SEAGRAM'S DRAMATIST SCRATCHED

Fort Erie Winners Generally at Good Odds—Summaries and Entries for the Day.

New York, July 17.—The horses ran true to form at Brighton Beach to-day, as six favorites, all heavily played, won. In five out of the six races, the one, two, three choices ran one, two, three. Lady Sterling, at 50 to 1, in the third race, was the only outsider to keep the choices from sweeping the board. Cameron, who was always well up, easily defeated Old England in the Test Handicap, at ⅞ of a mile. The time, 1.12 3-5, was excellent, as the track was not at its best. Seagram's Dramatist, among several, was scratched from the fifth race. Dick Welles' Hyde Park.

Chicago, July 17.—Dick Welles was the winner of the Hyde Park Stakes, which was contested this afternoon at Washington Park by 14 2-year-olds, the pick and pride of the West. Savable finished second, and Early, third. The winner is a bay colt by King Eric—Teas Over, and he belongs to J. B. Respass of Cincinnati. While a racy-looking youngster, he probably would not impress the casual observer as much as would either of the colts which finished directly behind him to-day. Savable is the property of John A. Drake, while Early ran in the colors of P. Dunne, the former owner of Savable, who was erroneously reported as having sold Early, also, to Mr. Drake. The victory was a hollow one for the winner, who was six lengths to the good at the finish, and, in this particular, the race was a disappointment to the big crowd, but, making allowance for all things, little doubt remains that the Hyde Park, worth $7710, was truly run, at least so far as regards the result for first money. After the closing race, G. W. W. ran away three miles, and Jockey Coburn finally jumped off the horse. Weather hot; track fast.

E. M. Byers Beat Champion Travis

Glen View Golf Course, Ill., July 17.—Almost ideal weather conditions prevailed today when the match play for the amateur golf championship was resumed. Chief interest centred in the match between Champion Travis and E. M. Byers of Alleghany, and that between Walter Egan and George A. Ormiston, whose score of 79 in the qualifying round was one of the biggest surprises of the tournament. Large galleries followed both games. To-day's match play will bring the tournament down to the semi-finals.

E. M. Byers of the Alleghany Club played the prettiest golf in the nine last holes that has ever been seen in an amateur championship tournament, added an "ex" to-day to champion W. J. Travis' title, defeating him by one hole. Byers' medal score of 35 for the last 9 holes has only been beaten by one or two professionals.

His game was simply unbeatable. Travis played par golf or better, in fact, but this was not enough to defeat the Pittsburg golfer. The totals were: Byers 77, Travis 78.

Bisley Camp, July 17.—(Telegram Cable.)—Pte. T. J. Pennie of the 5th Royal Scots scored 38 points in the Association Cup match, at 200 yards, and 37 points at 600 yards.

GRAND CIRCUIT TROTTING

Eight Races Decided Yesterday Before 5000 People at Blue Ribbon Meeting.

DAN PATCH WON THE 2.04 PACE

Geers and McHenry Had Each Three Winners—Summaries for the Day.

Detroit, Mich., July 17.—Eight complete races gave the 5000 people who attended the Detroit Driving Club's Blue Ribbon meeting at Grosse Point track an afternoon of excellent sport. The features of the card were the 2.04 pace, left over from yesterday and the 2.07 trot.

Dan Patch was an almost prohibitive favorite in the 2.04 pace, and captured the event in straight heats, with Searchlight second, both times. In the first heat Searchlight led to the stretch, with Patch trailing second. There McHenry let Dan Patch out and he rapidly overhauled Searchlight, winning by a length. He won the second heat by two lengths, after trailing second three-quarters of the way.

Lord Derby and Charley Herr were scratched in the 2.07 trot, leaving only the Monk and Dolly Dillon as contenders. The mare opened favorite in the betting at $115, with The Monk at $100. Geers soon proved that the first judgment was incorrect for he kept The Monk all the way in both heats, winning the first one in 2.07. Both Geers and McHenry drove two winners to-day. Summaries:

IN THE REALM OF LACROSSE.

Interesting Schedule of Matches Down for Decision Saturday.

Ottawa, July 17.—The senior lacrosse match on Saturday afternoon next between the Shamrocks and Capitals will do much towards deciding the championship. Neither of the clubs has lost a game so far this season and the loss of this one to either is likely to prove a serious matter. Heretofore the Caps were always kept from playing the champions at Montreal until the end of the season, but the local club insisted on a reversal of this practice this season. So the Shamrocks will be obliged to play what may probably result in the deciding game in this city.

