HOME EVIDENCE

IN FAVOR

OF THE

PAIN-KILLER.

Hint No. 1.

If you wish to save yourself, your family, and your friends a world of suffering and pain which at present they endure needlessly, and also save many dollars in Doctor's bills, go at once to the nearest store, and buy a few bottles of PAIN-KILLER.

Hint No. 2.

Ask your Druggist, Grocer or Shopkeeper, for a bottle of PAIN-KILLER. *If he passes it down without ceremony, ask him while extracting the quarter dollar from your wallet, if this is the genuine made by* PERRY DAVIS & SON. *At the same time watch the expression on his face. You can easily tell if his conscience is all right. Also examine the bottle closely yourself.*

Hint No. 3.

When you ask for a bottle of PAIN-KILLER, *and the gentlemanly store-keeper, without scarcely looking, remarks, "we are just out, but have another article as good or better, which sells for the same price, viz, 25 cents." Turn on your heel and say, Good-bye, Sir! That man cares more for the two or three cents extra profit which he gets than he does for your health or happiness.*

Hint No 4.

Beware of all the worthless mixtures, and dirty, greasy combinations which are offered you in almost every store you enter, and which some unprincipled shop-keepers try to palm off as a substitute for the PAIN-KILLER. *These mixtures are gotten up expressly to sell on the reputation of the* PAIN-KILLER, *but have nothing in common with it.*

Hint No. 5.

If you cannot obtain the genuine PAIN-KILLER *in your locality, (a fact not very likely,) you should address the proprietors, enclosing the price, and some one will respond by return mail. Do not let the dealers impose a spurious article on you because it may pay them better profits. Remember that the genuine is sold everywhere throughout the Dominion.*

Why experiment with unknown mixtures without character or reputation, when this world-renowned PAIN-KILLER which has stood the test of over 40 years, can be had for the same price at any Drug Store in the Dominion!

READ THE FOLLOWING.

OTTAWA, ONT., *March* 2, 1880.

The writer has been selling Perry Davis' Pain-Killer now for the last 20 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhœa, Sore Throat, Chronic Coughs, Bronchial Pulmonary Colds, &c. Have used it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.

Yours, H. L. HODGSKIN.

MAITLAND, ONT., *February* 26, 1880.

I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your valuable Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, *every* person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of "Perry Davis" in the house. All who have used it once, will use it again; it makes friends wherever it goes.

Yours truly, JOHN DUMBRILLE, *Druggist.*

SPENCERVILLE, ONT., *February* 26, 1880.

We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly on hand for a number of years, during which time it has been the leading article of its class in our trade. We do not hesitate to say that during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but still occupies the front rank wherever duly tried. My customers speak very highly of it, and I could send you good testimonials showing up its merits and intrinsic worth, were it necessary, which it is not, it should however, be called Excelsior Pain-Killer." I pride myself in never being out of it.

Yours very respectfully, JOHN G. DEANS.

STOCO, ONT., *February* 27, 1880.

We have great pleasure to state that the Pain-Killer holds its position in this place as the old, reliable family medicine. Although there are a great many other remedies in the market—some bearing nearly the same name—as Pain Killer, Pain Destroyer, and such like names, we find the people know the difference, and are sure to ask for Perry Davis'. We have been selling Pain-Killer for the last [illegible]

Yours truly P. & P. MURPHY.

PORTLAND, ONT., *March* 9, 1880.

I have been using the Pain-Killer for many years with results that justly entitles me to recommend it. As a family medicine, we consider it almost indispensable; being good not only as a pain-killer, but for colds and sore throat, and many other ailments for which it appears specially adapted. I have used it myself, freely as a liniment, and did it valuable for rheumatism and pains and stiffness belonging to old age. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptation, and send you this certificate that you may assure the public that it is no humbug.

Yours truly, THOS. GRAHAM.

ESCOTT, ONT., *March* 4, 1880.

