BUSINESS ON THE MARTS.

THE LOCAL WHEAT MARKET DECIDEDLY EASIER.

A Sharp Drop of 5 Cents in Chicago—Barley Firmer—Montreal Telegraph Stock Selling Rapidly at Montreal—Fluctuations in Leading Stocks at New York.

WEDNESDAY EVENING, Dec. 26.

The wheat market here is rather knocked out by the sharp drop in Chicago of 5 cents. The feeling here is decidedly easier, $1 being the best bid for spot, and in the face of the drop it is not worth much more.

Barley is firmer here and unchanged in United States markets. 68 cents was bid for No. 1 here to-day.

Montreal Telegraph Co. stock is still selling rapidly on the Montreal stock exchange and the price has now got down from the starting point, 94, to 86.

The local stock exchange was quiet, as expected, with sales totalling 247 shares. In the morning British America xd, 91; Western Assurance, 144½; Canada Life, 450; Confed. ENGLISH MAILS.—A mail for England via New York will be closed at this office every day, excepting Sundays and Wednesdays, at 4 p.m., and will be despatched to England by what the New York Postmaster may consider the most expeditious route.

On Thursdays a supplementary mail for London, Dublin, Liverpool and Glasgow, will be closed here at 9 p.m., for the Cunard steamer sailing on Saturday, but to insure catching the steamer the 4 p.m. mail is recommended.

The Canadian mail via Quebec will close here on Wednesdays at 10 p.m.

Dixon

THE PHOTOGRAPHER,

is under the skylight again, after a rest for some time. He will astonish the citizens of Toronto in a few days with wonderful effects in Photography. There is always something new coming out, and Dixon has got it first. Parties wishing orders filled by Christmas would do well to leave their orders early. Dixon's large work cannot be beat in America. His studio is not up Yonge-street, but at the corner of King and Yonge-street, Toronto. 246

FIREPROOF BUILDING MATERIAL.

Dr. Stephen Smith, an eminent physician of New York, Vice-President of the National Board of Health, and late State Commissioner in Lunacy, after a critical examination of Terra Cotta Porous Ware, strongly recommends its use in hospitals, asylums and similar institutions, as "it makes a floor and wall that noise can scarcely penetrate, and capable of taking a finish which will be permeable to air, and may be washed and disinfected."

A recent test at the St. Lawrence Foundry, Toronto, shows that our 9 inch flat arch blocks, in a span of four feet, sustained, without any indication of weakness, 4545 lbs. of metal on one square foot of surface.

Architects are recognizing the value of this material, our latest endorsers being: R. A. Waite, Esq., of Buffalo, N. Y.; Messrs. Brown & Love, Toronto; John J. Brown, Esq., Montreal, and Messrs. Knox & Elliott, Toronto.

Our latest orders are from the Bank of Commerce (now building), Toronto, the Royal Insurance Co., rebuilding Head Office, Montreal, the Imperial Fire Insurance Co., new offices at Montreal. 246

Healing Disease by the Laying on Hands at SHAFTESBURY HALL PARLOR, Toronto, by

PROF. LEMON, M. D.,

formerly of the University of Buffalo, N.Y., and Victoria, Canada, Member of the Colleges of Physicians and Surgeons of Ontario and Quebec, a graduate of several other colleges and member of the Natural Science Society of New York, author of several treatises on the Science of Life. Dr. Lemon will lecture at Shaftesbury Hall and heal the sick, poor or rich, free of charge, beginning

Wednesday, Jan. 2.

The Dr. has just closed a most successful three months' visit in Montreal. The Star says, "An old gentleman went upon the stage so crippled by rheumatism that he had to use two crutches to walk, said he had been so two years. After two minutes, he was ordered to walk, and to the great astonishment of all present he did so, as well as ever without crutches. A half hour later he was going home carrying his crutches over his shoulder. Dr. Lemon will heal the sick free at Shaftesbury Hall Parlors every morning from 10 to 11 o'clock. All who are able and willing to pay may see him at the Revere House after Xmas, all the rest of the day. Letters of inquiry must contain stamped envelope directed.

MONTREAL, Dec. 3, 1888.

To Dr. Lemon:

SIR,—I hereby certify that I have been a patient of yours for the past four weeks. I received medical treatment for twenty years before I came to you. I certify that medical treatment never did me any good. I never received any benefit until I applied to you. My disease was dyspepsia and rheumatism. What I suffered no one knows only those who have been similarly afflicted.

I write this to Dr. Lemon in token of the gratitude and thanks for the good he has done me. I am better now than I have been in twenty years. I did not take any medicine.

Respectfully,

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*
