Brant Mutual Insurance Company. Twice married, the late Mr. McIntyre outlived both his wives. There are left to mourn his loss one daughter, Mrs. T. E. Ryerson of the city, one son, Charles of Oakland, and one brother, Mr. Robert McIntyre, of Market street, of this city.

The funeral will take place from the late residence to Oakland cemetery on Wednesday.

Local News

THE PROBS

TORONTO, July 27.—There has been scarcely any change in the distribution of pressure since Saturday. the barometer remaining high over the great lakes and relatively low both east and west. Rain is falling this morning over a large portion of Western Ontario, elsewhere in Canada, the weather is fine. The temperature continues very high in Manitoba and Saskatchewan.

Forecasts

Moderate easterly and local showers, but mostly fair. Tuesday— Fine and warm.

Smash-up on Radial Line.

Two west-bound cars on the Brantford and Hamilton radial line crashed into each other on the line near Alberton on Saturday evening. No one was injured. Both cars were going slow at the time, and a slippery rail accounted for the accident. The fenders and front of the cars were badly split, and traffic was held up for nearly two hours.

Alerts Were Victorious

An interesting game of baseball was played upon the Waterworks park when the Holmedale boys entertained the Terrace Hill Alerts. The latter proved the better team and defeated their opponents by 9 to 4. It was a fair game and was watched by a fair number of suectators. Myers and McKay composed the Alerts' battery while Johnson and Butler were the battery for the losers.

Old Home Week.

Mr. Rosenthal, advance agent for the Washburne Shows, is in the city to-day securing sites on which to run his shows for Old Home Week. The committee in charge of the Made-in-Brantford Exhibit at the Armories will meet at 4.30 this afternoon at the Temple Building, also a meeting of the reception committee will be held at the same time. The finance and parade committees meet to-morrow night at the Temple Building.

Lively Scrap

A lively scrap, in which four foreigners were actively engaged, while a number of others were enjoying the scene, occurred on Charlotte street at the Nelson street corner, at half past eight on Saturday night. The combat was waging merrily, and rocks, bricks and chunks of wood were used by both attackers and defenders, with effect. All the fighters were streaked with blood when the police arrived with the patrol wagon, and succeeded, after a lengthy chase, in capturing all the combatants, who proved to be two Armenians and two Maltese. The reason of the conflict was not definitely ascertained. They will be bought before the Bench tomorrow, with being disorderly.

IS SUSPENDED

DUBLIN, July 27.—The assistant commissioner of police, who yesterday requqisitioned the military, was to-day suspended from duty pending an inquiry. Sixteen policemen, suspended for refusing to obey orders, were placed under arrest and ordered to remain in barracks, but refused to obey.

THE HIGH COST OF LIVING.

Mr. Frog: "Goodness, I wouldn't eat them at that for dinner."

New Secretary

Another Official is Added to the Staff at the Y.M.C.A.

There is likely to be added to the Y. M. C. A. staff a new membership secretary in the person of Mr. Harry Fleming of Hamilton.

On Saturday Mr. Fleming receivd a call to the Brantford Association and he has already wired his acceptance of the position.

"Harry" as he is known at the Hamilton Y. M. C. A. has for some time been membership secretary there and is a very popular young man. He has a great deal of experience in Asociation work and with his personality will soon make a large circle of Brantford friends. Mr. Thompson, the present membership secretary will take over the same office in the junior department where he will assist Mr. MacFarlane who has been unassisted in his work as Boys' Secretary since the new building was opened in October last.

There has been a re-shifting of the official staff of the Hamilton Association and Mr. Ward, the new secretary met the Buildings Board this morning when his appointment was confirmed. He takes over the duties of office temporarily upon the departure of Mr. T. F. Best who will, at the end of the week, commence his annual vacation prior to beginning his task as an Evangelical worker among the associations of Ontario in early September.

It is understood that no one of the Brantford staff has been called to any other centre and that Mr. Fleming's appointment is made in order to relieve the overtaxed office workers.

Musicians Had Picnic

A Jolly Outing Was Held Saturday on River Banks.

One of the jolliest affairs of a long time occured on Saturday afternoon when the Musicians' Union held their annual picnic at Kirkby's Grove on the banks of the Grand River. Leaving Brantford 100 strong in four large carroles the party were soon transported to the scene of activities where a fine programme of sports and games was conducted including running, jumping, and other contests, beside organized games of football and baseball. The Dragons went down to the band of the 38th Duffs by the score of 8 to 10, when they played a game of ball, the feature of which was the twirling of Dr. Pierce, conductor of the 25th band.

The tables presented a resplendent appearance when the party sat down, bus soon after someone had suggested that the army worm had been busy, so bare were the tables.

A pleasant ramble along the banks before the return at 9 p. m. was a fitting conclusion to an outing which was declared the best ever.