We hereby certify that we have used Perry Davis' Pain-Killer in our families for several years. We consider it a very useful and necessary article to be kept in all households as a resort in case of accidents and exposure to attacks occasioned by cold.

JEREMIAH CURTIN,
J. J. DOWSLEY
JOSEPH P. REDMOND
ARCH. GREER.

MAITLAND, ONT., *February* 25, 1880.

I have used your Pain-Killer for the last twenty years. I carried it with me all through the American War. I believe I would have been dead long ago, if it had not been for your Pain-Killer. I think it is the best remedy in the world for which it is recommended.

Yours very truly, N. W. LAFONTAINE.

PORTLAND, ONT., *February* 26, 1880.

I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

S. S. SCOVIL.

PRESCOTT, ONT., *February* 27, 1880.

I have sold your Pain-Killer for the last nineteen years in this place, and feel safe in recommending it to the public for the diseases given in your circular. I can assure you my customers speak well of it as a general family medicine. It takes the lead of all other similar preparations. Yours, &c.

GEO. BIRKS.

COBOURG, ONT., *March* 3, 1880.

I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that its sale in that time has been larger than any other patent medicine that I have on my shelves, and in those years I have never heard a customer say aught but words of the highest praise in its favor. It is an article that seems to have combined in it all that goes to make a *first class family medicine*, and as long as I have a house and store, Perry Davis' Pain-Killer will be found in both.

Yours, &c., J. E. KENNEDY.

MADOC, ONT., *February* 16, 1880.

Your Pain-Killer as a family *cure all* has been in constant use in my household for a long term of years, and I would never desire a better one. It never fails me. I call it the "Old Reliable."

Yours very truly, HORACE SEYMOUR.

TAMWORTH, ONT., *March* 4, 1880.

For twenty-three years last past I have sold Perry Davis' Pain-Killer, and have always found it to give good satisfaction. I have frequently used it in my family, and received great benefit from the use of it in that way. Although many imitations of it have been put on the market, and are pushed hard, yet the old, reliable Perry Davis' Pain-Killer holds its own, and is a very popular domestic medicine. Yours respectfully,

JAS. AYLSWORTH.

The PAIN-KILLER

is recommended by *Physicians, Ministers, Missionaries, Managers of Factories, Work-shops, Plantations, Nurses in Hospitals,*—in short, *everybody everywhere* who has ever given it a trial.

TAKEN INTERNALLY, it cures Dysentery, Cholera, Diarrhœa, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Liver Complaint, Dyspepsia or Indigestion, Sudden Colds, Sore Throat, Coughs, &c.

USED EXTERNALLY, it cures Boils, Felons, Cuts, Bruises, Burns, Scalds, Old Sores and Sprains, Swellings of the Joints, Toothache, Pain in the Face, Neuralgia and Rheumatism, Chapped Hands, Frost-bitten Feet, &c.

The PAIN-KILLER is put up in 2 oz. and 5 oz. bottles, retailing at 25 and 50 cents respectively,—large bottles are therefore cheapest.

ARM RESTORED

After being useless for Six Months.

GATES & Co., Dear Sirs—For the benefit of all concerned I make the following statement:

About three years ago I was seized with a severe pain in my arm, which lasted several days and then settled in my wrist, leaving my arm entirely useless for at least six months; during this time I was under the doctor's treatment, but all to no purpose. And, strange as it may appear, I knew not that your agent in Wallace had medicine in his store that would cure my arm. I asked my husband to go and see. He went and brought home one bottle of Gates' Life of Man Bitters, No. 2, and one of Gates' Acadian Liniment, with immediate results. I took bitters, and made a perfect cure. During my trouble with my arm my general health was much impaired, appetite gone, and notwithstanding all the prejudice against patent medicines, I must not only praise it, but recommend it to an afflicted public, for I consider it providential that I found such medicine.

MRS. STEPHEN CANFIELD.

The above statement was sworn to before me at Wallace, this 13th day of October, 1876.
