East and West Huron. — At a meeting of the Reformers in this Riding, held at Blythe on Tuesday, Mr. John Davidson, of Goderich, was chosen the standard bearer for the West Riding, and Mr. Frederick Van Norman, of Brantford, for the East Riding.

Death of a Prominent Man.—Mr. H. Munro, M. P. P., long and favourably known in the township of Clark, has passed away at the ripe age of 73 years. The deceased was a consistent member of the Primitive Methodist Church, and Liberal in politics, and represented West Durham in Parliament for about twelve years.

Croup.—This disease is caused by the formation of a false membrane lining the wind-pipe, and obstructing the passage of the air, and is known by the shrill, croup-sounding cough and rattling in the throat. This membrane must be removed by expectoration. Take a double dose of the Balsam every ten or fifteen minutes, which will reduce it, after taking a few doses. The Balsam will and has saved the lives of thousands of children attacked with Croup, where it has been taken in season.

The oatmeal kilns belonging to Messrs. Currie & Thomson, grain merchants, of Mitchell, were destroyed by fire on Monday morning; no insurance. The mill buildings were saved.

New Goods.—5 cases of all the latest novelties in fancy goods opened this day. See them and compare prices. Anderson's Fancy Bazaar is the cheap spot.

Dr. Wheeler's Compound Elixir of Phosphates and Cahaya—a chemical food and nutritive tonic. This elegant and agreeable preparation is perfectly reliable in all cases of nervous prostration and general debility, arising from mental or physical exertion, intemperance, irregular habits, chronic wasting diseases depending upon indigestion, malassimilation of food and impoverished blood. It is composed only of ingredients that enter into the formation of the system, and being purely physiological in its action, may be taken safely under all circumstances, as it builds up the constitution radically and permanently in the same manner as our daily food. dat8192

Allen's
Lung Balsam

Is the great modern remedy for Coughs, Colds, Consumption, Asthma, Croup and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.

Dr. A. L. Scovill, of Cincinnati, Ohio, says:—

"I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state."

Sold by al. Druggists. Price $1 per bottle.
