HARBOR MATTERS

To the Editor of The Times:

Sir,—Kindly permit me to say a few words re the proposition to buy up the city wharves by the federal government. Much has been said in the press and elsewhere. If the city got $2,000,000 or $2,500,000 for the wharves would not the powers that be most likely cancel the bonds, thereby releasing the city from paying interest on same but at the same time lose the revenue which goes to pay the interest? I ask in what way would the city benefit. I think the better way would be for the federal government to hand over the government wharves to the city, thus perhaps doubling the revenue to the city and the city have full control of all piers on the west side.

It has been published that there is no charge for side and top wharfage at Halifax at the new government terminals, so possibly if the federal government bought out our property here, they may not adhere to the arrangements at Halifax and keep on a stiff charge for side and top wharfage, thereby diverting business to Halifax, although I have nothing against Halifax having its share.

Also reference in connection with item in Telegraph Aug. 22 last by Hon. F. B. Carvell re distances as per enclosed clipping. Distance from McGivneys via N. B. Central to St. John, say Courtenay Bay, is 117 miles via Chipman and Norton; via Fredericton and Valley road 119 miles, and according to press reports the Fredericton railway bridge is not fit for heavy traffic although perhaps the N. B. Central is the same. I hope our members, Messrs. Wigmore and Elkin, are looking after our interests and not make a long agreement with the C. P. R. to West St. John when everybody has been looking for some time to the Courtenay Bay project with terminals there. Again, if traffic is to be diverted via Fredericton from the National Transcontinental why not use all C. P. R. via Fredericton Juncton which is eighteen miles shorter than by using the Valley Railway?

Yours truly,
A HUMBLE CITIZEN OF ST. JOHN.
St. John, Sept. 16.

Scandinavian Inquiry.

At the enquiry before Judge Chandler yesterday into the matters connected with a trip made by the S. S. Scandinavian made to this port, which investigation was asked for by the G. W. V. A., Mrs. Harold Lawrence, secretary of the Canadian Red Cross at this port; Dr. W. L. Ellis, immigration physician; Mrs. J. U. Thomas of the volunteer nursing staff, and J. P. Kiervin, of Quebec, chief clerk of the C. P. O. S., gave evidence. E. W. Roberts, field secretary for the G. W. V. A., appeared for that association, and Cyrus F. Inches appeared for the government. The case was postponed for other witnesses.
