MAGISTRATE'S CHANGED VIEW ALLOWED TRIAL TO PROCEED

Didn't Want Accused Hanged, But Rather Thought There Was No Evidence Against Him.

West Selkirk, Man., April 15.—(Special.)—The preliminary examination of Lawrence Duggan, the returning officer for Selkirk at the last Dominion election, charged with wilfully and unlawfully erasing certain names from the voters' list, commenced this morning.

The defence made a motion against the jurisdiction of Magistrate Scott, on the ground of a certain statement he had made in reference to the case, which showed that he was biased. One of the statements said to have been made by him on election day was that he would "like to see Lawrence Duggan hanged."

Magistrate Scott emphatically denied that he had made any such remark about Duggan, as alleged, on election day, but he did say that he thought there was no evidence to show that Duggan had erased names.

The case was then proceeded with.

SOLD TEAM UNDER FALSE COLORS IS MULCTED HEAVY DAMAGES

Sold for $290, Judge Adds and Subtracts and Orders $219 Returned.

St. Catharines, April 15.—(Special.)—In the assizes to-day, Justice Anglin gave judgment in a horse case. Sturch is a farmer living in North Grimsby Township and Krick resides in South Grimsby. On March 11, Krick sold Sturch a team of horses for $290, warranting that "they were all right in every way, good and true, a good team to pull."

Sturch found out the horses were not as warranted. One of them was a "switcher" and "kicker," and he wanted Krick to take the team back and repay his $290, and brought suit. Krick denied that he had given any warranty. The horses, however, he said, were perfectly sound and free from vice.

Justice Anglin said that the warranty was fully established by the evidence, and that it was untrue. Horses had risen in value of late, and he allowed the plaintiff $29 on that account, making the present value of the horses, had they been sound, $319. From the evidence, he assessed the value of the team at $100. The defendant would have the option of paying either $219 to Sturch and letting him keep the team or paying him $319 and taking back the team, the defendant to pay all costs in either case.

TORONTOS WON, SCORE 8-7 FROM ROYAL CANADIANS

Soffel, O'Brien and Sullivan in the Game—Amateurs Made Good Showing.

Soffel, O'Brien and Sullivan made their appearance at Diamond Park Saturday afternoon in the game against the Royals. Soffel is of short, thickset build, and in appearance resembles Al Wagner. O'Brien, on the contrary, is quite tall, and reminds one of Applegate. Sullivan, who caught for the Torontos, is of medium build, but not light by any means. Hoopes has been released; Carr was on third, O'Brien at short, Soffel at second and Rapp at first. This will probably make up the infield.

Seven innings were played, and the Torontos won out in the last innings. The Royals made a much better showing than the amateur team last Saturday; they were strong finishers, and tied the score in the seventh, getting four runs on Leper's single, a charity to Johnson, his stolen base, E. Taylor's hit and hits by Williams and Walsh. Toronto, in their half of the seventh, got the winning run on White's three-bagger to left and Harley's long fly to deep centre.

I. C. B. U. Beat St. Michael's.

The I.C.B.U. opened the season with a win from St. Michael's College on the college campus in an exciting ten innings game. Whalen, for the collegians, pitched a steady game, but the boys in green by timely hitting and daring base running, succeeded in scoring four runs. Brophy for four innings, had the Saints at his mercy, allowing but one hit and no runs. Tom Smith then went in and, with the exception of his first innings, pitched a steady game. The I.C.B.U. played a snappy fielding game, Jack Brennan covering second base in brilliant style. Score:

NEW RAILWAY FOR WINNIPEG TO HANDLE EMIGRANT TRAFFIC

C. M. & St. P. Officials Trying to Arrange for an Extension of Their Road.

Winnipeg, April 15.—(Special.)—It is said on good authority that the coming visit to Winnipeg of officials of the Chicago, Milwaukee and St. Paul Railway is in connection with a more important mission than the opening of an office and the appointment of a local representative, and that the real object of their visit is to look over the ground in connection with the project that the company have of extending the northern branch of their road from Fargo to Winnipeg or to the boundary, if arrangements for connections can be made with the C.P.R. and C.N.R.

The C. M. and St. P. Railway has about 10,000 miles of road, traversing the states where a big emigration to Western Canada is originating, and the company has decided to get in to Winnipeg for the purpose of handling the bulk of traffic.

This distance between Fargo and Winnipeg is 227 miles.

GERMANY AND FRANCE NOW EXCHANGING VIEWS

Berlin, April 15. — Foreign Minister Delcasse talked over the Morocco question with Prince Von Radolin, the German ambassador, yesterday, thus beginning a direct exchange of views between the German and French governments. M. Delcasse opened the subject, and therefore the initiative came from France.

Nothing is said at the foreign office here regarding the substance of the interview, only that Prince Von Radolin received M. Delcasse's observations in a suitable spirit.
