THE GORGEOUS STREET PAGEANT

is a Salamanda of Splendour, equal to the Grandest Oriental processions, in which are mingled the moving Gilded Chariots and the sensational and grotesque Mardi Gras Carnival.

Two Full Current Bands of Music.

Because of the overwhelming proportions of the Great London, and its great outlay attending its transportation and daily exhibition, it will only pass in the larger towns or cities where the population is fully adequate to insure its expenses. But excursions and regular trains will be arranged for upon all lines centering at the place of exhibition, at greatly reduced rates of fare, and coupon tickets issued at all railway stations, within 100 miles of the place, enabling the inhabitants of the surrounding country to attend these stupendous exhibitions.

NOTICE EXTRAORDINARY—Beware of a formidable concern styled Pullman & Hamilton's "London Scenaries." There is but one really Great London Show—this is unequalled organization. Be not confound it with any another.

TWO GRAND PERFORMANCES,

at 2 and 7.30 o'clock p. m.

Doors open one hour previous.

Admission, 50 cents; children under 9 years, 25 cents; Reserved Cushion Chairs, 25 cents extra; Comfortable seats for 1,500 people.

In order to avoid the crowd at the ticket office on the grounds, a few tickets will be left at a slight advance at Winnifrith Brothers, No. 6 Toronto street, on the day of exhibition.

In case proper arrangements can be made, the above will exhibit at only the following places in Canada:
