GUILTY OF INTIMIDATION.

Hamilton Striking Weavers Fined—The Perils of Amateur Baseball.

HAMILTON, June 14.—At the General Sessions to-day William Carlisle, Robert Irwin, George Maxwell, Mary A. Kingsley and Elizabeth Wright were tried on the charge of intimidating Mrs. Ellen Tope with the intention of preventing her from working at the Ontario Cotton Mill. Mrs. Kingsley fainted during the trial and had to be taken home. In his charge to the jury the judge said that it seemed very clear that Irwin and Maxwell had followed Mrs. Tope with fish horns. He did not think there was much evidence against the other three defendants, except that they were in the crowd. After being out a short time the jury returned with a verdict of guilty against Maxwell and Irwin, the others being acquitted. The Crown not desiring to have the defendants severely punished, merely wishing the sentence to act as a warning, the judge fined the two guilty ones $5 each.

The Civil Assizes.

The June Civil Assizes open this morning before Mr. Justice Falconbridge. This is today's list: Kennedy v Kerr, Toronto v Boddy, Elkins v Robertson, Whitelaw v Moorhouse, Carter v MacGregor, Martin v Martin, Miller v G.T. Railway, Clark v Millburn, Costigan v Moore, Thompson v Carling.

On Saturday Mr. C. H. Ritchie, Q.C., made an application to Mr. Justice Falconbridge for a change of venue in the case of Central Bank v J. R. Roaf and Central Bank v Roaf & Roaf. These suits involve two particular issues, a question of conspiracy and a contested account. Mr. Ritchie also asked that the jury notice be struck out. The cases are Nos. 16 and 17 on the June list. The grounds on which Mr. Ritchie made his application were on account of certain newspaper articles which had been printed concerning these cases. He argued that under the circumstances it would be impossible to obtain a fair trial in York. He put in nine affidavits to that effect. The affidavits were made by James A. McElwaine, commercial reporter; A. J. Patterson, secretary of the Home Savings and Loan Company; J. Wesley Coe, Fred. A. Fenton, G. H. Douglas, C. H. C. Brooks, Richard Armstrong.

Mr. Hilton appeared for the bank.

His Lordship said he did not think the articles complained of would interfere with a fair and impartial trial, but he would reserve judgment.

Application was made before the Master-in-Chambers Saturday by counsel in the case of Walker v. The London Free Press and Walker v. Toronto Globe for a postponement of the libel trials until fall, as the plaintiff was about to leave for England. The motion was dismissed and the case will go on at the present Toronto Assizes.

Free and easy expectoration immediately relieves and frees the throat and lungs from viscid phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Bickle's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

Whispers From Wes on.

Broder, ex-M.L.A., R. W. Phipps, and others. Music will be furnished by the Weston Brass band. Ladies are expected to bring their baskets, and refreshments will be served at 5 o'clock. Entries for the tournament must be made with the secretary, Mr. R. L. Crawford, Richview, not later than the 18th inst.

The semi-annual meeting of the county L.O.L. of West York was held at Weston last week. County Master Symes presided. A large representative body of members were present, business of importance was transacted and it was decided to hold their 12th of July celebration at Woodbridge. The district lodge also met. District Master Bull presided. This meeting was also well represented by the district officers. This district is reported to be in a flourishing condition.

A MYSTERIOUS TRUNK.

It Is Believed It Was Intended for Benwell's Body.

TONAWANDA, June 15.—A large trunk was recently found at the Erie depot in Tonawanda. It was checked to Birchall just before Benwell is supposed to have been murdered. The trunk has been at Tonawanda until a few days ago, when it was taken away by a stranger who presented a check for it. It is believed the trunk was designed to enclose Birchall's victim, and to be sent over Niagara Falls.

LOCKPORT, June 15.—Chief-of-Police Wells of Woodstock, Ont., has recently been in Lockport searching for evidence that might have a bearing upon the trial of Birchall, the Englishman now held at Woodstock for the murder of his associate, Benwell. The chief reports that an important witness, who has been thought to have disappeared, has been located and will testify at Birchall's trial in October.

An Old County Scheme Revived.

Mr. T. H. Lloyd, Reeve of Newmarket, on Saturday, at the County Council meeting, gave notice that he will move at the November session that it is advisable to separate the townships of Georgina, N. Gwillimbury, E. Gwillimbury, King, Whitchurch, and the towns and villages of North York from the County of York, and erect the same into a separate county for all purposes, and that all the questions of accounts between the County of York and the said municipalities be submitted to arbitration for settlement.

This is a revival of the pet scheme of ex-Warden E. Jackson, Mayor of Newmarket. Mr. Jackson's dream in life has been the carving of York in two and the making of his town the county seat.

Reeve Pegg of East Gwillimbury gave notice of motion that this municipality assume control of all roads in the township in lieu of contributing to the general taxation for their maintenance as at present; similar legislation will be asked by the village of Holland Landing.

The Council meets again to-morrow.

Sentence Day at the Assizes.

Mr. Justice Falconbridge on Saturday passed sentence at the assizes. Joseph Moroney, who incited Duplex to bite Juror Howe in O'Connor's saloon and prevented assistance being granted the attacked man, was sentenced to 18 months in the Central Prison. Other sentences were: William McCreary, larceny from his employers, Stewart & Wood, two years in penitentiary; James Willard, larceny, three months Central; James Rame, indecent assault, four months Central. James Dowell, larceny, was allowed to go under suspended sentence.

The Grand Jury introduced an innovation in the way of a verbal presentment made through Foreman Lobb.

