## ALIX FALL FAIR.

Bulletin News Service.

The Alix second annual fall fair held on September 29th, proved a splendid success. The Alix Agricultural society, the citizens and the exhibitors spared no efforts to make it so. The Agricultural society since the first fair last year have worked like Trojans and the result was seen on Wednesday in a beautiful new agricultural hall, 40 feet by 60 feet, standing in its own enclosed grounds of about fifteen acres, all free from debt.

F. W. Puffer, M.P.P., of Lacombe, and George F. Root, of Red Deer, both spoke at the formal opening of the building on the morning of the fair day. Mr. Puffer described the hall and the exhibits as magnificent, and said that from Edmonton to Calgary it was the best building of its kind, in the interior, that he had seen. He described Alix district as one of the best in Alberta and said that Lacombe always looked for exhibits from it. Mr. Root congratulated Alix on the product of the district as shown in the hall that day, strongly advised the farmers to raise more cattle, described the hall as an object lesson to the entire district, and wished the fair every success. The hall was then declared open by B. F. Sanderson, president of the Alix Agricultural society.

The day's proceedings opened with a polo match which was played in first-rate style, by teams of north side and south side of Parlby Creek. South side team—William Turnbull, Capt.; Mr. Work, H. Turnbull, and Capt. Amphlett. North side—Walter Parlby, Capt.; J. B. Lambard, C. Young, Mr. Jamieson and F. Arbuthnot. The north side were victorious with a score 4 to 2.

The exhibits this year in many sections were doubled. There was a fine showing of horses and also of sheep. In the vegetables and roots were exhibits of about every kind grown, and of A 1 quality. This year broad beans and Brussels sprouts were included. John Bellamy, of Didsbury, Government judge, made the awards in horses. A first prize went to George Wells for Clydesdale stallion, a first to J. Lair and a second to Mrs. Westhead for light thoroughbred stallion. A. R. The largest crowd ever seen in Alix was present on Fair Day, there being from 1,500 to 1,600 people. The hotels and restaurants rose to the occasion in their accustomed manner and kept up their reputation for feeding visitors well. There were two large refreshment stands in the grounds that supplied all kinds of fruits, cakes and good things. Unfortunately about four o'clock a heavy fall of rain occurred, so that there was no baseball match, and no racing. A big dance was held in the evening in Todd's hall, which was well attended and much enjoyed as well as the supper provided at Steers' restaurant. There is no question as to the great success of this year's fair and already the directors are thinking of many improvements, and plans for next year. Attention will be given more particularly to the children's department. Only two prizes were offered this year for handwriting and collections of wild flowers. Maurice Brown took first and Frank Darlow second for handwriting. A special prize was awarded to Miss Lilas Hodkins, 11 years old, for a prettily worked cushion.

In the plowing match in connection with the fair, held at Mrs. Westhead's ranch on the 25th, the first prize of $10 was won by Mr. Dunham, the second $5, by Harry Beltz. Quite a number of people went out to see the match, and were served with tea and cake by Mrs. Westhead. The judges were C. M. Yarwood, Joseph Ennis, R. Cook. Director in charge, R. F. Sanderson.

## THE VEGREVILLE FAIR.

The Vermilion Valley and Beaver Lake Agriculturial Society held its 7th. annual exhibition on Wednesday, and it proved to be the most successful as well as the best since its inception. In the morning the weather was threatening; by noon the wind was blowing very strong, and by 3 o'clock it was a minature hurricane. If Vegreville had picked on a day for the past 20 years, it could not have picked a worse one. Notwithstanding all that there were over 1200 people on the grounds.It is said the cause for the wind storm was the changing from two days, to one for the fair. The base-ball game between Revillons, Edmonton, and Vegreville had to be called at the end of the 3rd. innings, the empire being unable to distinguish the players on account of the dust flying.

The vegetable and root display was particularly good. Ripe pumpkins, tomatoes, corn, cucumbers and squashes as large as tubs being displayed, Beaver Lake taking the palm for large roots and vegetables. The entrees in butter and bread and preserves and jams and jellies from wild native fruits were very heavy. In the Ladies work the exhibit was the finest display seen in western Canada. In the fine arts, the exhibit was not so large, but just as good. In the floral display the competition was keen, especially in the work done by children under 15 years. In some instances the judges were at their wits end to make a decision. The school exhibit was not a heavy one, but the work shown was a credit to the school. Special mention might be made of the exhibit from the Roman Catholic School, Vegreville, it was the admiration of all who saw it. Special mention also might be made of a display of butterflies and moths by Mr. Joseph Adams, Vegreville, all gathered in the town limits.

In the grain and grasses the exhibit was not a heavy one, but the grain shown was far superior to former seasons. A. T. Bridgman, photographer, had a fine display of photos., J. B. Holden, M.P.P. standing prominent. C. Gordon had a display of his handicraft from his sash and door factory. A fine species of porcupine, which was killed near Warwick, was on exhibition, it weighed 27 pounds.

In the horse show, the number of entries was not as large as last year, but the quality was as good. In the Clydesdale, H. E. Flewell, of Vegreville, had a fine animal with D. G. Rose, a close second. In the Percherons, S. A. Richardson, of Bens Lake, carried off the honors with a black stallion. Ebor Hewer, of Soda Lake, took second place. There were some good horses shown in the heavy draught class, and also in the general purpose, the prizes being pretty well distributed. In the agricultrial class, Geo. Robertson, the president of the association, taking most of the prizes. P. T. Keitges, had his fine block team, and had no trouble in securing first for carriage team. In the stallion sweep stakes, H. E. Flewell took first. As the government does not encourge stallion sweepstakes, the government judge would not act, as a decision on such a class always caused bad feelings, Mr. Lyons, of Edmonton, was appointed, and none of the competitors would show and Flewell got the prize. In the cattle ring the Polled Angus were in evidence, P. M. Dobbins, of Vegreville, taking the honors. He has a bunch of 20 head, his yearling bull calf taking the bull sweepstakes. J. J. Bell, of Islay, had his bunch here again this year, but they were very thin. The best herd of 3 females went to S. A. Richardson. The best fat calf was owned by Andrew Thompson, Vegreville. There was some fine grade cattle shown. The horse and cattle show was as fine as could be found in any part of Canada. In the sheep competition J. J. Bell took the most of the of the prizes, though the competition was keen. There was a big display of swine, three years ago one solitary sow was all that could be rustled up for the fair. The poultry display was small.

The sports committee had trouble in pulling off their events on account of the wind. The following is a list of the prize winners.—

Farmers race: 1st, Dobbs, owned by Barnett; 2nd, Ginger, owned by J. J. Stanton. Open run: 1st, Allie J., owned by O. Olsen; 2nd, Joe. Buckley, owned by Olsen. 220 yards race: 1st, H. Dutcher, Vegreville, made a fine finish neck and neck with Brown Spot the winner. The time was 2.23.