The Caps fully realize what next Saturday's game means to them and all are preparing therefore to the complete satisfaction of Pete Green, which speaks volumes in itself. No change will be made in the personnel of the team, but after the hard work in the Week Ends the team will have every appearance of a new aggregation. Much time is being spent in combination work, passing and shooting, and in all of these departments the boys have improved greatly. A large crowd will accompany the team to Montreal.

Huntsville Beat Gravenhurst.

Huntsville, July 17.—A lacrosse match, in the intermediate series, was played here to-day between Gravenhurst and Huntsville, resulting in a score of 12 to 1, in favor of the home team. It was clean lacrosse, but Gravenhurst were outclassed altogether.

The matter of a referee for the Tecumseh-Orangeville game on Saturday has caused a lot of trouble, and the chances are that Peter McMillan will be selected. Hagan and Kelly will not be on the Tecumseh team to-morrow, but, in their stead, will appear Wilkinson and McKenzie. A special excursion is being run from Orangeville for the game, which will be called at 3 o'clock.

Aquatic Sports at Hanlan's Point

The first of the weekly sports of the I.A.A.A. at Hanlan's Point was a splendid success, both as regards attendance and competition. Seldom has better or more interesting racing been witnessed in Toronto. The ladies' single, open, was won by Miss Sankey, who paddled most cleverly; Miss G. Sankey, second, and Miss O'Hara, third.

The club tandem had so many entries that it had to be paddled in heats.

First heat—Lamont and Wade, 1; Watson, C. L., and Gordon, 2; Strickland and Bassett, 3; Evans and Trees, 4.

Second heat—Temple and Blomfield 1; Darling and Francis, 2.

The finals resulted in a win for Temple and Blomfield, with Wade and Lamont, 2; Francis and Darling, 3; Bassett and Strickland, 4. The first three crossed the line almost together, and were judged by inches.

The ladies' and gentlemen's tandem was a pretty and interesting race, but resulted unfortunately, as the crew of Mr. Lamont and Miss Ireland swerved from their course, and crowded several of the others; Mr. Tom Wade and Miss Lamont won, with Mr. Ashall and Miss Merrick, second.

The ever-popular crab race brought out about 12 entries, many of whom did not finish, owing to upsets and mishaps. After a most amusing series of adventures, C. Huckvale finished first, with Lamont, H. Huckvale, Darling and Temple in order named.

The club fours was, as usual, the race of the evening, and most closely contested. It was won by Hanlan's Point crew of Lamont, Wade, Strickland and Lamont, from Ward's Island crew of Blomfield, Watson, Gordon and Temple. Centre Island crew came third—Darling, Francis, Bassett and Jamieson.

The final race was a double-gunwale, open, and was a good win for Ward's crew of Blomfield and Temple, who led Francis and Darling by half a length. C. Huckvale and H. Huckvale upset.

Next Wednesday's sports will be at Centre Island again, with the following program: Single, under 15; double-gunwale, club; ladies' tandem; single, under 18; dingy race, swimming, open; club fours.

Officers present: W A Findlay, Mont. Lowndes, Jack Lindsay, G Wade, George Dunstan, C Cassels, J G Merrick.

Australia Won By 143 Runs.

Australia notched a point in the great international struggle by winning the third test match, that closed at Sheffield on Saturday, July 5, by 143 runs, this being the first of the five games arranged that has been brought to a definite issue.

Noble bowled Lilley and Hirst with successive balls, both practically unplayable, and Braund fell to a good catch at point.

Noble was undoubtedly the hero of the day. From the time he went on at 151, he bowled 12 overs, three of which were maidens, and took five wickets for 20 runs.

Play on Saturday lasted for two hours and ten minutes, and, during that time, nine wickets fell for 122 runs.

The Australians undoubtedly won the game on their merits, altho they certainly had the better luck in regard to the light and the condition of the wicket. The complete score of the match is given below:

Averages of the Englishmen.

The severe defeat of England in the third test match, says The London Daily Mail, will set amateur selectors hard at work in choosing the team for the fourth game, which starts at Manchester on July 24. It is undoubtedly true, and "pity 'tis 'tis true," that many alterations will have to be made before the next eleven takes the field. The following batting and bowling averages for the test matches will show who have failed and who succeeded, altho, of course, in estimating the value of the batting of Rhodes and Lockwood it must be borne in mind that they have played nothing but not out innings so far.