This morning John Byron, charged with manslaughter, in whose case the jury failed to agree, will be released provided he furnish two sureties in $500 each that he will appear again for trial next fall.

Off to Europe.

Mr. Charles S. Botsford, proprietor of the well and favorably known drygoods establishment, leaves to-day to complete his purchases in the European markets for the fall and winter business. His intention is to buy largely and with ample capital at his disposal, and considering the present condition of the commercial market it may be safely assumed he will be able to secure bargains even greater and better than what in the past have been the means of drawing large patronage to this store from all over Canada.

Anyone visiting Mr. Botsford's store at 524 and 526 Queen-street west must be struck with the steady flow of business, but direct buyers of dry goods are not his only patrons. Mr. Botsford supplies enormous quantities by mail, and his customers are found from ocean to ocean. To this end the excellence of the establishment's dressmaking conduces not a little, and such is the success of this branch orders for dresses are received daily by letter—some as high as fifty and sixty dollars each dress.

We wish Mr. Botsford a pleasant trip.

The Labors of the Synod Ended.

The Synod of Toronto concluded its business on Saturday. Mr. C. J. Bloomfield moved a resolution providing that the funds of the rectory surplus be not applicable to the revenue accruing for the present quarter, which is payable July 1 next. This was carried.

Rev. Dr. Langtry was added to the committee on the union of the church in British North America.

The committee appointed to ascertain the causes of the distranchisement of parishes have decided to issue a circular of enquiry to the different rectors.

A Boom For Windsor or Walkerville.

WINDSOR, June 15.—As the Government has renewed its offer for five years of a royalty of $2 a ton on all of the iron made in Canada, there is every probability that such an industry will be started in Windsor or Walkerville. From statistics produced it is learned that 75 per cent. of what is used in Canada is imported.

Mr. Henry Graham, Wingham, writes: "I was in North Dakota last May and I took a bottle of Northrop & Lyman's Vegetable Discovery with me, as I did not feel safe without it. While there a lady friend was suffering with indigestion, Biliousness and Headache. I recommended the Vegetable Discovery to her and she tried it, and the result was that it did her so much good that I had to leave the balance of the bottle with her."

A Toronto Man Injured at Guelph.

George Claxton, a plumber aged 18, living at 248 Euclid-avenue, met with a painful accident on Saturday last. Young Claxton was on a visit to relatives in Guelph, and while attempting to board a train for Toronto he missed his footing and sustained a serious injury to his knee. He was brought to the Toronto General Hospital and is doing well.

The Bloor-Street Presbyterians.

The dedicatory services in connection with the Bloor-street Presbyterian Church were continued yesterday. At 11 o'clock Rev. Dr. Parsons, pastor of Knox Church, delivered an eloquent address, helpful and appreciable. At 3 o'clock Hon. S. H. Blake and Mr. John L. Blaikie addressed the Sabbath school scholars, a large number of whom were in attendance. In the evening Rev. Dr. Potts preached, the church being well filled.

To-night there will be a social, to which all are cordially invited.

The magnificent electric fixtures of the church were put in by Keith & Fitzsimons.

Moses Had Asthma.

My husband had asthma for eight years with severe cough, and his lungs also were affected. He could neither rest, work, nor get relief from any medicine he tried. Some time ago we got Hagyard's Pectoral Balsam, and after taking six or eight bottles his cough is entirely cured, the asthma greatly relieved and his lungs greatly benefited. Mrs. Moses Couch, Apsley, Ont.

City Hall Small Talk.

A permit was granted Saturday to John McMullen for two brick houses in Cater Howell-street, to cost $1600, and to Mrs. M. Smith for two in Dorset-street to cost $2000.

The Executive Committee will again wrestle with the estimates to-day.

Twenty-two marriages, 48 deaths, 62 births were registered last week.

The new pumping engines at the high level station were started yesterday and are working satisfactorily.

The Ketchum Park difficulty was amicably arranged on Saturday.

Their Royal Highnesses of Connaught sent to the Mayor on Saturday a handsome photo of themselves as a souvenir of their visit to Toronto.

Drove Him Out With an Ax.

GRAND RAPIDS, Mich., June 14.—Yesterday Mrs. Mary Holland was arrested and taken before the United States Commissioner for refusing to answer a census enumerator and driving him out of her house with an ax. Mrs. Holland admitted the charge, said the enumerator insulted her by asking if her husband was a black, a homeless child, a pauper, prisoner or a convict, and she would not stand that from any man. She was held for the grand jury.

The brightest flowers must fade, but young lives endangered by severe coughs and colds may be preserved by Dr. Thomas' Eclectric Oil. Croup, whooping cough, bronchitis, in short all affections of the throat and lungs, are relieved by this sterling preparation, which also remedies rheumatic pains, sores, bruises, piles, kidney complaints, and is most economic.

THE HUNGRY CHEYENNES.

They are Making War the Cattle, not on the Settlers.

HELENA, Mont., June 14.—Governor Toole is in daily communication with his staff officers sent to investigate the alleged hostile acts or threats of the Cheyenne Indians. No advices have come to the Governor leading him to apprehend serious troubles. If the distant settlers have been worked into a scare the Cheyennes have by the movement of troops had a worse fright. No Indians have taken the warpath and no lives have been sacrificed. Cattle have been killed and this is all. One of Custer County's largest stock growers, Capt. Harmon, says there is nothing of danger in the situation. The general opinion is that if kept upon their reserve and properly rationed the Cheyennes will remain wholly peaceable.
